Acts Ancient Christian Commentary On Scripture:

Ancient Christian Commentary on Scripture: Acts, 1998 **Acts** Francis Martin, Thomas C. Oden, 2014-02-19 The Acts of the Apostles or the Acts of the Ascended Lord is part two of Luke's story of all that Jesus began to do and teach. In this ACCS volume substantial selections from John Chrysostom and Bede the Venerable appear with occasional excerpts from Arator alongside many excerpts from the fragments preserved in J. A. Cramer's Catena in Acta SS Apostolorum **Acts** Francis Martin, Thomas C. Oden, 2006-10-13 The Acts of the Apostles or the Acts of the Ascended Lord is part two of Luke's story of all that Jesus began to do and teach. In this ACCS volume substantial selections from John Chrysostom and Bede the Venerable appear with occasional excerpts from Arator alongside many excerpts from the fragments preserved in J. A. Cramer's Catena in Acta SS Apostolorum **The Oxford Dictionary of the Christian Church** Andrew Louth, 2022-02-17 Uniquely authoritative and wide ranging in its scope The Oxford Dictionary of the Christian Church is the indispensable reference work on all aspects of the Christian Church. It contains over 6,500 cross-referenced A-Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject from theology, churches and denominations, patristic scholarship and the Bible to the church calendar and its organization, popes, archbishops, other church leaders, saints and mystics. In this new edition great efforts have been made to increase and strengthen coverage of non-Anglican denominations, for example non-Western European Christianity as well as broadening the focus on Christianity and the history of churches in areas beyond Western Europe. In particular there have been extensive additions with regards to the Christian Church in Asia, Africa, Latin America, North America and Australasia. Significant updates have also been included on topics such as liturgy, Canon Law, recent international developments, non-Anglican missionary activity and the increasingly important area of moral and pastoral theology among many others. Since its first appearance in 1957 the ODC has established itself as an essential resource for ordinands, clergy and members of religious orders and an invaluable tool for academics, teachers and students of church history and theology as well as for the general reader **1-2 Corinthians** Gerald L. Bray, Thomas C. Oden, 2006-10-05 In Paul's letters to the Corinthian church the pastoral issues of a first-century Christian community stand out in bold relief. This ACCS volume highlights the wisdom of Paul's epistles to the Corinthian church as interpreted by early church fathers such as Chrysostom, Didymus, the Blind Theodore of Mopsuestia, Origen and Ambrosiaster **The Slave Metaphor and Gendered Enslavement in Early Christian Discourse** Marianne Bjelland Kartzow, 2018-04-17 The Slave Metaphor and Gendered Enslavement in Early Christian Discourse adds new knowledge to the ongoing discussion of slavery in early Christian discourse. Kartzow argues that the complex tension between metaphor and social reality in early Christian discourse is undertheorized. A metaphor can be so much more than an innocent thought figure; it involves bodies, relationships, life stories and memory in complex ways. The slavery metaphor is troubling since it makes theology of a social institution that is profoundly troubling. This study rethinks the potential meaning of the slavery metaphor in early Christian discourse by use of

a variety of texts read with a whole set of theoretical tools taken from metaphor theory and intersectional gender studies in particular It also takes seriously the contemporary context of modern slavery where slavery has re appeared as a term to name trafficking gendered violence and inhuman power systems **Destabilizing the Margins** Marianne Bjelland Kartzow,2012-09-21 In this book Marianne Bjelland Kartzow suggests that ideas taken from recent discussions of multiple identities and intersectionality combined with insights from memory theory can renew our engagement with biblical texts Some marginal early Christian passages and what the scholarly community has reconstructed of their historical contexts are encountered looking for alternative ways these texts can produce meaning A fresh look at some marginal biblical figures such as male and female slaves who are beaten by a fellow slave the queer figure of the Ethiopian eunuch foreign Egyptian women rebellious widows or a possessed fortune telling slave girl can help biblical users to talk in more critical and creative ways about responsibility identity injustice violence inclusion exclusion and the intersections of gender sexuality race and class These perspectives may be relevant for those who see the New Testament as Christian canon or as cultural canon or as both **Encountering the New Testament (Encountering Biblical Studies)** Walter A. Elwell,Robert W. Yarbrough,2022-11-15 Studying the New Testament can be an exciting and intimidating experience This readable survey is designed to make the adventure less daunting and more rewarding Two experienced classroom teachers offer a new edition of their bestselling and award winning textbook over 250 000 copies sold This fourth edition takes into account the dramatic shift in the global Christian population Other distinguishing features include abundant images maps and charts all in full color sidebars that address ethical and theological concerns and provide primary source material focus boxes isolating key issues chapter outlines learning objectives and summaries and study questions An accompanying website through Baker Academic s Textbook eSources offers an array of resources for students and professors Resources for students include flash cards and self quizzes Resources for professors include discussion questions and a test bank [The Collected Papers of J.
