Angels Are Watching Over Us:

Angels Watching Over Us Journal Ellie Claire, Ellie Claire & Summerside Press, 2009-06-22 For millions of people today the thought of angels watching over us and guarding us in all our ways is a very real source of comfort and strength The Bible mentions angels nearly three hundred times even saying we may entertain them unaware The profoundly important message is clear God cares for us and sends His angels to attend us In this exquisite journal reflect on how our loving God holds us close through the presence of His angels Encouraging quotes and comforting verses about these heaven sent beings and the messages of assurance protection and peace they deliver frame each page of Angels Watching Over Us

Power Perfected in Weakness Christopher Klicka, 2010-09-01 The message in this book is simple God can sustain you through anything Chris Klicka illustrates this truth in this personal journal that he kept during the final years of his life detailing how the Lord showed His grace as Chris lived with the increasing debilitation of multiple sclerosis In *Power Perfected In Weakness* Chris challenges us to be bold in sharing the Gospel and he points us to the Lord as the source of all our strength and satisfaction *Power Perfected in Weakness* is the story of one man's suffering through the final battle from this life to life in the presence of God While Chris Klicka the author was a friend and a man whom I respected and loved the value of this book is not the story of Chris Klicka It is the story of how suffering is the Refiner's fire that burns off the dross and brings forth the fine gold of Christ in the believer's life The book will teach you about how to suffer and how Christ's power is perfected in weakness Tedd Tripp author of *Shepherding a Child's Heart* *The 100 Most Encouraging Verses of the Bible* Troy Schmidt, 2016-11-01 The 100 Most Encouraging Verses of the Bible Everyone struggles with discouragement as they face various trials of life big or small Whether you are struggling with your health family job or relationships God wants to give you hope and peace again What does he want you to know and remember in the hard times This book goes straight to the source of all Truth to reveal how much God loves you and how he's right by your side through thick and thin The 100 verses that are highlighted include well known passages as well as hidden treasures you may have never read Each verse is followed by a brief devotional reading that will help you find understanding and comfort from the text and in the process draw you ever nearer to God The book's length and focus make it perfect as a daily meditation or to read as a family It also makes an ideal gift for those who love the Bible and seek the hope of God's promises **Angels Watching Over Me** Betty Malz, 1986 *Mysteries of the Afterlife* Ron Jones, 2016-02-01 Is there a more important topic than one's eternal destination Pastor church planter and radio personality more than 100 radio stations and expanding Ron Jones believes the gravity of this topic deserves the utmost in both biblical accuracy and compassion In *Mysteries of the Afterlife* he delivers a clearly written and compelling explanation of heaven hell and the afterlife You'll find answers to questions such as What happens 60 seconds after we die Are heaven and hell real places Is there a future resurrection and judgement Are we reincarnated after death Can we communicate with the dead Are near death experiences real And the most important

question of all what is your eternal destiny Whether you realize it or not your journey toward your final destination began the day you re born And the beginning of your discovery of what lies beyond the grave starts right now Ron Jones
