A Guidebook to Monsters Ryan J. Stark, 2024-02-23 Ryan J Stark surveys the classic monsters in great literature and film television the Bible and perhaps unexpectedly the world in which we live Monsterdom is real Stark observes but often hidden beneath the concealment spell of modern secular thought This guidebook aims to break that spell and if so to confirm once more a world that brims with high strangeness or what Christian philosophers have always called reality The book appeals to those who study the paranormal dimensions of religion and horror broadly imagined The clergy will also find it helpful as will players of monster riddled video games **The Golden Prince** Nikki Jefford, 2020-05-02 Never cross a Fae prince And for Sky's sake don't fall in love with one determined to ruin you Crispin Lark Elmray is a show off and a shameless flirt The highborn females don't understand the game he's playing but I do Everything changed after he became the golden boy protector of the crown and a powerful wielder of fire magic Get too close and he's likely to light a faerie on fire I made the mistake of mocking him as a child Lark hasn't forgotten I can see it in the wicked gleam of his eyes every time he looks my way But that's not the worst of it To admit the truth would burn me from the inside out before Lark ever conjured a single flame Lark Half elf Half Fae For most of my life the illustrious citizens of Dahlquist scorned me for being a halfling prince born into an unconventional family The gentry would sooner sneer than curtsy Until I showed them what I was capable of Now they fawn and clamor for my favor But I will never forget past cruelties I will make them regret every insult to me and my family At the top of my list is Crispin Maglen Earl of Ashcraw He'll always be at the top But there's no taking him down Not unless I fall with him It's all getting a bit out of control I have family squabbling over me females flinging themselves into my arms assassins and kidnappers trying to take me down And don't get me started on the monster in the forest The Golden Prince is an enemies to lovers slow burn M/M romance filled with humor adventure steam and magical creatures Don't miss the bloopers at the end of the book Complete standalone novella Can be read on its own Second generation Royal Conquest
