

ANKYLOSING SPONDYLITIS

Preoperative management

- Evaluate severity of disease → airway involvement and extra-articular manifestations
- Assess range of motion of all joints to plan optimal positioning
- Airway examination
- Perform an echocardiography, lung function tests, imaging of cervical spine, and arterial blood gas analysis
- ECG to assess the severity of valvular disease associated with AS

Intraoperative management

- Difficult intubation
 - Awake fiberoptic intubation (AFOI) is the safest option → constant neurological monitoring during placement of tracheal tube
 - Retrograde intubation if AFOI fails
 - Intubating laryngeal mask and classic laryngeal mask as alternatives → trachea can be intubated without head and neck movement or direct laryngoscopy, maintain lung ventilation
 - Impossible to insert mask in patients with severe flexion deformities
- Minimize c-spine manipulation
 - Avoid excessive neck extension and forcible neck movements
 - Use neck supports during anesthesia
- Careful patient positioning
- Management of multisystem disease features, especially cardiopulmonary
- Recognition of difficult regional and neuraxial anesthesia due to poor positioning, axial spine fusion, epidural space obliteration, and underlying radiculopathies/neuropathic pain
 - Higher risk epidural hematoma
 - Paramedian might be a better approach

Postoperative management

- Same precautions regarding patient positioning and neck movement
- Start early with physiotherapy, breathing exercises, and mobilization because AS patients are at a higher risk of respiratory complications
- Monitor the effects of fluid shifts and medications on perioperative fluid balance

Ankylosing Spondylitis Diagnosis And Management

DJ Losen

Ankylosing Spondylitis Diagnosis And Management:

As recognized, adventure as well as experience practically lesson, amusement, as competently as understanding can be gotten by just checking out a ebook **Ankylosing Spondylitis Diagnosis And Management** in addition to it is not directly done, you could acknowledge even more roughly speaking this life, roughly speaking the world.
