According To Luke The Third Gospels Ordered Historical Narrative Myrtlefield Expositions Volume :

According to Luke David Gooding, With a profound understanding of both the Scriptures and the classical world that influenced Luke this exposition leads us through the artistry of Luke's presentation. However familiar the terrain of this Gospel we will find that having an experienced guide makes a difference. By bringing out the significance of the narrative as a whole David Gooding's analysis will help us to arrive at a confident understanding of Luke's message and open up insightful lines of application at each step along the way. Right from the start of his Gospel Luke makes it clear that the story of Jesus is neither ancient myth nor contemporary fable. It is straightforward history. To emphasize this he provides us with historical coordinates. He informs us, for example, that when John began publicly to introduce Christ to His nation it was in the fifteenth year of Emperor Tiberius' reign while Pontius Pilate was governor of Judaea during the high priesthood of Annas and Caiaphas. This is then an historical account. But what does Luke's history of Jesus mean? And how can we be certain that we have understood the message that he has presented in his account of Christ's life? David Gooding asks us to begin by recalling that Luke is an ancient and not a modern historian. A modern historian might compile a list of the things that Jesus did and taught and then add his own explanations. But Luke has more in common with ancient historians such as Thucydides and writers of Old Testament books such as Judges and 1 and 2 Samuel. With minimal comment he has grouped the material about Christ in a way that leads thoughtful readers to discover for themselves the point and purpose of each incident. Luke is then both historian and artist. It has often been lamented that Christ's public ministry on earth was so short-lived and His death at the hands of His enemies a tragedy. But Luke will not have it so. Following Christ's own statements he divides his Gospel into two parts: the coming of Christ from Glory into our world and His going back to Glory. David Gooding shows that by arranging the events of each part into discreet stages and movements Luke is proclaiming that Christ was carrying out a definite mission. His going by way of His cross, resurrection and ascension was as deliberate as His coming. **Finding**

Ultimate Reality David W. Gooding, John C. Lennox, 2018-11-16 We need a coherent picture of our world. Life's realities won't let us ignore its fundamental questions but with so many opposing views how will we choose answers that are reliable? In this series of books David Gooding and John Lennox offer a fair analysis of religious and philosophical attempts to find the truth about the world and our place in it. By listening to the Bible alongside other leading voices they show that it is not only answering life's biggest questions it is asking better questions than we ever thought to ask. In Book 2 *Finding Ultimate Reality* they remind us that the authority behind ethics cannot be separated from the truth about ultimate reality. Is there a Creator who stands behind his moral law? Are we the product of amoral forces left to create moral consensus? Gooding and Lennox compare ultimate reality as understood in Indian Pantheistic Monism, Greek Philosophy and Mysticism, Naturalism and Atheism and Christian Theism. *Being Truly Human* David W.
