This comprehensive text is designed for a one-semester or one-year course for students preparing to take the Advanced Placement World History exam. **Mastering AP World History** Kate Nocca, Lauren Ortega, Chris Peek, 2018-10-24. Why should students have this book? First, this practice guide was written by three AP World History teachers with over 20 years of experience grading the AP World History Exam; they have seen it all and are sharing their expertise. Secondly, this guide can be used at any point in the school year. Writing prompts cover every era of history and are arranged in an easy-to-follow chronological order. The writing practice section contains six DBQs, twelve LEQs, and seventy-two SAQs. This guide also has THREE multiple-choice practice tests. The first multiple-choice test covers the first three time periods: Paleolithic era to 1500 C.E. and is designed to be taken halfway through the course to give students an idea of where they stand. The other two multiple-choice exams cover the entire course curriculum. All multiple-choice questions and writing prompts are tied to the key concepts of the course, and the answer key features comprehensive explanations and examples of student work. No other prep book offers this much practice material written to AP guidelines.
