Angry Conversations With God A Snarky But Authentic Spiritual Memoir:

Angry Conversations with God Susan E. Isaacs, 2025-05-01 Disillusioned disenfranchised and disinterested in anything churchy Susan Isaacs knew of only one thing to do when she hit spiritual rock bottom at age 40 She took God to couples counseling In this cuttingly poignant memoir Susan Isaacs chronicles her rocky relationship with the Almighty from early childhood to midlife crisis and all the churches where she and God tried to make a home Pentecostals Slackers for Jesus and the ber intellectuals who turned everything including the weekly church announcements into a three point sermon Casting herself as the neglected spouse Susan faces her inner nag and the ridiculous expectations she put on God some her own and some from her crazy in laws at church Originally staged as a solo show in New York and Los Angeles ANGRY CONVERSATIONS WITH GOD is a cheeky heartfelt memoir that even at its most scandalous is still an affirmation of faith

Grumble Hallelujah Caryn Dahlstrand Rivadeneira, 2011-08-31 If you had told Caryn Dahlstrand Rivadeneira while she was crying on the kitchen floor that she could find a way to praise God in this situation she wouldn't have believed you In fact she might have thrown something at you Looking around at a life that was disappointingly different from what she'd dreamed she couldn't imagine honestly singing out a hallelujah But then it occurred to her that well maybe she could manage to grumble one Have you been there During life's lowest moments it is so tempting to blame ourselves our circumstances or God But what would happen if we turned to God and managed to praise him instead in whatever way we could Might he show up and help us find the things in our lives that he made to be loved Grumble Hallelujah offers humor candid stories and solid scriptural backing that will help you see clearly just how your life is meant to be lived and loved **Theology as**

Autobiography Colby Dickinson, 2020-03-17 Autobiographical writings on faith frequently come from the lives of ordinary persons whose struggles with faith are often lived at the margins of the church academy and society Yet these voices have the potential to reshape the ways in which each of these fields function To find out what it means to stand before God with all of one's humanity on display is to engage in not only the act of confession but to demonstrate a bold theological reflection that needs to be more explicitly understood By turning to spiritual autobiographies as theological source texts we learn to place our emphasis where it matters most on the people whose lives of faith move us deeply and cause us to re-examine our own lives in light of their witness Moving through a range of ancient early modern and contemporary spiritual writers in order to demonstrate a profound connection that unites them all this book portrays how a critical self-examination of one's most personal internal fractures our poverty as it were is the only way to develop a life of faith the dual meaning of the word confession which expresses both a revealing of one's sins or brokenness and the articulation of what one believes

Church Talk Makes Men Walk Woody L. Davis, 2017-07-13 The mystery of the missing men can be answered in one sentence The church has forgotten how to speak to men While the church's language has excluded women in its use of nouns and pronouns it has excluded men in everything else Its content character and construction say You don't belong here

Church Talk Makes Men Walk Corrects the myth that men are innately non religious or non spiritual Demonstrates how the culture increasingly reflected in church talk has filtered action oriented people out of the church in favor of relationally orientated ones Demonstrates that the same factors that have driven most men from the church have also driven like minded women away Provides research based and theologically informed solutions to the problem of the missing action oriented men and women Chapters presenting well documented social science research alternate with chapters presenting practical steps that answer the question So what should the church do Written in a conversational humorous and sometimes confessional style Church Talk bridges the gap between the academy and the local church It shows how language that is inclusive of both women and men relational and action oriented can create a church that is once again gender balanced and missional *Not Another Dating Book* Renee Fisher,2012-02-01 For every twenty something who's thrown aside traditional relationship books in despair comes a new kind of dating book Renee Fisher a refreshing new voice for today's generation pulls no punches as she addresses the real relevant questions and issues young adults encounter today How do I honor God with my body What's the deal with online dating Does it matter if my significant other is a Christian Is there only one person out there for me Can God use me in my singleness How should I relate to my ex after a breakup I think there's more to life than dating but what What happens if I've made mistakes With her trademark wit and enthusiasm Renee Fisher Devotional Diva and author of Faithbook of Jesus urges young adults to take a closer look at the way they relate to God and others showing them that every relationship finds its perfect example in Christ Each daily devotion includes scriptural insight prayers journaling space and questions for further thought from real life twenty somethings *This Is Your Brain in Love* Earl Henslin,2023-12-19 Make your marriage the best it can be by learning the secrets of proactive passion Using the latest in brain research *This Is Your Brain in Love* helps couples become Master Level Lovers by encouraging each mate to bring their healthiest most balanced and joyful self to their marriage Dr Henslin speaks to the vital connection between spirituality and sexuality He identifies the five types of lovers with ground breaking insights and effective solutions for the challenges presented by each Scattered Lover Over focused Lover Blue Mood Lover Agitated Lover Anxious Lover Filled with relatable stories and humor this is not your boring brain book Engaging and practical Dr Henslin provides an amazingly accurate scientifically based brain test to help spot typical brain imbalances And yes most everyone has at least one Bonus material offers brain researched strategies and new hope for women dealing with hormones and men struggling with sexual addictions *The Publishers Weekly* ,2009
