Of many history and approach arguments, it is true that approach Art history becomes complicated. There are few perspective to view and position how to read art history. To understand chronology of that and method, Eric Fernie, one of historians from Scotland gave good and interesting elucidation to tackle it. "Art History and Methods a Critical Anthology" summarized commentary was written in 1995. This book contained a variety of notion and oncoming from Giorgio "the lives of the artists" (1568) to Olu Oguibe "in the heart of darkness" (1993). A very good introduction of this book is properly due to before entering into the subject matter discussed by each character, Fernie first gives a preliminary consideration to make it easier for the reader to understand the core idea of each approach. For the purposes of this paper, as well as introductions and how to see different ways of looking at each other, only a few approaches, I count and select.

For first of all, we can see how the idea of Vasari's description of the book is. Giorgio Vasari (1511-1574) is an artist and art historian who wrote both the history and development of art in his time. Two of his best works were born through interaction with a family of art lovers, the Medici, in Florence and Rome. Such works can be found in the Uffizi Palace (till now a gallery) and the frescoes in the Palazzo Vecchio. In addition to continue working in the field, also become biographer Vasari renowned artists, and write a history of the Italian Renaissance. The first work was published in 1550, is a dedication to Cosimo de' Medici. Then, in 1568, revised and expanded again in the lives of other artists, including himself.

The Vasari's composed book consists of three parts, first: The dawn of ancient art history and the early Renaissance artists - Cimabue and Giotto. Secondly, in the 16th century, Savari explained the art character, such as, Masaccio, Piero Della Francesca and Mantegna. Third, the life context of art maestros in the Renaissance era, such as, Leonardo, Raphael and Michelangelo. Of the three phases that was mentioned by Vasari and then distinguished from some main points of intended stage. For the first, he appointed Tuscany as an introduction discussing the early artistic journey of ancient Greek-Romans. Second, he consolidated a artist's position from artist to a society. Then, the last, he put the work of artists in a context that he saw as a great art at that time. Here, Vasari pointed out the important purpose of his observations of the Artist and
