Breathe Again Naturally:

Breathe Again Ed Newton, 2020-04-07 By inhaling deeply God's love, grace, mercy and so much more and then exhaling our praise to Him we realize that a rich abundant life is not about doing better but about recognizing that God is better. We breathe because God gives us breath. We exist because God permits us. To inhale and exhale life is beyond a gift; it is an invitation to embrace a divine initiative that ushers promises of eternity to the here and now. Many seem to be grasping for so much more in life. They long for a deeper reality of the eternal but continue to face frustration, failure, and fatal realities. Breathe Again is for anyone who is exhausted from their routine lives. For anyone whose rhythm of life is crying out for a fresh wind, a fresh voice, a fresh reality of divine calling and purpose. For those exhausted from their personal efforts to keep the family going in the right direction, to run that company, to lead that congregation or to impact their campus. Breathe Again is more than a motivational resource that simply challenges people to be more dedicated, disciplined, or devoted. Ed Newton helps readers realize a rich abundant Christian life is not about doing better; instead, it's all about recognizing that God is better. He is better than all our empty attempts to create new and improved selves. Just as our Creator did when He breathed life into Adam when He brought Scripture to life or when Jesus breathed out His last breath so we could breathe in His salvation. God's supernatural intent and desire is to breathe upon your life for the purpose of a divine awakening. **Trouble Girls** Julia Lynn Rubin, 2025-09-23 A fiery thriller. Kikrus Breathless School Library Journal. A queer YA reimagining of Thelma, half a pack of cigarettes that Trixie doesn't really smoke and a knife she's hanging on to for a friend that she's never used before. But a single night of violence derails their trip and the girls go from ordinary high schoolers to wanted fugitives. Trying to stay ahead of the cops and a hellscape of media attention, Trixie and Lux grapple with an unforgiving landscape rapidly diminishing supplies and disastrous decisions at every turn. As they are transformed by the media into the face of a MeToo movement, they didn't ask to lead. Trixie and Lux realize that they can only rely on each other and that the love they find together is the one thing that truly makes them free. Julia Lynn Rubin takes readers on a blistering, unapologetic thrill ride. Emma Berquis that will leave them haunted and reeling. **Trouble Girls** is a powerful, beautifully written gut punch.
