enthralled the Americans during the Second World War The Americans however favored it as a barbecue grill They were so enamored by it that when it was time for them to return home they brought along the Kamado with them The problem that they however faced was the brittle nature of the clay cookers During the later stages after a lot of research ceramic was used to construct them so as to make them efficiently heat resistant Experiments have been made to alter the fuel as well Efforts were made to fuel them with gas or electricity or even pellets but they have been seen to be interfering with the flavor So finally charcoal briquettes and lump wood charcoal have been given the verdict of efficient fuel for the Big Green Egg as they do not interfere with the flavor of the food and in fact may sometimes enhance it The Big Green Egg can resist and hold high temperatures and can be a perfect grill and also function as a great smoker that works great under lower temperatures Thus with great efforts the taste of conventional cooking has been well preserved Now one can even get additional Big Green Egg accessories and can make bread and pizza as well This Big Green Egg cookbook is the result of a penchant for wholesome nutritious meals that can be easily prepared at home using your Big Green Egg like a pro The recipes included in this Big Green Egg cookbook involve using the Big Green Egg which can be used for smoking grilling roasting baking steaming and for stir fry One can have the experience of going back to the conventional methods of cooking like smoking the food though with the least efforts So one can smoke with Big Green Egg like a pro The recipes included in this Big Green Egg cookbook are simple and can be made in a minimum cooking time This Big Green Egg cookbook has all varieties of recipes that include poultry pork beef lamb and seafood The recipes in this Big Green Egg cookbook are suitable for a busy day as well as for a fun filled family time These Big Green Egg recipes can be made as an independent recipe or can be combined to make a course meal Overall the recipes in this Big Green Egg Cookbook are designed to promote healthy cooking Mastering the Big Green Egg® by Big Green Craig Craig Tabor, 2020-05-12 Make Smoking Your Second Language Craig Tabor lives breathes cooks and swears by the Big Green Egg This certified Egg head knows the Big Green Egg like the back of his hand not only from winning multiple grilling competitions around the country and running one of the most popular Big Green Egg blogs craigtabor.com but from adopting the mentality that there is nothing he won't grill In this stellar comprehensive guide Craig lays out everything you need to know to conquer and perfect cooking with your Big Green Egg and teaches you firsthand how to become a pro like him Craig shows you how to set up your Big Green Egg for success from assembly to maintenance to lighting the coals just right for each recipe ensuring the perfect temperature for the perfect cook Once your fire is blazing the real hard part begins picking which recipe to try first Go for comforting classics like Meat Candy aka Pork Ribs or Nashville Hot Grilled Chicken Sandwich Try out meals with a twist like Sriracha Peach Glazed Pork Chops or Jack Daniel's Tennessee Honey Glazed Cedar Planked Salmon Or grill a variety of delectable dishes you never imagined you could like Seafood Paella Chicago Style Deep Dish Pizza or Maple Bacon Oatmeal Cookies And for those intimidating cuts of meat like brisket and pork shoulder Not to worry Craig walks you through how to trim wrap prep and cook them with helpful step
