

ANGELS AND DONKEYS

*Tales for Christmas
and Other Times*

ANDRÉ TROCMÉ

Translated by NELLY TROCMÉ HEWETT

Angels And Donkeys Tales For Christmas And Other Times

Jin-Ying Zhang

Angels And Donkeys Tales For Christmas And Other Times:

Angels and Donkeys André Trocmé, 1998 A collection of tales many based on stories from the Bible told by the author a French minister around the huge Christmas tree in the church in Le Chambon sur Lignon Women Heroes of World War II Kathryn J. Atwood, 2011 Twenty six stories of women heroes from World War II **Pastor André Trocmé** Allison Stark Draper, 2000-12-15 Depicts the efforts of one village in France under the spiritual guidance of André Trocmé to protect thousands of Jewish refugees during World War II **Village of Scoundrels** Margi Preus, 2020-02-25 Based on the true story of the French villagers in WWII who saved thousands of Jews this novel tells how a group of young teenagers stood up for what is right Among them is a young Jewish boy who learns to forge documents to save his mother and later goes on to save hundreds of lives with his forgery skills There is also a girl who overcomes her fear to carry messages for the Resistance And a boy who smuggles people into Switzerland But there is always the threat that they will be caught A policeman is sent to keep an eye on them German soldiers reside in a local hotel and eventually the Gestapo arrives armed with guns and a list of names As the knot tightens the young people must race against time to bring their friends to safety **A Portrait of Pacifists** Richard P. Unsworth, 2012-04-27 This biography tells the story of André and Magda Trocmé two individuals who made nonviolence a way of life During World War II the southern French town of Le Chambon sur Lignon and its surrounding villages became a center where Jews and others in flight from Nazi roundups could be hidden or led abroad and where children with parents in concentration camps could be nurtured and educated The Trocmés' courage during World War II has been well documented in books and film yet the full arc of their lives the impulse that led them to devote themselves to nonviolence and their extensive work in the decades following the war has never been compiled into a full length biography Based on the Trocmés' unpublished memoirs interviews and the author's research the book details the couple's role in the history of pacifism before during and after the war Unsworth traces their mission of building peace by nonviolence throughout Europe to Morocco Algeria Japan Vietnam and the United States Analyzing the political and religious complexities of the pacifist movement the author underscores the Trocmés' deeply personal commitment Regardless of which nation was condoning violence shaping international relations or pressing for peace and regardless of whose theology dominated the pulpits both André and Magda remained driven by conscience to make nonviolence the hallmark of their life's work **The Word Before the Powers** Charles L. Campbell, 2002-01-01 In this examination of the ethical significance of preaching Charles Campbell provides both fresh insights into the relationship between preaching and ethics and a challenging moral vision for the contemporary church Moving beyond a narrow focus on moral decision making or social issues sermons Campbell argues that a particular ethic nonviolent resistance is inherent in the practice of preaching and shapes the moral life of the church In the face of the powers the fundamental ethical task of preaching involves building up the church as a community of resistance Employing three dimensions of character ethics vision practices and virtues

Campbell demonstrates the concrete ways in which preachers may undertake this task Covenant Companion ,1998

Heróinas de la Segunda Guerra Mundial Kathryn J. Atwood,2013-11-25 Hubo otros muchos héroes en la Segunda Guerra Mundial cuyos nombres no son tan conocidos como los de los generales norteamericanos Patton y Eisenhower pero cuyas valerosas acciones contribuyeron a ganar la guerra Son las heroínas de la Segunda Guerra Mundial Algunas de ellas ya eran famosas antes de la guerra y otras lo serían después pero la mayoría eran mujeres corrientes Peluqueras relojeras trabajadoras sociales estudiantes universitarias adolescentes y esposas todas ellas mujeres muy distintas entre sí que solo tenían una cosa en común la indignación hacia los actos de Hitler Cada una de estas mujeres procedentes de distintos países y actuando en distintas misiones pudieron hacer realidad lo que con indignación tenían que ver día a día durante el tiempo que duró la contienda Maria von Maltzan la condesa que escondió a judíos Josephine Baker la espía cantante Hattie Schaft el Símbolo de la Resistencia Pearl Witherington la correo que se convirtió en líder Marlene Dietrich la artista que convirtió en estandarte su lucha contra Hitler y su régimen Relatos inspiradores de la vida de estas mujeres durante la II Guerra Mundial algunas de ellas todavía en su adolescencia cuyo coraje marcó una diferencia en los oscuros días de la guerra *Quaker Life* ,1998 **Angels Unawares** Megan McKenna,2014

Angels And Donkeys Tales For Christmas And Other Times Book Review: Unveiling the Magic of Language
