

## **ANIMAL FARM**

### **ACT I - THE REVOLUTION**

**Narrator:** In England, there once can be found a farm called Manor Farm, owned by an irresponsible farmer named Mr. Jones, who had not much concern for his poor farm animals.

(Animals sorrowfully doing work in the farm)

**Narrator:** One evening, when Mr. Jones had retreated for the day, Old Major, the oldest and wisest of the animals, called for a meeting to announce something important.

**Old Major:** Comrades, so few of us will ever come to know the blessing of old age as I have. You, Porkers, don't you know that in your prime all that awaits you is the chopping board?! You, Hens, how many of your eggs did not even have the chance to hatch! You, horses, when your youth is gone and your muscles fail, what then? Our lives are short and miserable but should this always be the case? Is England so poor that we need to live like this? Nay! The lands of England which we toil are rich but the humans take everything from us! Yes, the humans are the root of all our misery! In my youth, there was a song that is now sadly forgotten. I myself had once forgotten it, too, but the words recently came back to me in a dream. The song is called Beasts of England... (clears throat and sings)

Beasts of England, Beasts of Ireland  
Beasts of every land and clime  
Hearken to my joyful tidings  
Of the golden future time.

(Animals join Old Major in singing Beasts of England)

Soon or late the date is coming,  
Tyrant Man shall o'erthrown  
And the fruitful fields of England  
Shall be trod by beasts alone

**Mr. Jones:** (shoots) Stupid animals!

(Animals quickly flee from the meeting.)

**Narrator:** The following day, to everyone's grief, Old Major was discovered lifeless in his stall.

**Snowball:** Comrades, what better way is there to remember Old Major than to realize his dream of an England where animals are free and equal, an England not ruled by men but by us, animals! We, pigs, call this the principle of ANIMALISM! We must rise and fight for what is ours!

Animal Farm (with Bonus novel '1984' Free) George Orwell, 2012-11-30 Enter Manor Farm owned by Mr Jones a lazy farmer who ignores the plight of the animals who toil under his yoke However things change dramatically after Major the prizewinning boar has a dream in which all the animals are free His rousing speeches incite the animals to revolt against oppression Egged on by the promise of freedom the animals unite and drive the Joneses out of the farm Under the tutelage of the pigs all the farm animals build a world where they are free and equal Until some become more equal than others Does the dream of freedom become a nightmare of slavery George Orwell s classic first published in 1945 continues to mirror what unfolds in the theatres of power in society His criticism of the communist ideal of an equal world takes you through the shining triumphs and terrible failures of the world we live in PLUS Book Mine Gems 34 extra special pages Know more about the author his work and his times to do Animal Farm Revisited Irwin Friedman, 2008-12-08 As a tribute to George Orwell this little story looks at how different things could have been if only the animals had believed in the seven noble ideals Fighting the just war Democracy equality fraternity Progress and enlightenment Justice always triumphs Nothing but the truth Viva free enterprise Never lose faith **Strategies for Teaching Boys and Girls -- Secondary Level** Michael Gurian, Kathy Stevens, Kelley King, 2011-01-06 In his best selling classic Boys and Girls Learn Differently Michael Gurian explained the origin and nature of gender differences in the classroom His important book explored the behavior teachers observed and the challenges they faced with both boys and girls in their classrooms Taking the next step Strategies for Teaching Boys and Girls Secondary level A Workbook for Educators offers teachers a hands on resource that draws on the Gurian Institute s research and training with secondary schools and school districts The workbook presents practical strategies lessons and activities that have been field tested in real classrooms and developed to harness boys and girls unique strengths The workbook is designed to help teachers build a solid foundation of learning and study habits that their students can use in the classroom and at home It covers the key curricular areas and offers proven techniques to make learning no matter what the subject more engaging for all students The workbook is an essential resource for all teachers who want to improve their practice and get the most from all students whatever their gender *George Orwell's Perverse Humanity* Glenn Burgess, 2023-04-06 This is the first book to focus primarily on George Orwell s ideas about free speech and related matters freedom of the press the writer s freedom of expression honesty and truthfulness and in particular the ways in which they are linked to his political vision of socialism Orwell is today claimed by the Left and Right by neo conservatives and neo socialists How is that possible Part of the answer as Glenn Burgess reveals is that Orwell was an odd sort of socialist The development of Orwell s socialism was from the start conditioned by his individualist and liberal commitments The hopes he attached to socialism were for a fairer more equal world that would permit human freedom and individuality to flourish completing not destroying the work of liberalism Freedom of thought was a central part of this and its defence and use were

essential parts of the struggle to ensure that socialism developed in a liberal humane form that did not follow the totalitarian path of Soviet communism Written in celebration of Orwell s dictum We hold that the most perverse human being is more interesting than the most orthodox gramophone record George Orwell s Perverse Humanity is a portrait of Orwell that captures these themes and provides a new understanding of him as a political thinker and activist Based on archival research and new materials that affirm his work as an activist for freedom it also uncovers a socialist ideology that has been obscured in just the way that the author feared it would be associated in many people s minds with totalitarian unfreedom
