Angela Merkel A Chancellorship Forged In Crisis:

Angela Merkel Alan Crawford, Tony Czaczk, 2013-08-05 Shortlisted for International Affairs Book of the Year in the Paddy Power Political Book Awards 2014 Angela Merkel was already unique when she became German chancellor the first female leader of Europe's biggest economy the first from former communist East Germany and the first born after World War II Since 2010 the debt crisis that spread from Greece to the euro region and the world economy has propelled her to center stage making Merkel the dominant politician in the struggle to preserve Europe's economic model and its single currency Yet the Protestant pastor's daughter is often viewed as enigmatic and hard to predict a misreading that took hold as she resisted global pressure for grand gestures to counter the crisis Having turned the fall of the Berlin Wall to her advantage Merkel is trying to get history on her side again after reaching the fundamental decision to save the euro the crowning achievement of post war European unity Merkel has brought Europe to a crossroads Germany's economic might gives her unprecedented power to set the direction for the European Union's 500 million people What's at stake is whether she will persuade them to follow the German lead Angela Merkel A Chancellorship Forged in Crisis is the definitive new biography of the world's most powerful woman Delving into Merkel's past the authors explain the motives behind her drive to remake Europe for the age of globalization her economic role models and the experiences under communism that color her decisions For the first time in English Merkel is fully placed in her European context Through exclusive interviews with leading policy makers and Merkel confidants the book reveals the behind the scenes drama of the crisis that came to dominate her chancellorship her prickly relationship with the U S and admiration for Eastern Europe Written by two long standing Merkel watchers the book documents how her decisions and vision both works in progress are shaping a pivotal moment in European history

Angela Merkel, Third Edition Clifford Mills, 2020-06-01 Born in West Germany but raised in East Germany Angela Merkel has known both repression and freedom With the fall of the Berlin Wall in 1989 Merkel started her meteoric rise to become Germany's first female chancellor and one of the world's most powerful women A scientist by training Merkel possesses analytical skills seldom seen in a world leader and she confronts not only German problems but European and world issues with diplomacy and tact Enhanced by a chronology bibliography and suggestions for further reading this full color biography is the inspiring account of an intriguing leader who's a tireless force for progress [Becoming Madam Chancellor](#) Joyce Marie Mushaben, 2017-08-07 Since 2005 Angela Merkel has transformed not only the way Germans see themselves but also the way that politicians worldwide male and female perceive women in power The East German daughter of a Protestant pastor this physicist turned politician has deployed her life experiences to cultivate a unique set of leadership skills Her pragmatic data driven and future oriented approach to politics grounded in a commitment to democratic pluralism human rights and personal responsibility has produced extraordinary paradigm shifts in many national policies in the wake of major crises As the first English language scholarly book to provide an in depth account of her career and influence

Becoming Madam Chancellor examines Merkel's achievements across six key policy domains contextualizes these within broader German history before and after reunification and uncovers the personal and political factors that have contributed to Chancellor Merkel's hard earned status as the world's most powerful woman **Crisis in Greece** Peter

German-American Relations in the 21st Century Klaus Larres, Ruth Wittlinger, 2020-04-22 German American relations have become interesting again U S President Donald Trump's lukewarm policy toward Europe has ensured that the relationship between Berlin and Washington is once again regarded as an important field of scholarship within global politics And yet it was only a few years ago that German American relations seemed to take second place to transatlantic relations in general and the European Union EU USA relationship in particular The advent of Donald Trump as US President in January 2017 has made all the difference Trump's difficult personal relationship with German Chancellor Angela Merkel and his denigration of everything the Western world including the USA itself has stood for since 1949 have given a new significance to German American relations in practice and theory This volume offers an empirical and conceptual analysis of German American relations in the 21st century and highlights the serious and perhaps unprecedented challenges the two countries face at present The authors discuss a number of aspects of the current much more fragile state of German American relations from different perspectives This book was originally published as a special issue of the journal German Politics Nordic, Central, and Southeastern Europe 2023-2024 Wayne C.
