Big African States Angola Drc Ethiopia Nigeria South Africa Sudan:

Big African States Christopher S. Clapham, Jeffrey Ira Herbst, Greg Mills, 2006 7 large countries are studied here Angola Sudan Congo Ethiopia Nigeria and South Africa The reason for doing so is as a response to another idea That much of Africa s troubles are exacerbated by the many small countries within Africa So as the idea goes a small nation is more susceptible to failed policies While a large country especially those considered by the text has more chances and resources to get things right

The Failure and Feasibility of Capitalism in Africa Kenneth Omeje, 2021-07-23 This book argues that capitalism has practically failed to deliver the long desired economic transformation and inclusive development in postcolonial Africa The principal factor that accounts for this failure is the prolific non productive forms of capitalism that tend to be dominant in the African continent and their governance dimensions The research explores how and why capitalism has failed in the African context and the feasibility of turning it around The book meets the demands of diverse audiences in the fields of International Political Economy Development Economics Political Science and African Studies The author adopts an unconventional narrativist approach that makes the book amenable to general readership [Africa: Crude Continent](#)

Congo

Masquerade Theodore Trefon, 2011-09-08 Congo Masquerade is about mismanagement hypocrisy and powerlessness in what has proved to be one of Africa s most troublesome and volatile states In this scathing study of catastrophic aid

inefficiency Trefon argues that whilst others have examined war and plunder in the Great Lakes region none have yet evaluated the imported template format reform package pieced together to introduce democracy and improve the well being of ordinary Congolese It has the book demonstrates been for years an almost unmitigated failure due to the ingrained political culture of corruption amongst the Congolese elite abetted by the complicity and incompetence of international partners Startling and provocative Congo Masquerade offers a critical examination of why aid is not helping the Congo

Territoriality of Radical Islamist Groups Bohumil Doboš, Martin Riegl, Jakub Landovský, 2021-05-03 This book examines the issue of territorial control by violent jihadist groups using a comparative perspective The book argues that in many parts of the world the connection between a state and the control over territory is not as close as presented by conventional political maps and therefore it is necessary to analyse the territoriality of non state actors as well Based on a variety of case studies the work looks at different levels of connection between the violent Islamist groups and territory dividing them into non territorial semi territorial and territorial groups While the majority of the cases are located in the Middle East Islamic State Al Qaeda Al Qaeda at the Arabian Peninsula Ha yat Tahrir al Sham Hamas and Hezbollah the book also draws cases from Africa groups in the western Sahel Al Shabaab and Boko Haram South Asia Taliban and East Asia Abu Sayyaf By providing in depth understanding of their respective approaches to territory the book identifies the specifics of each group s territoriality while also drawing more general conclusions This book will be of much interest to students of terrorism and political violence radical Islam Middle Eastern studies and International Relations in general **Africa and the War on**

Terrorism John Davis, 2016-03-23 Abject poverty and official corruption make parts of Africa a very attractive destination for terrorist organizations Opportunities have developed during the pre and post 9 11 periods in Africa for the recruitment of terrorists attainment of bases of operations and sources of funding for Al Qaeda or its affiliated terror groups This comprehensive volume provides an extensive examination of major terrorist events in Africa It highlights internal and external indices to illustrate why Africa is so ripe for terrorism ostensibly in terms of recruitment as well as attainment and sources of funding due to the continent s continuing poverty and corruption The volume will prove indispensable reading for anyone researching security issues political sociology and African studies **Defence Diplomacy and National Security**

Strategy Ian Liebenberg, Dirk Kruijt, Shrikant Paranjpe, 2020-04-20 The post cold war era presented security challenges that at one level are a continuation of the cold war era at another level these phenomena manifested in new forms Whether the issues of economics and trade transfer of technologies challenges of intervention or humanitarian crisis the countries of the South previously pejoratively labelled Third World or developing countries have continued to address these challenges within the framework of their capabilities and concerns The volume explores defence diplomacies national security challenges and strategies dynamics of diplomatic manoeuvres and strategic resource management of Latin American southern African and Asian countries Africa's Future Duncan Clarke, 2012-02-09 Many seek to fix Africa economists experts politicians gurus

cognoscenti and glitterati But the continent conceals multiple secrets including the Holy Grail explanations of its saga over the previous centuries Africa's Future tells the tale of Africa's economic evolution revealing unique prisms for understanding the continent's panoramic story one of triumph over the lasting influences of nature and multiple political tragedies Modern Africa developed diverse economic pathways to betterment yet survivalist economies litter the landscape Its paradox of subsistence with many faces coexists amidst the tiny middle class growing rich and many more poor expected in the future Clarke provides fresh and challenging insights into Africa's economies and future offering seasoned views on a continent of unlocked potential which has witnessed many false dawns Not poor but poorly managed Africa holds greater promise its destiny revealed by its history
