Neuromuscular Disease Michael Benatar,2007-11-06 A Certain Kind of Wisdom In Plato s Apology the Greek philosopher Socrates is on trial to defend himself against the allegation of corrupting the youth of Athens Socrates denies this charge and offers an alternate reason for why he is on trial He explains w hat has caused my reputation is none other than a certain kind of wisdom What kind of wisdom Human wisdom perhaps 1 He proceeds to tell the story of his friend Chaerophon who once asked the Oracle at Delphi whether there was anyone wiser than Socrates The Oracle answered that there was not Socrates did not agree and thought that he would try to prove the Oracle wrong And so he set about seeking out Athenians with a reputation for wisdom in various regards in order to test their claims to knowledge through questioning He discovered many with false claims to knowledge and none with genuine wisdom and ultimately concluded that he was the wisest He reached this conclusion not because of any special knowledge he possessed that others did not but rather because he recognized his own lack of knowledge and strived to learn more while others thought that they were kno edgeable but

were not Socrates conclusion that there is wisdom in recognizing the limitations of accepted knowledge represents the motivation for this book *Motor Disorders* David S. Younger, 2021-12-22 The fourth edition of *Motor Disorders* reinforces the reputation gained by earlier editions The book gives a detailed and practical account of motor disorders that will appeal to specialists as well as to general physicians and trainees while providing a convenient but thorough summary of advances in the field The book brings together the entire spectrum of motor disorders and thereby aids in the evaluation diagnosis and distinction of these various disorders Through the perspectives of many subspecialties this book provides accounts of all disorders with motor manifestations providing a truly comprehensive but concise account of the subject matter
