Apostolic Church Planting Birthing New Churches From New Believers:

Apostolic Church Planting J. D. Payne, 2015-10-22 Church planting is not just about gathering new communities of people who are already Christians Planting churches flows naturally out of making disciples In this concise guide pastor J D Payne explains the process and stages of church planting with biblical foundations and practical steps for planting teams both domestically and internationally

Apostolic Church Planting J D Payne, 2015-12-03 Church planting is not just about gathering new communities of people who are already Christians Planting churches flows naturally out of making disciples In this concise guide pastor J D Payne explains the process and stages of church planting with biblical foundations and practical steps for planting teams both domestically and internati

A Survey of World Missions Robin Hadaway, 2020-05-01 Robin Hadaway presents a full survey of world missions addressing biblical theological and historical foundations as well as culture context philosophy and missions strategy

The Craft of Church Planting Christian Selvaratnam, 2022-06-30 Drawing on insights from the training practices of the English medieval craft guilds a global survey of 500 church planters interviews with artists and church planting trainers and the authors 30 years of ministry experience The Craft of Church Planting offers a distinctive and imaginative perspective on the methods used to train future practitioners in the art of church planting Demonstrating how training for the next generation of church planting leaders might be informed by the historic master apprentice model guild learning communities creativity and an artisan approach to ministry this book is a vital resource to inform the methods of training for the next generation of church planters

Apostolic Imagination J. D. Payne, 2022-02-08 A leading expert in the field of Christian missions encourages the church to recover the apostolic imagination that fueled the multiplication of disciples in the first century J D Payne examines the contemporary practice of Western missions and advocates a more central place for Scripture in defining missionary language identity purpose function and strategy He shows that an apostolic understanding of the church s disciple making commission requires rethinking every aspect of missionary engagement The book includes end of chapter discussion questions and action steps to help pastors and church leaders develop an apostolic imagination

Church Plantology Peyton Jones, 2021-04-20 The first comprehensive textbook on effective church planting from a veteran church planter The Apostle Paul was a veteran church planter who laid a foundation like a wise and master builder and there is much we can learn from his example Paul indicated that there were basic skills and experiences required to successfully plant a church Church Plantology examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament During his time in prison Paul spent much of his time writing to Titus Timothy and others who d served alongside him in the trenches to complete their training as church plantings We can continue to apply these time tested proven methods following the pioneering example of the early church Today the casualty rate in is high What if we could reduce the odds of failing Church Plantology by Peyton Jones is a robust guide to planting that will help planters to provide the

foundation necessary to survive beyond the initial first years so that they don't end up a walking statistic

Tentmaking Kurt T. Kruger, 2020-09-29 Would it surprise you to know that New Testament scholars missiologists and church planting authorities cannot agree on how to define tentmaking whether or not the church should be practicing it today or even why Paul did it in the first place It's true In Tentmaking the widespread confusion and overall disagreement within the church regarding Paul's self support are exposed Commonly held assumptions are removed from their entrenched positions and myths are debunked In their place Tentmaking offers an unadorned yet powerfully convincing presentation of Paul's own self disclosed reasons for intentionally selecting to support himself in some ministry contexts but not others This well researched book provides answers to crucial questions that currently surround tentmaking as well as a practical guide intended to lead to the recovery of biblical tentmaking within the church Readers who pick up this book should be prepared to embark on an engrossing journey that will reward them with clarity on the often misunderstood topic of Paul's tentmaking

Deep Roots Michael A. Milton, 2025-01-28 Church planting is a rigorous and rewarding endeavor that requires more than preaching ability it demands the creation of a deeply rooted gospel centered community In Deep Roots Toward a Biblical Theological Framework for Church Planting Michael A Milton offers a compelling guide to the theological pastoral and practical dimensions of church planting As part of the respected D James Kennedy Institute series this work serves as both a roadmap and a theological syllabus for leaders seeking to plant and sustain vibrant congregations Milton emphasizes that church planting is fundamentally a shepherd's work nurturing guiding and cultivating a community of faith with spiritual integrity at its core Success in this calling requires more than eloquent sermons it necessitates creating an environment where the gospel thrives and disciples are made

Beyond the Local Church Sam Metcalf, 2015-09-25 God is raising up vibrant missional movements of Christians in a vast array of vocations disciple making ministries missions social activism and much more Mission leader Sam Metcalf gives biblical and missiological foundations for these parachurch movements as strategic ways to live for the kingdom in venues beyond the local church

Foundations for Fruitful Church Planting Ken L. Davis, 2023-07-28 Church planting is one of the most challenging yet rewarding adventures you can embark on Often zealous planters and their teams launch their new church prematurely without taking time to lay a firm foundation for long term fruitful ministry Failure to do so often results in a weakened new church or even the new church closing after a few years Rather than focusing on methodology the how to's of church planting this book gives attention to six foundational concerns wise planters will need to nail down before they ever plant Biblical foundations Theological foundations Ecclesiological foundations Missiological foundations Spiritual foundations Practical foundations Although helpful for a wide range of planting leaders this book is particularly written for four specific groups those who feel called to plant and are making preparations their planting teammates and launch leaders those exploring church planting those who coach and train church planters Foundations for Fruitful Church Planting serves as a comprehensive resource that will guide you to think

strategically plan carefully and prepare thoroughly to birth a healthy growing and reproducing congregation Each chapter includes recommended resources discussion questions and follow through exercises
