Angel Gabrel A True Story:

Angel Gabriel a True Story Joy LaPlante, 1999-03-01 *The Real Deal: Making the Case for the One True God* Rev. Peter Hendriks Okello, 2018-08-08 This book explains differences between the content of the Bible and the Qur'an and between the God of the Bible and Allah of the Quran. The resulting identity of Allah serves as a wake up call for many Christians especially for those who think that the God of the Bible and Islam's Allah are identical. Despite growing militant Muslim behavior throughout the world especially against Christians and Jews many Christian leaders in churches and politics seem to be ignorant of the growing threat of Islam to their communities. Many examples of explicit Muslim's inhuman behavior substantiate the global Muslim threat to completely destroy Jewish and Christian communities throughout the world. This book helps readers understand that there is a significant and most strenuous spiritual battle going on in the heavenly spheres between demons, fallen angels and angels as ministers of God. This spiritual battle is reflected in the hearts and minds of men and women today. This book suggests how Christians need to be united in a biblical response to the growing threat of militant Islam to bring the entire world under the rule of Sharia law and worship of Islam's Allah. *The True Story of the Holy Family* Dennis J. Foley, A 5 Stars Review on Amazon. The True Story of the Holy Family by Dennis J. Foley. The True Story of the Holy Family delivers as it promises. It is extremely well researched and explores the true story of Jesus and his family that the New Testament fails to cover. This book goes back to the birth of his mother then the story slowly tracks and proceeds from there. One needs to have an open mind to enjoy this ocean of rare information that is very much worth it. The writing style of Dennis is lucid and engaging. It helps readers flow through the pages rapidly and get immersed in the narrative. This book deserves so much attention. This is the True Holy Family Story with all of the completely Human sins and struggles like murder and rape and more which the real Jesus and His Family experienced and endured. Enter a pre-Christian world starting in a Rome occupied Celtic Britain and only ending in Judea. Ch 1 Introduction Ch 2 Nesse the Morgani La Fe the Macha de Leon Magdalin Ch 3 Deidre Woman of Sorrows Mother of Cuhuillone Christ Ch 4 Mary and Her Son Jesus the Wise in Judea Ch 5 John the Baptist the Father Pappas Sends His Son Ch 6 Jesus and His Beloved Yahuni Their Marriage Ch 7 The Sallie or Princess the Black Madonna Ch 8 Thomas the Twin's World Travels Churches in East Ch 9 Emperor Constantine Son of Man Made Son of God Ch 10 Empress Helen the Omega Woman of Christianity Ch 11 The Christian Year 1 A D and Dennis the Isaurian Bibliography **The monsters that kiss you goodnight: Based on a true story** Philip Seibel, 2025-02-06 Tommy is your average boy. Except for one little difference Tommy's parents like to sexually abuse him. That's putting it mildly. Every day it seems he is getting punished for something or other. Childhood is no fun it's filled with hard labor screaming threats and violence. He is in constant fear for his life. Why? The end of the world and the rise of the Antichrist seems all too imminent. School. Please. We'll all be dead by then sitting at the right hand of the throne of God. If Tommy openly doubts the cult's beliefs the wrath of God is meted upon him swiftly without mercy. It's no wonder Tommy's

parents are members of the notorious Children of God A cult that openly embraces sex with children public floggings of children speech restriction denial of food water and basic human rights Guantanamo bay could learn a thing or two from these fuckers These crimes against humanity are committed in the name of love and the name of God At the age of thirteen Tommy has just about had enough one day He momentarily even succeeds to escape the cult commune Sadly reality kicks in very quickly and Tommy is forced to go back home His parents have had enough They confine him to a dark room for months He s not allowed to speak to his siblings or other children Even leaving the room to go toilet is out of the question One day his parents come for him and he is whisked away in the dead of night They also inform him that he has been officially excommunicated Finally after months of travelling to and from hotels relatives and other systemites Tommy s parents give up trying to rehabilitate him The grandparents reluctantly agree to pay to put him into a boarding school Until that moment Tommy s never watched TV heard pop music or even eaten a bar of chocolate He will not see his siblings again for many many years but that s for another story The other kids in the boarding school can t make sense of this new weird and broke kid who can t speak German He talks with an American accent yet claims to be a German citizen Unsurprisingly he is beaten up and bullied It seems like life in the cult might have been the better option after all Ostracized and desperate to fit in he turns to drug dealing to make ends meet In the months that follow he must very rapidly grow up become fearless and fight back against insurmountable odds Not even a year after his arrival he witnesses a girl he deeply cares for being raped He flings open his trusted butterfly knife and rushes to save her killing the assailant in the process There s just one problem The man he murdered was a very dangerous gang leader If anyone finds out who murdered him Tommy will no doubt face torture and execution There is no turning back no one he can run to now He needs to leave everything behind all over again At night the monsters of the past come to haunt Tommy in his dreams His memories of the past are all too painful to bear yet he finds it impossible to ignore them The solution is easy Alcohol marijuana and ecstasy They may dampen the pain temporarily but in the long run they are as effective as a Band Aid on a freshly severed limb It seems at times the only way out of this misery is death That s not like Tommy though That s too easy in his mind that s a coward s solution While on the run Tommy meets a girl who lives by herself She agrees to provide him with accommodation One night Angela opens up to him She tells Tommy of all the atrocities done to her by her very own father After a decade of abuse she finally mustered up the courage to speak out Her abuser was immediately arrested 5 years later her father has served his time There is no question in Angela s mind that he will seek revenge Lucky for Angela Tommy is far more dangerous than he looks He s not a scared little boy and more importantly this time he s got a gun
