Breve Historia De Jesus De Nazaret Spanish Edition:

Jesus the Liberator Jon Sobrino, 1994-07-06 This work is a presentation of the truth of Jesus Christ from the viewpoint of liberation from Jesus's options for the poor his confrontation with the powerful and the persecution and death this brought him Building and expanding on his previous works Jon Sobrino develops a Christology that shows how to meet the mystery of God all God Father and call this Jesus the Christ

The Mystery of Jesus Christ Fernando Ocariz Braña, Fernando Ocariz, Lucas F. Mateo Seco, José Antonio Riestra, 1994 Written chiefly for theology students the book presents the authentic teachings of Catholic faith to be found not only in the ancient conciliar sources but also in important recent documents dealing with disputed issues of our times Chapters deal with The hoped for Saviour The Coming of Jesus Christ in the fullness of time The Person of Christ Christ the Way the Truth and the Life Redemption

Christology at the Crossroads Jon Sobrino, 2002-11-20 What Gutierrez has done for overall theological understanding what Segundo has done for theological method and what Miranda has done for biblical studies Jon Sobrino has now done for Christology He has provided a substantial and enduring theological contribution from a Third World perspective This book will have long life since it not only argues for the necessity of a Christology from the underside of history but offers an extensive example of how such a Christology should be constructed showing the basic connection between the radical historicity of Jesus and the suffering and pain of oppressed people The thoroughness of the author's survey of other positions the fullness of his documentation and the pervasive power of his own affirmations make clear that Christology at the Crossroads will not leave us stranded at the crossroads but will start us down exciting and demanding new paths Robert McAfee Brown Professor of Ecumenics and World Christianity Union Theological Seminary The publication of Christology at the Crossroads in English is most opportune It is not only the Christology presented in this book but the Christology of the church at large indeed of the churches that stands at the crossroads at present Those of us who have been working in this field know that in order to break through some deadlocked situations we need a Christology more soberly rooted in soteriology more honestly founded upon the historical Jesus and more realistically turned towards a future yet to be realized Yet in the affluent and basically contented northern nations of the western world this kind of Christology has not so far been written To find it one must turn to the Third World theologians for the present and among these Jon Sobrino's book is a landmark Monika K Hellwig Associate Professor of Theology Georgetown University

Jesús de Nazaret Gerhard Lohfink, 2013-10-07 Qui n fue realmente Jes s Un profeta Un sanador Un revolucionario radical Un personaje carism tico con dones extraordinarios Se han escrito innumerables libros sobre su figura pero nunca llegamos a un punto final y cada poca debe salir de nuevo a su encuentro Gerhard Lohfink muestra c mo con el m todo puramente hist rico podemos acercarnos a Jes s sin que surja un abismo insalvable con la visi n que de l tienen los creyentes Era una utop a el reino de Dios que proclam Seg n el autor no Por un lado la utop a consiste casi siempre en un sistema total cerrado que exige que el mundo anterior sea demolido En Jes s en cambio se mantienen las

tensiones de la realidad entre el Estado y el pueblo de Dios entre el individuo y la comunidad entre el ya del reino de Dios y su todav a no y entre dicho reino como puro don y la posibilidad de que el hombre lo busque en libertad Por otro lado su mensaje dio lugar al surgimiento de nuevas comunidades en toda la cuenca mediterr nea y lo iniciado en las mismas sigue vivo y contin a transformando el mundo a pesar de todas sus debilidades de toda su miseria y de sus constantes equivocaciones La praxis de este reino es m s radical que todas las utop as Es m s sobria y m s cr tica as como la nica esperanza para las heridas y enfermedades de nuestro planeta El autor espera que este libro ayude a acercarse al verdadero Jes s con actitud cr tica y diferenciada pero al mismo tiempo abierta y plena de confianza

Latin American Liberation Theology David Tombs,2021-11-08 David Tombs offers an accessible introduction to the theological challenges raised by Latin American Liberation and a new contribution to how these challenges might be understood as a chronological sequence Liberation theology emerged in the 1960s in Latin America and thrived until it reached a crisis in the 1990s This work traces the distinct developments in thought through the decades thus presenting a contextual theology The book is divided into five main sections the historical role of the church from Columbus s arrival in 1492 until the Cuban revolution of 1959 the reform and renewal decade of the 1960s the transitional decade of the 1970s the revision and redirection of liberation theology in the 1980s and a crisis of relevance in the 1990s This book offers insights into liberation theology s profound contributions for any socially engaged theology of the future and is crucial to understanding liberation theology and its legacies This publication has also been published in paperback please click here for details

Freedom and Existence Matthew Aaron Tennant,2023-08-07 Is theology a dead corpse or living organism For Uruguayan Jesuit Juan Luis Segundo 1925 1996 theology is dynamic Freedom and existence for central themes Segundo believed that theology should be transformative in human lives For a theology to be transformative there must be a connection to existence That is it must be existential Yet most scholars have overlooked this assumption in critical analyses of liberation theology This prima facie connection to existence is distinguishable from existentialism as a school of philosophy By showing the significant existential dimension to Segundo s theology assessing his work and contribution to twentieth century theology relates to freedom ecumenism the role of faith in society and the relationship between faith and ideologies

Forming Intentional Disciples Sherry A. Weddell,2015-11-30 How can we transmit a living personal Catholic faith to future generations By coming to know Jesus Christ and following him as his disciples These are times of immense challenge and immense opportunity for the Catholic Church Consider these statistics for the United States Only 30 percent of Americans who were raised Catholic are still practicing Fully 10 percent of all adults in America are ex Catholics The number of marriages celebrated in the Church decreased dramatically by nearly 60 percent between 1972 and 2010 Only 60 percent of Catholics believe in a personal God If the Church is to reverse these trends the evangelizers must first be evangelized in other words Catholics in the pew must make a conscious choice to know and follow Jesus before they can draw others to him This work of discipleship lies at the

heart of Forming Intentional Disciples a book designed to help Church leaders parish staff and all Catholics transform parish life from within Drawing upon her fifteen years of experience with the Catherine of Siena Institute Sherry Weddell leads readers through steps that will help Catholics enter more deeply into a relationship with God and the river of apostolic creativity charisms and vocation that flow from that relationship for the sake of the Church and the world Learn about the five thresholds of postmodern conversion how to open a conversation about faith and belief how to ask thought provoking questions and establish an atmosphere of trust when to tell the Great Story of Jesus how to help someone respond to God s call to intentional discipleship and much more And be prepared for conversion because when life at the parish level changes the life of the whole Church will change La invención de Jesús de Nazaret Fernando Bermejo Rubio,2018-11-26 En tiempos del emperador Tiberio un jud o que predicaba la llegada del reino de Dios fue crucificado en Jerusal n por orden del prefecto romano Poncio Pilato Este fue el inicio de un proceso que acabar a presentando a Jes s como un ser divino Que esta glorificaci n prosiga hasta hoy exige del pensamiento cr tico un exhaustivo ejercicio de examen y estudio Cabe distinguir la realidad del relato heredado Tienen algo en com n el Cristo de la tradici n y el Jes s que la investigaci n hist rica desvela C mo se explica la divinizaci n del personaje en la cuenca mediterr nea del siglo I Es posible hallar un sentido a la proliferaci n de obras sobre el Jes s hist rico Tras una extensa investigaci n que goza de difusi n e impacto internacionales Fernando Bermejo Rubio responde de modo iluminador a todas estas cuestiones En La invenci n de Jes s de Nazaret el historiador de las religiones hace inteligible tanto la figura de Jes s como la construcci n cultural que subyace al Cristo de la fe
