

The background of the book cover is a collage of scientific and technological images. At the top, there's a faint image of a DNA double helix. Below it, a petri dish is shown with a red pipette tip dispensing a drop of liquid into it. The petri dish contains a blue agar medium with numerous small, dark, rod-shaped bacterial colonies. To the right of the petri dish, there's a close-up of a green, textured surface, possibly a leaf or a microorganism. In the bottom right corner, there's a faint image of a computer keyboard. The title text is overlaid on a black background at the top.
