And You Shall Know The Truth About Tithing:

You Shall Know the Truth Dawn W. Durand,2006-06 This insightful book gives facts of how God expects Christians to live There are scores of Christians who are walking in many deceptions and still living as captives Social Issues *The Mystery of Tithing* Lucy Ekanem,2009-02 *What Tithing Is Not, What Nation Is He Speaking To* William Thomas Gregory,2003-07

God's Ownership Meets Money Management Johnny McWilliams,2022-09-20 God has given you the perfect portion the perfect purpose and the perfect prescription God owns everything and knows everything You can be certain that you have what you need to do what he wills for you to do and how he wants it done As a good manager of God s Wealth you need God s Wisdom and that is more than good enough He has given you your portion the exact amount of talent money and time you need at this moment He had given you a purpose in life You are to use your portion for this purpose God gives you the prescription His plan is perfect for you and never fails The scriptures teach us to be in a relationship with God Your Heavenly Father wants you to live a prosperous life and the Bible teaches you the proper way to handle that wealth This book will explore the creation the law and the redemption If you ve ever wondered what the tithe is all about this is the book for you Also you will see how to manage money by the Ten Commandments These are not only Christian financial concepts and principles these are financial truths It s time for you to RECOVER GROW and ZERO IN on the INTERSECTION Where God s Wealth Meets God s Wisdom The INTERSECTION series includes the titles below Biblical Faith Meets Financial Strategy 2nd ed How to Lay a Solid Foundation for Prosperity God s Ownership Meets Money Management How to Be a Good and Faithful Steward Divine Provision Meets Generosity Planning How to Live Life to the Fullest While Richly Giving and the following companion for a deeper study Setting Your Sights on the Intersection 90 Day Devotional Journal About the book series INTERSECTION Where God s Wealth Meets God s Wisdom Imagine yourself at the shooting range aiming at a target To ensure your aim is accurate you look for a calibrated point of reference There are two engraved lines to give you a single place to focus on when aiming at a target The two lines cross at this spot and create what is known as crosshairs Crosshairs are composed of two wires or lines one parallel and the other perpendicular to the horizon The area that you are focused on is where the two lines intersect The objective is to align the crosshairs with the bullseye Aiming to hit the bullseye requires precision and using the simple principle of intersecting lines you can easily pinpoint that target When peering through the scope of your financial future the strategy is the same The two dimensions are God s Wealth vertical and God s Wisdom horizontal Once you have these two crosshairs in focus and zeroed in you can aim right at the center of your target and hit it consistently If you want to pinpoint your financial destiny you need to zero in on your target not someone else s mark The simple tool needed for pinpoint accuracy is the crosshairs and one of the most critical steps is knowing where you are aiming The blessings come where the two lines meet Get ready to manage money according to the Word of God and live a prosperous life *The Great Tithing Debate* A. Bruce Wells,2007-03-16 Finally there s a book that uses sound rightly divided

doctrine and wisdom to answer all your tithing questions No longer will you have to rely on opinions cliché s wishful thinking passed down deceptions legalism or plain ole foolishness just to know what is required of you and where you stand with God The Bible is very clear for those who want to know All of your questions are thoroughly answered in THE GREAT TITHING DEBATE The huge list of tithing questions compiled over years of waiting for tithing to finally work hinges on an exhaustive knowledge or lack thereof concerning exactly what Jesus fully accomplished at the cross When the reality of redemption is properly understood most questions disappear and the once shaky believer finds that not only is he now standing on solid rock but has actually become part of that rock When redemption is fully understood one realizes that the act of tithing to open heaven or provide anything that Jesus freely gave at the cross is actually an insult to the suffering He endured at the cross Yes tithing worked in the Old Covenant as a part of the total Law but has absolutely no place in the New Covenant that provides everything Romans 8 32 through the blood of Christ Peter counted such teaching as tempting the Holy Spirit in Acts 15 Paul obviously had the same opinion in most of his writings for those who will read them without wearing their tithing glasses We may call it an act of faith obedience doing the Word good stewardship or what ever we want but at the end of the day it is nothing more than an obsolete Old Testament ordinance that will only frustrate the grace of God as Paul taught in Galatians As circumcision became nothing under the NT likewise tithing is no longer obligatory Wouldn't it be wonderful to actually have your prayers easily answered because of Jesus finished work and the Name He gave us to use Would you like to know that God is going to say yes to His promises without you having to wonder if all your church ducks are in a row And finally wouldn't it be nice to have a royal ring put on your finger a kingly robe put on your back and a big hug of approval without having to sleep in the bunk house as a servant until it's decided that you can be trusted So this is a book about salvation something that the church seems to know little about Beyond forgiveness of sins today's church seems to be unaware and uninterested in understanding redemption This vacuum has left us open to a myriad of opinions questionable doctrines and even deception This book endeavors to fill some of that vacuum You should get a copy and explore the possibilities of the complete redemption that God intended for us to enjoy Examine the free preview below and taste and see that the Lord is good even much better than we've been taught Hopefully pride a rampant byproduct of legalism and performance won't keep you from hearing Maybe you're still teachable and open to God's leading even if you're already pretty sure you have a good understanding of the duties required of a genuine Christian DO YOU KNOW THAT Malachi was

Kleptomaniac: Who's Really Robbing God Anyway? Frank Chase Jr, 2016-06-14 KLEPTOMANIAC Who's Really Robbing God Anyway is a trek through the pages of the Bible to find the untwisted truth about the centuries old teachings on tithes and offerings Every page of this book has information that will make you become an analyst in getting to the bottom line of what tithing is in the Old and New Testament It takes you on a journey to first define the word tithe and then breaks down the differences between giving and tithing as the Bible instructs The author attempts to expose what most people believe as

fact to bring them to what the Bible actually teaches when it comes to true giving Are the arguments put forth today about tithing fact or fiction This book tackles tough questions like did God ever require a tithe of money Was the contents of the tithe always money in the Bible Who is really robbing God today Did God change the tithe at some point in biblical history Are first fruits money Is the tithe food money or both Is the church the storehouse Did Jesus Paul and the Disciples tithe Did the early church honor a money tithe system Are Christians really cursed for not tithing ten percent of their income These questions will be answered based on scholarship the land the language and the literature of the original Biblical people Not only will questions be answered for those confused about whether or not they are required to pay ten percent of their income to any religious institution they will learn what the Bible really teaches about money and stewardship The author meticulously examines the word tithe in both the Hebrew and Greek language To understand every Bible verse that contains the word tithe the author gives context and definitive definitions for clarity of the text This book also explains the concept of giving from a New Testament perspective without the mandate of ten percent and explains why the Apostle Paul never mentioned tithing to any of the New Testament congregations From Genesis to Revelation this book is about how to properly interpret biblical terms to arrive at the proper interpretation of a biblical text that refers to money or tithing Because there are pros and cons about tithing the author examines both tithing and non tithing theological camps and presents analysis and conclusions so that the reader can make an informed choice as to how they will give in the future Since money is vital in every part of society and the church this book spends a considerable amount of time detailing how money was used in the Bible to help readers know the difference between tithes and money The tithing phenomenon has been around for centuries and this book is an expose into the how the current doctrine came into existence and who the culprits were who played a major role in what churches teach today Whether you agree or disagree with tithing as a viable doctrine KLEPTOMANIAC is a back to the past look at Israel s history and how they practiced tithing in a theocracy This book also questions how tithing practices of today affect people financially and how those practices are unlike tithing practices of yesterday Not only does this book challenge the accepted definitions of the tithe it also questions the sustainability of the current practices especially when economic times get tough for people who may not be able to give much From the very beginning to the end of the book everything is supported by Scripture and research You will know from the onset why the author Dr Frank Chase Jr wrote the book and learn about his personal story of what happened as a result of embracing New Covenant giving principles from the New Testament Not only does the book cover the Old Testament tithe it also unveils what the New Testament teaches about giving by analyzing some of the epistles of Apostle Paul concerning his views and instructions on charitable giving

Tithing and Melchizedek—The Revelation! Tracey L. Easley, 2023-01-05 Tracey L Easley spent decades tithing sometimes faithfully and sometimes not After reaching an age of spiritual maturity he gave tithes even when he needed the money to pay his rent When he heard leaders in the congregation urging members to give more it occurred to him that

others must be struggling to give their share to the church He heard comments from the pulpit like Don t you want God to bless you You ll be cursed if you don t tithe Will a man rob God These comments gave him pause and he felt sorry for those who were struggling He asked himself whether or not they wanted to be blessed Seeking clarity he went to the Lord Jesus in prayer and asked Him Lord why are your people having so much trouble tithing Right away the Lord responded to the author in an audible voice My people love to be in bondage to the law In this book the author shares what the Lord meant by those words what the Bible tells us about tithing why Melchizedek is not God s priest and why tithing was never enforceable in the New Testament church *Living by the Truth* Lillian C. Larry,2005-05 The truth shall set you free The Church wants to know the truth about many vague and confusing issues regarding spirituality Members of the church community are having a hard time finding the answers to the questions in their hearts Living by the Truth will answer the questions regarding marriage and divorce church membership why Christians die in the Church tithing speaking in tongues prayer homosexuality self gratification and more Almost everything you need to know regarding spiritual truth is found within the pages of Living by the Truth When the Church begins to live by the truth the chains and shackles that have kept them bound will be loosed and the power of the Holy Spirit will abound unto a freedom of healthy spiritual living *The House on the Rock* H. K. Chapman,2021-03-18 Continue your journey from BOOK ONE of THE HOUSE ON THE ROCK SERIES in building a strong foundation of faith for your life In BOOK TWO discover your inheritance In Christ your true identity and authority and how to fulfill your calling Become as bold as a lion ready to face the challenges of life in these end time days and prepared for the return of Jesus **The Deseret Weekly** ,1894
