Ministry in the Anglican Tradition John L. Kater, 2025-09-04 This book offers a global perspective on how Anglican ministry evolved throughout a century marked by radical upheavals and dramatic changes in theological social and political perspectives That history begins with the end of the Victorian era when Anglicanism had spread around the world but was deeply enmeshed with colonialism and it was assumed that it was shaped and defined by its North Atlantic history Kater explores how the Anglican Way became rooted in widely different contexts and identifies the many pressures and movements that challenged that history including two world wars a global Depression anti colonialism and the struggles against the many forms of oppression and discrimination that marked the century This book is the story of how Anglican ministry has been broadened and deepened by its constantly growing diversity even as that diversity has brought new challenges The Living Church ,1954 The Episcopalian ,1968 *Anglican Church Directory* ,2009 *The Annunciation* Larry
