Loosing the Key of David Stephen Fredericks, 2009-01-29 When I grow up I'll NEVER We've all reacted this way to something when we were growing up standing before our parents with fists balled and stamping our feet But what are the effects of such a statement What are the consequences Can such a statement effect us in adulthood The answer to these questions can be found within these pages Loosing the Key of David is a practical guide for those seeking healing themselves or seeking to set others free

God, Why Didn't He Cover Me? Karen D. Reid, 2008-11-20 GOD WHY DIDNT HE COVER ME DISCLAIMER This is not the typical tell all story it is an uncompromising expose Emotionally and sexually abused by religious leaders God has anointed me in the area of my affliction to purely expose the devices of Satan and challenge the Body of Christ to raise the standard of holiness purity and integrity As I am willing to become transparent in this three part series From Mistress to Ministry my testimony capitalizes on scriptural references and information in conjunction with past experiences to present a biblical reformation that will

promote genuine holiness in a wayward church The principle of spiritual warfare is that we must be called to order before we can advance to the next level of victory My objective is three fold to nurture damaged spirits to foster a healing process for victims of abuse and to present the deliverance that repentance brings to those who are trapped in sexual sins Pastors can God count on you to avoid the damaging effects of committing spiritual incest Husbands can your wives trust you to shun the immoral acts of adultery fornication Fathers can your daughters lean on you to steer clear of raping them of their innocence Teachers can our children expect you to be mentors and not molesters Executives can your subordinates rely on you to refrain from sexual harassment violations Political officials can your citizens depend on you to protect us against economic hardship President of the United States can God trust you to call this nation back to Him and snatch us out of the hand of the enemy More than mere members of an organization or a population we are your sons and daughters Powerful ambassadors of God will you cover us in our imperfections and not continue to exploit our vulnerabilities For the time is come that judgment deliverance through investigation or examination must begin at the house of God When the Kingdom of God does not influence the nation through truth and righteousness the leadership of the nation is not equipped to positively affect its citizens However the nation cannot be healed until the church has been cleansed Thus we can not afford to remain complacent to the issues of clergy misconduct and the abuse and misuse of spiritual power Secret issues can only be eradicated by exposing old wounds otherwise hidden infection will inevitably spread throughout the Body In presenting this 21st century exposition of the consequences of making ungodly decisions I minister based on where I am after I have judged myself based on where I was Therefore seeing we have this ministry as we have received mercy we faint not but have renounced the hidden things of dishonesty not walking in craftiness nor handling the Word of God deceitfully but by manifestation of the truth commending ourselves to every mans conscious in the sight of God II Cor 4 1 2 **Speak Your Healing from the Homosexual Deception** Bonnie M. Egglehand, 2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains Our true identity is found in Jesus Christ alone **A Pastor's Wife Survived the Mistress** Destiny Boaz, 2016-07-05 According to the author for the past 20 years in the church world and in the business world many great marriages and families have fallen apart Leaders have failed to give their followers and supporters closure about what really happened in their marriages Especially in the church world many are left hanging and hurting because they have lost trust Destiny Boaz a pastor s wife is the first to bring out a true open honest and transparent story to let her readers know why and how her own marriage fell apart She believes that healing must take place in the lives of God s people Closure is very

important for one to move forward This book will appeal to readers men as well as women because the home is in trouble and marriages are in trouble Sometimes they feel something is wrong but they are unable to put their finger on it This book will help them identify why the intimacy in their marriage is over why the communication in the relationship is dying why the intimacy goes cold and the passion dies Contact Information Email destinyboaz yahoo com www destinyboaz com

Cleaning Out the Family's Closet Delton Adams,2013-03 Secrets they exists for all of us It takes courage to face the raw truth a truth characterized by molestation incest physical abuse domestic violence denial fear shame and pain It takes God to help clean out a closet of that magnitude the family s closet Journey with author Delton Adams Sr as he recounts a horrific life story exposing his very dark and evil childhood from hell Death had viciously sprinted after me since age three when my female babysitter would oftentimes suffocate me with her extreme acts of sexual abuse At age seven my next babysitter made me think that I might bleed to death after repeatedly raping me in spite of him being my uncle And at the begging mercy of my father s Hitler like dictatorship parenting I was sure to die whenever he violently beat me upside down with that drop cord as if I were a disobedient slave child The sight of my own blood became commonplace between the trauma of my extreme physical abuse and rape sessions My mother was helpless because extreme domestic violence was a part of her daily survival Eventually in my adulthood I qualified for a desperately needed divine intervention plan to break a fifth generation curse which I chronicled back to the 1800s Loving women and being attracted to men simultaneously had destroyed my marriage and several times almost cost me my life due to self destructive behaviors My inner struggle for divine purpose became a daily mental battle but God has assured me already that I m an overcomer This book tackles very complex and diverse social issues with real talk It is a personal testament of a man able to move beyond betrayal and mistrust that strongly influenced his perceptions and personal behavior for much of his life This book will help you to face your shame fears and pain courageously avoid the paths of self destruction and bring healing and deliverance to your broken heart and soul to move forward If it s time for a breakthrough in your life this is the book you must read The spirit of the Lord is upon me because he hath anointed me to preach the gospel to the poor he hath sent me to heal the brokenhearted to preach deliverance to the captives and recovering of the sight to the blind to set at liberty them that are bruised Luke 4 18
