The Hidden Keys in the Bible 2 Vernon Atkins, 2024-02-12 Why is it so hard to find God Or should I say Why is it so hard for God to find you There are Those who say I Read the Bible often But Can t Understand it So I Quickly Lose Interest in it Then I find myself Seeking a Church and a Man of God to help me get closer to God This after a while did not do it for me So I left the Church feelings even more depressed than before Is it really that hard to make a Connection with our God I been told by others that he said that he love all and wishing that none should perish Well why is it so hard to find him if he love us Is our God speaking out of both sides of his mouth I mean he did say it is impossible for him to lie He also said what comes out of my mouth can t return void it that is the case then you need took at your self and at your attempts to see what you are doing wrong less Review You first Started Reading the Bible How much time did you spend reading the Bible once a week every other month are just doing hollow days did I give up my friends who were still involved in daily activities that goes against the Laws and Commandments of God Did you give up going to places that God would disapproval like bars nightclubs where you find half naked woman s sliding down a pole How about going out gambling looking at trying to get rich and then becoming hooked spending money you don t have money that could have been

spent on other things your kids bills Now can you see why it was so hard to understand the Bible Could it be that you are not given your all Less now put you on the right track God says seek him first and all things will be added all you need to do is to knock Asked and Seek in the door will be opened Next you say that you went as far as attending a church and a minister to bring you closer to God Let me say this all ministers are not call by God In other words it is just as bad to hear the words of God from one who is not call to lead you even further from the truth It s like the blind leading the blind and they both fall into a ditch One sure way to know that you have made a Connections with God Is when you seek him daily Reading his words for yourself and keeping all of his Laws and Commandments by you doing this you show Him that you are truly sincere about knowing him This is when God releases His Spirit of understanding to your mind but in small portions and the more you read his words the more knowledge is revealed

The Beast Who Once Was: New Insight into End Times Prophecy Chris Relitz,2014-04-26 The Bible says that there was a beginning of things and that there will be an end Near the end we will see a hero and a villain arise the son of God will battle the son of Satan The prophecies in the Bible have a great deal to say about this but one prophecy has been overlooked until now I will explain to you the mystery of the beast who once was now is not and yet will come This calls for a mind with wisdom Revelation 17 7 9 Here we are told that the Beast the son of Satan once lived but at one time he was not alive and that he would live again The Beast will seem to recover from a fatal wound Revelation 13 3 Not a nearly fatal wound He will seem to recover from death In the end times he will be seen to rise from the grave in imitation of Jesus Christ Who was the Beast But more importantly why is that mysterious fraternity of Freemasons preparing to come to his aid We will examine their own writings and rituals to confirm that they are devoted to the Beast who once was

"Aliens" in Revelation Gm Matheny,2019-10-31 The premise of this book is that aliens are evil spirits the fallen angels of the Devil God created animals

man and angels but no little green men from Mars But both the angels of God elect angels and the angels of the Devil devils with their superior abilities if they had not been named angels and evil spirits in the Bible would be thought of as aliens And there are reasons why people living in the future tribulation will believe angels are aliens a deception that would work to the Devil s advantage Ancient writers from different countries wrote about beings visiting them from the skies who were superhuman Some were called gods watchers or angels I do however believe that angels in the Bible are exactly what the Bible says they are not that the word angel is a code word for alien or that the prophets of the Bible lacked the vocabulary to describe aliens Again I am saying that if God had not given us their name angel then people would naturally think they were ancient aliens This book is written with complete reliance on the Bible and the outline for my story will come from the book of Revelation

Angels or Aliens? James Brouillette, 2020-01-29 Join the journey and examine the mysterious physical remains present on earth that are being used to mount a new attack against Christianity The reason for these ancient remains existence here on this planet is explained using scripture Angels or Aliens explores giants flying vehicles and angels as they are discussed and explained in the Bible and how they relate to the coming assault against Christians everywhere by this new theological lie This new false doctrine is explored which is now being prepared and developed in order to replace the Theory of Evolution as the Godless answer to mankind s origin This unique look at the modern world from a biblical point of view provides a positive Christian vision and reinforces the fact that God is in control and through Christ the victory is ours In addition through the process the reader is exposed to some possible end time scenarios that they may not have previously imagined After studying the media and the communication in which it engages Brouillette has identified a systematic indoctrination that has taken place over the last sixty years in the area of the existence of life on other planets and Angels or Aliens exposes this newest attack against the Christian belief that our world was created by God Using scripture this new humanist attack is debunked and the relationship this new theory might have with end times prophecy is exposed
