Animal Visions Susan Mary Pyke, 2019-03-15 Animal Visions considers how literature responds to the harms of anthropocentrism working with Emily Brontë's *Wuthering Heights* 1847 and various adaptations of this canonistic novel to show how posthumanist dream writing unsettles the privileging of the human species over other species Two feminist and post Freudian responses Kathy Acker's poem *Obsession* 1992 and Anne Carson's *The Glass Essay* 1997 most strongly extend Brontë's dream writing in this direction Building on the trope of a ludic Cathy ghost who refuses the containment of logic and reason these and other adaptations offer the gift of a radical *peri hysteria* This emotional excess is most clearly seen in Kate Bush's music video *Wuthering Heights* 1978 and Peter Kosminsky's film *Wuthering Heights* 1992 Such disturbances make space for a moor love that is particularly evident in Jane Urquhart's novel *Changing Heaven* 1989 and to a lesser extent Sylvia Plath's poem *Wuthering Heights* 1961 Brontë's *Wuthering Heights* and its most productive afterings make space for co affective relations between humans and other animal beings Andrea Arnold's film *Wuthering Heights* 2011 and Luis Buñuel's *Abismos de Pasi n* 1954 also highlight the rupturing split gaze of non acting animals in their films In all of these works depictions of intra active and entangled responses between animals show the potential for dynamic and generative multispecies relations where the human is one animal amongst the kin of the world

Beyond Illusion David R. Hawkins, MD/PHD, 2025-04-29 Best selling author and spiritual pioneer Dr David R Hawkins offers insights into the illusory nature of existence and how to realize a state of higher consciousness In this new book derived from Dr David Hawkins's popular *Way to God* lecture series he explores perception and illusion how the truth becomes distorted and ultimately the root of consciousness In Part One Dr Hawkins explains how the ego functions in society and that the world out there is a projection of what is within us He confirms that everything is happening on its own and everything is perfect right now He also discusses quantum mechanics and how what you hold in mind tends to manifest In addition he talks about why people don't change even after hearing spiritual truths and how to alleviate this problem In Part Two Dr Hawkins discusses the time honored tradition of meditation which he informs us is our natural state Instead of covering the numerous styles of meditation he delves into the essence of the meditation process itself He talks about how we can obtain the benefits of

meditation without going through formal renunciation Dr Hawkins explains two valuable ways of meditating which he experienced himself He also tells us of the various ways to transcend the mind to become aware of the presence of God
