The 21st Century Apostle Paul Thornton, 2009-02-20 This manual discusses the role of a modern day Apostle how to recognize an Apostle the function and duties of an Apostle distinctive features of apostolic ministry the Apostle the difference between apostolic teams and missions teams the five fold ministry working together For all those called to the office of the Apostle or to serve on an Apostolic Team this manual is a must *MELCHISEDEC'S ORDER* David Singleton, 2010-11-23 In this book the author speaks about meaning he has found in the scripture starting with Melchisedec the king priest that Abraham met on his way back from the war five kings against four and what this may mean to your ministry and everyday life Thousands have found that the Bible contains more than just what is printed on its pages You may find that this book contains more than what is printed on its pages Prepare yourself for a spiritual adventure that will leave you hungering and thirsting for more of the marvels of God This is not a testimony or a book of doctrines but a journey into the Word of God and unraveling its hidden mysteries This is not a quick how to book but a different living way of viewing the Bible and finding experiences within it Just as in life and relationships it is easy to miss the details of the Bible that lead the way to salvation Sometimes it s all in the details In this book the author takes you down the path of distribution of the blessing of eternal life

from the king's dale through Ornan's floor and Hermon's dew through Jesus' last supper and diversity of ministries thus A Dispensation of Grace Sit back and take a guided tour through its references in scripture Apostles Howard Durfee, 2019-05-21 This book represents an almost fifty year period of both study and practical training in Christian ministry For the author Dr Howard W Durfee it has been his life's work Howard's quest for Christian truth began shortly after he was saved by the ministry of Campus Crusade for Christ During his study at three of the leading seminaries of the world Harvard Divinity School The University of Edinburgh and Fuller Theological Seminary Howard was taught that the gifts and ministries of the New Testament had for the most part passed away after the New Testament era There seemed to be a general confusion about why they had passed away Regardless of all the theories the important thing to Howard was that he could find no one in theological schools able to operate in the apostolic or prophetic ministries as described in the New Testament The biggest shock to Howard was when he found less educated nonseminary trained ministers who claimed to be apostles and prophets The problem was that these less scholarly ministers appeared to have both the gifts and ministries operating with the power of the Holy Spirit In a search for truth Howard determined to prove beyond any shadow of a doubt that there could be no modern apostles or prophets The only problem was that Howard could not disprove the existence of modern apostles or prophets based on the New Testament or on church history What follows in this book is the result of a lifetime of study on the apostolic ministry After an introduction by Dr Chuck Flynn Howard defends the necessity of modern apostles He then defines and describes what a New Testament apostle is Next Howard describes apostles as leaders to the church Finally Howard describes the three major historical functions of the apostolic ministry to found churches to govern churches and to train the other New Testament ministries *Team Ministry* Dick Iverson, Ray Grant, 1984 Ministers Fellowship International founder Dick Iverson provides a step by step approach for establishing a team ministry within any local church Team Ministry includes information on how to discover and train new leaders within the church and 12 principles on maintaining the leadership team once it is in place *THE APOSTOLIC MINISTRY* GODSWORD GODSWILL ONU, APOSTLES, PROPHETS, EVANGELISTS, PASTORS, AND TEACHERS GODSWORD GODSWILL ONU, *Fivefold Apostle Church Building* John DeVries, 2018-02-08 Fivefold Church Fishing If fivefold ministry were compared to fishing their different strengths are used as a team The apostle would acquire the boat net and team to catch and process the fish The prophet would seek Holy Spirit direction to know time location and fishing depth The teacher would study to give knowledge of species and bait to maximize catching cleaning and preserving the fish The evangelist will go out regardless of time or weather He will tirelessly cast his net to maximize gathering all he can while encouraging believers to join him The pastor would receive the catch clean it and care for the processed fish All the elders would distribute this catch with wisdom and love while ministering to the entire assembly Well fed believers will then minister both inside and outside of the church
