

Animal Rights and Moral Philosophy Julian H. Franklin

Animal Rights And Moral Philosophy

Mylan Engel Jr., Gary Lynn Comstock

Animal Rights And Moral Philosophy:

Animal Rights & Human Morality Bernard E. Rollin, 2010-12 It has been more than two decades since the first edition of this landmark book garnered public accolades for its sensitive yet honest and forthright approach to the many disquieting questions surrounding the emotional debate over animal rights. Is moral concern something owed by human beings only to human beings? Drawing upon his philosophical expertise, his extensive experience of working with animal issues all over the world, and his knowledge of biological science, Bernard E. Rollin, now widely recognized as the father of veterinary ethics, develops a compelling analysis of animal rights as it is emerging in society. The result is a sound basis for rational discussion and social policy development in this area of rapidly growing concern. He believes that society must elevate the moral status of animals and protect their rights as determined by their natures. His public speaking and published works have contributed to the passage of major federal legislation designed to increase the well-being of laboratory animals. This new third edition is greatly expanded and includes a new chapter on animal agriculture plus additional discussions of animal law, companion animal issues, genetic engineering, animal pain, animal research, and many other topics.

Animal Rights, Human Wrongs Tom Regan, 2003 What gives an animal rights? What makes product testing on animals wrong? In *Animal Rights, Human Wrongs*, prominent activist and philosopher Tom Regan skillfully puts forth the argument for animal rights through the exploration of two questions central to moral theory: What makes an act right? What makes an act wrong? Taking into consideration moral theories such as contractarianism, utilitarianism, and Kantian ethics, Regan provides the theoretical framework that grounds a responsible pro-animal rights perspective and ultimately explores how asking moral questions about other animals can lead to a better understanding of ourselves. The necessity of making a transition from moral theory to moral practice becomes startlingly clear as Regan examines the commonplace everyday choices that would be affected by believing in a moral theory that affirms the rights of animals. For the many people who have ever wondered what difference does it make if animals have rights, *Animal Rights, Human Wrongs* provides a provocative and intriguing answer. For a discussion of animal rights tailored to a more general audience, see *Empty Cages: Facing the Challenge of Animal Rights* (Rowman Littlefield, 2003).

Animal Rights and Moral Philosophy Julian H. Franklin, 2005 *Animal Rights and Moral Philosophy* examines the major arguments for animal rights proposed to date and adds a new dimension. Julian H. Franklin begins by considering the utilitarian argument of equal respect for animals associated with Peter Singer and the rights approach advanced by Tom Regan. Despite their merits, both positions are found too limited as theoretical foundations for animal rights. Franklin follows with a new interpretation of Kant's categorical imperative, showing that it can be expanded to provide the basis of a system of rights that includes all sentient beings. He also shows why other forms of rationalism cannot be similarly expanded. Franklin then critically discusses the concern for animals in doctrines of compassion, including the ecofeminist ethic of care and Albert Schweitzer's ethic of reverence for life. In a concluding chapter, he considers the conflict

between the rights of animals and humans to the environment and reflects on possible solutions

The Case for Animal Rights Tom Regan, 2004-09-17 Blending straightforward debate as well as moral concerns this scientific defence of animal rights has a new and fully considered preface in which the author responds to critics of his work

Animal Rights and Moral Philosophy Julian H. Franklin, 2005 This theoretically rigorous text examines all the major arguments for animal rights in order to develop an ethical system that includes humans and animals

[Animal Rights: A Very Short Introduction](#) David DeGrazia, 2002-02-21 By presenting models for understanding animals moral status and rights and examining their mental lives and welfare the author explores the implications for how we should treat animals in connection with our diet zoos and research

Animal Rights Mark Rowlands, 2025-02-11 A fresh view of animals and what we owe them Do animals have moral standing Do they count morally speaking In *Animal Rights* Mark Rowlands argues that they do and explores the implications of this idea He identifies three different waves in animal rights writing The first wave was defined by a traditional dispute between utilitarianism represented by Peter Singer and rights based approaches represented by Tom Regan to ethics The second wave was defined by an expansion in a conception of ethics which saw utilitarian and rights based approaches supplemented by other ethical traditions including contractualism virtue ethics and care ethics The third wave was defined by an expansion in our conception of animals driven by exciting new developments in the field of comparative psychology Each of these waves had ramifications for how we understand the moral status of animals but this book argues and reinforces the core idea that animals deserve moral respect In earlier waves discussions of animal ethics had been focused on the issue of animal suffering But the third wave is defined by the idea that animals are far more than merely sufferers or enjoyers of experiences but are instead authors of their own lives creatures capable of choosing how to live shaped by a conception of their life and how they would like it to go Rowlands writes that no matter what moral theory you choose the most plausible version of that theory entails that animals have moral standing and that our obligations to them are far more substantial than many of us care to acknowledge

The Moral Rights of Animals Mylan Engel Jr., Gary Lynn Comstock, 2016-03-16 Edited by Mylan Engel Jr and Gary Lynn Comstock this book employs different ethical lenses including classical deontology libertarianism commonsense morality virtue ethics utilitarianism and the capabilities approach to explore the philosophical basis for the strong animal rights view which holds that animals have moral rights equal in strength to the rights of humans while also addressing what are undoubtedly the most serious challenges to the strong animal rights stance including the challenges posed by rights nihilism the kind argument against animal rights the problem of predation and the comparative value of lives In addition contributors explore the practical import of animal rights both from a social policy standpoint and from the standpoint of personal ethical decisions concerning what to eat and whether to hunt animals Unlike other volumes on animal rights which focus primarily on the legal rights of animals and unlike other anthologies on animal ethics which tend to cover a wide variety of topics but only devote a few articles to each topic this

volume focuses exclusively on the question of whether animals have moral rights and the practical import of such rights The Moral Rights of Animals will be an indispensable resource for scholars teachers and students in the fields of animal ethics applied ethics ethical theory and human animal studies as well as animal rights advocates and policy makers interested in improving the treatment of animals **Animal Rights** Mark Rowlands,2016-04-30 In this 2nd edition the author has substantially revised his book throughout updating the moral arguments and adding a chapter on animal minds Importantly rather than being a polemic on animal rights this book is also a considered and imaginative evaluation of moral theory as explored through the issue of animal rights *Defending Animal Rights* Tom Regan,2001 He puts the issue of animal rights in historical context drawing parallels between animal rights activism and other social movements including the anti slavery movement in the nineteenth century and the gay lesbian struggle today He also outlines the challenges to animal rights posed by deep ecology and ecofeminism to using animals for human purposes and addresses the ethical dilemma of the animal rights advocate whose employer uses animals for research BOOK JACKET

Unveiling the Power of Verbal Artistry: An Mental Sojourn through **Animal Rights And Moral Philosophy**

In some sort of inundated with displays and the cacophony of quick connection, the profound energy and emotional resonance of verbal artistry frequently disappear in to obscurity, eclipsed by the constant barrage of noise and distractions. Yet, situated within the lyrical pages of **Animal Rights And Moral Philosophy**, a interesting work of fictional elegance that impulses with natural emotions, lies an memorable journey waiting to be embarked upon. Composed with a virtuoso wordsmith, this interesting opus manuals visitors on a mental odyssey, delicately revealing the latent potential and profound affect embedded within the complex internet of language. Within the heart-wrenching expanse of the evocative evaluation, we shall embark upon an introspective exploration of the book is main styles, dissect its interesting writing model, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.

Animal Rights And Moral Philosophy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Animal Rights And Moral Philosophy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Animal Rights And Moral Philosophy has opened up a world of possibilities. Downloading Animal Rights And Moral Philosophy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Animal Rights And Moral Philosophy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Animal Rights And Moral Philosophy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Animal Rights And Moral Philosophy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Animal Rights And Moral Philosophy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites

to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Animal Rights And Moral Philosophy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Animal Rights And Moral Philosophy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Animal Rights And Moral Philosophy is one of the best book in our library for free trial. We provide copy of Animal Rights And Moral Philosophy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Animal Rights And Moral Philosophy.
