MY WAR

FOREWORD BY TOM BROKAW,
AUTHOR OF THE GREATEST GENERATION

Andy Rooney My War

Peter Karsten

Andy Rooney My War:

My War Andy Rooney, 2000-10-25 The author recounts his experiences as a young reporter to Stars and Stripes the American forces daily newspaper in Europe including his personal account of the liberation and entry into Buchenwald

My War Andy Rooney, 2008-03-18 My War is a blunt funny idiosyncratic account of Andy Rooney's World War II As a young naive correspondent for The Stars and Stripes Rooney flew bomber missions arrived in France during the D Day invasion crossed the Rhine with the Allied forces traveled to Paris for the Liberation and was one of the first reporters into Buchenwald Like so many of his generation Rooney's life was changed forever by the war He saw life at the extremes of human experience and wrote about what he observed making it real to millions of men and women My War is the story of an inexperienced kid learning the craft of journalism It is by turns moving suspenseful and reflective And Rooney's unmistakable voice shines through on every page

The Wounded Generation David Nasaw, 2025-10-14 From award winning and bestselling author David Nasaw a brilliant re-examination of post World War II America that looks beyond the victory parades and into the veterans and nation's unhealed traumas In its duration geographical reach and ferocity World War II was unprecedented and the effects on those who fought it and their loved ones at home immeasurable The heroism of the men and women who won the war may be well documented but we know too little about the pain and hardships the veterans endured upon their return home As historian David Nasaw makes evident in his masterful recontextualization of these years the veterans who came home to America were not the same people as those who had left for war and the nation to which they returned was not the one they had left behind Contrary to the prevailing narratives of triumph here are the largely unacknowledged realities the veterans and the nation faced that radically reshaped our understanding of this era as a bridge to today The Wounded Generation tells the indelible stories of the veterans and their loved ones as they confronted the aftershocks of World War II Veterans suffering from recurring nightmares uncontrollable rages and social isolation were treated by doctors who had little understanding of PTSD They were told that they were suffering from nothing more than battle fatigue and that time would cure it When their symptoms persisted they were given electro shock treatments and lobotomies while the true cause of their distress would remain undiagnosed for decades to come Women who had begun working outside the home were pressured to revert to their prewar status as housewives dependent on their husbands Returning veterans and their families were forced to double up with their parents or squeeze into overcrowded substandard shelters as the country wrestled with a housing crisis Divorce rates doubled Alcoholism was rampant Racial tensions heightened as White southerners resorted to violence to sustain the racial status quo To ease the veterans readjustment to civilian life Congress passed the GI Bill but Black veterans were disproportionately denied their benefits and the consequences of this discrimination would endure long after the war was won In this richly textured examination Nasaw presents a complicated portrait of those who brought the war home with them among whom were the period's most

influential political and cultural leaders including John F Kennedy Robert Dole and Henry Kissinger J D Salinger and Kurt Vonnegut Harry Belafonte and Jimmy Stewart Drawing from veterans memoirs oral histories and government documents Nasaw illuminates a hidden chapter of American history one of trauma resilience and a country in transition *Serving God and Country* Lyle W. Dorsett,2013-05-07 In World War II more than twelve thousand Protestant ministers Catholic priests and Jewish rabbis joined the Chaplain Corps They were men of faith under fire And they would charge straight into Hell to save the soul of a single soldier Representing America s three major religious traditions volunteers from across the country enlisted as noncombatant commissioned officers to provide spiritual strength and guidance for those fighting men who never knew if they were going to survive Armed only with Bibles Torahs and the tools of their holy trade these men of God went wherever the troops went They prayed over men about to go into combat on land at sea and in the air And most important and difficult of all they guided fallen fighting men of every faith as they breathed their last and gave up their lives in the fight against tyranny These are the personal stories of some of the bravest and most selfless men who served with the armed forces Many lost their lives or suffered debilitating wounds as they strived to keep the military personnel spiritually awake morally fit and prepared to make the journey from this world to the next without fear or despair and with the trust of the Almighty in their hearts INCLUDES PHOTOGRAPHS War and Press Freedom Jeffery A. Smith,1999-02-25 War and Press Freedom The Problem of Prerogative Power is a groundbreaking and provocative study of one of the most perplexing civil liberties issues in American history What authority does or should the government have to control press coverage and commentary in wartime First Amendment scholar Jeffery A Smith shows convincingly that no such extraordinary power exists under the Constitution and that officials have had to rely on claiming the existence of an autocratic higher law of survival Smith carefully surveys the development of statutory restrictions and military regulations for the news media from the ratification of the Bill of Rights in 1791 through the Gulf War of 1991 He concludes that the armed forces can justify refusal to divulge a narrow range of defense secrets but that imposing other restrictions is unwise unnecessary and unconstitutional In any event as electronic communication becomes almost impossible to constrain soldiers and journalists must learn how to respect each other s obligations in a democratic system *Spearhead* Adam Makos,2019-02-19 THE NEW YORK TIMES WALL STREET JOURNAL LOS ANGELES TIMES AND USA TODAY BESTSELLER A band of brothers in an American tank Makos drops the reader back into the Pershing s turret and dials up a battle scene to rival the peak moments of Fury The Wall Street Journal From the author of the international bestseller A Higher Call comes the riveting World War II story of an American tank gunner s journey into the heart of the Third Reich where he will meet destiny in an iconic armor duel and forge an enduring bond with his enemy When Clarence Smoyer is assigned to the gunner s seat of his Sherman tank his crewmates discover that the gentle giant from Pennsylvania has a hidden talent He s a natural born shooter At first Clarence and his fellow crews in the legendary 3rd Armored Division Spearhead thought their tanks were invincible Then they met the

German Panther with a gun so murderous it could shoot through one Sherman and into the next Soon a pattern emerged The lead tank always gets hit After Clarence sees his friends cut down breaching the West Wall and holding the line in the Battle of the Bulge he and his crew are given a weapon with the power to avenge their fallen brothers the Pershing a state of the art super tank one of twenty in the European theater But with it comes a harrowing new responsibility Now they will spearhead every attack That's how Clarence the corporal from coal country finds himself leading the U S Army into its largest urban battle of the European war the fight for Cologne the Fortress City of Germany Battling through the ruins Clarence will engage the fearsome Panther in a duel immortalized by an army cameraman And he will square off with Gustav Schaefer a teenager behind the trigger in a Panzer IV tank whose crew has been sent on a suicide mission to stop the Americans As Clarence and Gustav trade fire down a long boulevard they are taken by surprise by a tragic mistake of war What happens next will haunt Clarence to the modern day drawing him back to Cologne to do the unthinkable to face his enemy one last time Praise for Spearhead A detailed gripping account the remarkable story of two tank crewmen from opposite sides of the conflict who endure the grisly nature of tank warfare USA Today four out of four stars Strong and dramatic Makos established himself as a meticulous researcher who's equally adept at spinning a good old fashioned yarn For a World War II aficionado it will read like a dream Associated Press

The War Correspondents Keith Warren Lloyd, 2025-10-21 The War Correspondents unveils the extraordinary bravery and unmatched literary legacy of the journalists who risked their lives to cover WWII's European Theater Ernie Pyle John Steinbeck Walter Cronkite Edward R Murrow Ernest Hemingway Bill Mauldin Robert Capa Margaret Bourke White Andy Rooney Martha Gellhorn Richard Tregaskis the list of American correspondents who covered the fighting in Europe during the Second World War is a veritable Who's Who of American literary and journalistic greats of the twentieth century War correspondents not only rubbed shoulders with generals admirals prime ministers and presidents they also often witnessed the fighting first hand and up close placing themselves at great personal risk in order to get the story The War Correspondents recounts the most destructive conflict in human history from the civil war in Spain to the ultimate collapse of the Third Reich and tells the story of the legendary reporters who accompanied Allied soldiers sailors and airmen into battle

Field Marshal Bernard Law Montgomery, 1887-1976 Colin F. Baxter, 1999-10-30 In the desperate summer of 1942 Hitler seemed to be on the verge of victory in Russia and the Middle East With Rommel nearing Cairo a little known lieutenant general Bernard Montgomery took charge of what Churchill called a baffled and bewildered British 8th Army Assuming command Montgomery issued his famous order Here we will stand and fight If we can't stay here alive then let us stay here dead and led the Army to one of the Allies greatest victories El Alamein Monty became an instantly recognizable Allied leader but as a man with strong views unbending principles and outspoken frankness he was both loved and disliked praised and criticized This bibliography presents and evaluates the extensive body of literature that has grown up around the controversial Field Marshal Any serious study of World War II military campaigns

must confront Field Marshal Bernard Montgomery an individualist with both admirers and detractors This book provides an extensive historiographical overview of the literature in Part I and a bibliography of significant works in Part II It is a basic reference and research guide for the student scholar and general reader Understanding World War 2 Combat Infantrymen In the European Theater: Testing the Sufficiency of Army Research Branch Surveys and Infantry Combatant Recollections Against the Insights of Credible War Correspondents, Combat Photographers, Army Cartoonists Peter Karsten, 2020-02-03 Merriam Press World War 2 History Most scholarship on the American role in the European Theater of Operations ETO during World War II has addressed the issues of strategy campaign outcomes command leadership and logistical support Other research efforts have provided insights into the experiences of the individual combatants Karsten offers a better grasp of these latter efforts utilizing evidence that has been underutilized What he asks in this unique work is whether the media journalists broadcasters combat photographers cartoonists and artists in the ETO during WWII significantly improved our understanding of the world of the American infantryman there 57 illustrations *Dispatches from the Front* David Halton, 2015-10-06 The first major biography of an iconic war correspondent sheds light on the personal life and fascinating career of a remarkable Canadian figure and it s now available in paperback This is Matthew Halton of the CBC So began Matthew Halton s war broadcasts Originally a reporter for the Toronto Star Matt Halton as Senior War Correspondent for the CBC during the Second World War reported from the front lines in Italy and Northwest Europe and became the voice of Canada at war His reports were at times tender and sad and other times shocking and explosive Covering the flashpoints of his generation from the war trenches to the coronation of the Queen Halton filed a series of reports warning that the Third Reich was becoming a vast laboratory and breeding ground for war For a decade he chronicled Europe s drift to disaster covering the breakdown of the League of Nations the Spanish Civil War and the Nazi takeover of Austria and Czechoslovakia Along the way he interviewed Franklin Delano Roosevelt Herman Goering Neville Chamberlain Charles de Gaulle Mahatma Gandhi and dozens of others who shaped the history of the last century Drawing on extensive interviews and archival research this definitive biography written by Matthew s son acclaimed former CBC correspondent David Halton is a fascinating look at the career of one of the most accomplished journalists Canada has ever known
