Autobiography and Reminiscences of Sarah J. Cummins ... Sarah J. Cummins,1914 The story of the life and labors of one who braved the hardships and endured the suffering incident to the life of one who assists in making a home in a new and practically unexplored region such as the Willamette valley was in the year of eighteen hundred and forty five

Autobiography and Reminiscences of Sarah J. Cummins Sarah J. Cummins,1968 **Autobiography and Reminiscences of Sarah J. Cummins** Sarah J. Cummins,2015-06-02 Excerpt from Autobiography and Reminiscences of Sarah J Cummins Being disappointed today in not going out with others to celebrate on this the one hundred and thirty third anniversary of that great and notable day of victory won which brought freedom to our fathers their wives and their children forever I wish you to pause with me for just one moment and reflect on their great struggle yes think with deep and reverential awe on the trying scenes through which they passed while pursuing and achieving their precious boon of liberty Then life your voices and shout the shout of victory and freedom may we fail not to honor those brave soldiers notable patriots and wise statesmen who made such blessings possible for us and may we not fail in our duty of teaching our children to appreciate their present happy lot of living in a free land I am now nearing the close of my earthly existence and as the shades of life s evening appear on the distant horizon I glance over my past life and review the blessings and experiences and potent blessings which have ever encompassed my pathway fully realizing that through it all there ever abides this one great source of thankfulness that I have in each instance and under all circumstances so lived as to honor those noble founders of our great institution and by so teaching my sons and daughters to live that they honor not only my name and their own lives but also their sacred lives as law abiding citizens and whatever may be their views of the questions of the day or in whatever capacity they may be called upon to act may they never neglect their privilege of honoring the noble founders of our nation our noble republic May we all sing with a realizing sense of its beauty and grandeur of the theme the words and sentiment contained in our national anthem Sweet Land of Liberty It has always been a source of great pleasure to me to hear the children of our land sing of the land where our fathers died land of the pilgrim s pride About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Jelinek,2004-03-19 **Writings on American History** ,1916 A Catalogue of the Everett D. Graff Collection of Western Americana Newberry Library,1968-11 The Everett D Graff Collection of Western Americana consists of some 10 000 books manuscripts maps pamphlets broadsides broadsheets and photographs of which about half are described in the present catalogue The Graff Collection displays the remarkable breadth of interest knowledge and taste of a great bibliophile and student of Western American history From this rich collection now in The Newberry Library Chicago its former Curator Colton Storm has compiled a discriminating and representative Catalogue of the rarer and more unusual materials Collectors bibliographers librarians historians and book dealers specializing in Americana will find the Graff Catalogue an interesting and essential tool Detailed collations and binding descriptions are cited and many of the more important works have been annotated by Mr Graff and Mr Storm An extensive index of persons and subjects makes the book useful to the scholar as well as to the collector and dealer The book is not a bibliography but rather a guide to rare or unique source materials now enriching The Newberry Library s outstanding holdings in American history Indians and Emigrants Michael L. Tate,2014-08-04 In the first book to focus on relations between Indians and emigrants on the overland trails Michael L Tate shows that such encounters were far more often characterized by cooperation than by conflict Having combed hundreds of unpublished sources and Indian oral traditions Tate finds Indians and Anglo Americans continuously trading goods and news with each other and Indians providing various forms of assistance to overlanders Tate admits that both sides normally followed their own best interests and ethical standards which sometimes created distrust But many acts of kindness by emigrants and by Indians can be attributed to simple human compassion Not until the mid 1850s did Plains tribes begin to see their independence and cultural traditions threatened by the flood of white travelers As buffalo herds dwindled and more Indians died from diseases brought by emigrants violent clashes between wagon trains and Indians became more frequent and the first Anglo Indian wars erupted on the plains Yet even in the 1860s Tate finds friendly encounters were still the rule Despite thousands of mutually beneficial exchanges between whites and Indians between 1840 and 1870 the image of Plains Indians as the overland pioneers worst enemies prevailed in American popular culture In explaining the persistence of that stereotype Tate seeks to dispel one of the West s oldest cultural misunderstandings **The Land Before Her** Annette Kolodny,2014-07-01

To discover how women constructed their own mythology of the West Kolodny examines the evidence of three generations of women's writing about the frontier She finds that although the American frontiersman imagined the wilderness as virgin land an unspoiled Eve to be taken the pioneer woman at his side dreamed more modestly of a garden to be cultivated Both intellectual and cultural history this volume continues Kolodny's study of frontier mythology begun in *The Lay of the Land*
