Animism In Southeast Asia Routledge Contemporary Southeast Asia Series:

Animism in Southeast Asia Kaj Arhem, Guido Sprenger, 2015-11-19 Animism refers to ontologies or worldviews which assign agency and personhood to human and non human beings alike Recent years have seen a revival of this concept in anthropology where it is now discussed as an alternative to modern Western naturalistic notions of human environment relations Based on original fieldwork this book presents a number of case studies of animism from insular and peninsular Southeast Asia and offers a comprehensive overview of the phenomenon its diversity and underlying commonalities and its resilience in the face of powerful forces of change Critically engaging with the current standard notion of animism based on hunter gatherer and horticulturalist societies in other regions it examines the roles of life forces souls and spirits in local cosmologies and indigenous religion It proposes an expansion of the concept to societies featuring mixed farming sacrifice and hierarchy and explores the question of how non human agents are created through acts of attention and communication touching upon the relationship between animist ontologies world religion and the state Shedding new light on Southeast Asian religious ethnographic research the book is a significant contribution to anthropological theory and the revitalization of the concept of animism in the humanities and social sciences **Animism and Philosophy of Religion** Tiddy

Smith, 2023-02-25 Mainstream philosophy of religion has persistently failed to engage seriously or critically with animist beliefs and practices The field that is now called philosophy of religion could quite easily be renamed philosophy of theism with few lecturers on the subject having to change their lecture notes It is the aim of this volume to rectify that failure and to present animism as a live option among the plethora of religious worldviews The volume addresses four major questions 1 What is this thing called animism 2 Are there any arguments for or against animist belief and practice 3 What is the relationship between animism naturalism and the sciences And 4 Should we take animism seriously Animism and Philosophy of Religion is intended to be the first authoritative scholarly volume on the issue of animism and its place in the philosophy of religion Ambitiously it aims to act as the cornerstone volume for future work on the subject and as a key text for courses engaging with the subject The King and the Making of Modern Thailand Antonio Rappa, 2017-04-21 The making of

modern Thailand is grounded in specific political institutions Brahmanical tropes and sacred Buddhist traditions stylized with Hindu rituals Over and above these mysterious practices and ancient customs modern Thailand is a product of the late Great Rama IX Bhumibol Adulyadej Most Thai people have only known one King Born in Europe and educated during World War II Bhumibol was the son of a Harvard medical doctor who had a penchant for jazz music and fast cars When he returned to Thailand in 1951 to assume his royal duties he could hardly speak Thai but his French and German were remarkable Bhumibol had inherited an impoverished country with nothing but a symbolic role as a figurehead monarch He was surrounded by envious courtiers and royals from other families now sidelined by the rise of the Chakri Scheming generals and authoritarian field marshals were emptying the Kingdom's coffers Using guile and wit Bhumibol had turned the tide by

1973 He became the most powerful modern warlord in the history of the Kingdom He survived attempted murder crafty politicians corrupt generals sycophantic courtiers and impoverished masses When he died on October 13 2016 Bhumibol was already the longest standing monarch in the world King Bhumibol was deeply respected and well liked by farang and locals alike Despite his massive social and economic achievements many problems continue to plague the Kingdom These are prostitution human rights issues pollution corruption cronyism in Chinese businesses border conflicts with Cambodia and the refugee problem This book examines the role of Rama IX and the variegated set of problems that persist in life under the great white elephant and mango trees Rappa draws from his primary research that includes interviews surveys and first hand observations of a remarkable kingdom and a uniquely remarkable king to reveal the internal security threats to democracy and civil society in the oldest Southeast Asian kingdom in late modernity Amerindian Socio-Cosmologies between the Andes, Amazonia and Mesoamerica Ernst Halbmayer, 2020-01-10 This book offers a new anthropological understanding of the socio cosmological and ontological characteristics of the Isthmo Colombian Area beyond established theories for Amazonia the Andes and Mesoamerica It focuses on a core region that has been largely neglected by comparative anthropology in recent decades Centering on relations between Chibchan groups and their neighbors the contributions consider prevailing socio cosmological principles and their relationship to Amazonian animism and Mesoamerican and Andean analogism Classical notions of area homogeneity are reconsidered and the book formulates an overarching proposal for how to make sense of the heterogeneity of the region s indigenous groups Drawing on original fieldwork and comparative analysis the volume provides a valuable anthropological addition to archaeological and linguistic knowledge of the Isthmo Colombian Area Nation-Building and National Identity in Timor-Leste Michael Leach, 2016-12-08 Timor Leste s long journey to nationhood spans 450 years of colonial rule by Portugal a short lived independence in 1975 and a 24 year occupation by Indonesia This book examines the history of nation building and national identity in Timor Leste and the evolution of a collective identity through two consecutive colonial occupations and into the post independence era It charts the evolution of the idea of an East Timorese nation its origins its sources and its competitors in traditional understandings of political community and the distinct colonial visions imposed by Portugal or Indonesia The author analyses the evolution of ideas of collective identity under the long era of Portuguese colonial rule and through the 24 year struggle for independence from Indonesia from 1975 to 1999 Reflecting the contested history of the territory these include successive attempts to define its members as colonial subjects in a wider pluri racial Portuguese empire as citizens in an integrated province of the Republic of Indonesia and of course as a nation that demanded its right to self determination Finally the host of nation building tensions and fault lines that emerged after the restoration of independence in 2002 are discussed Examining the history of debates and conflict over national identity national history cultural heritage language policy and relationships between distinct regions generations and language groups this book will be of interest to academics in the fields of Asian

studies nationalism studies and international and community development Transformative Jars Anna Grasskamp, Anne Gerritsen, 2022-12-01 The term jar refers to any man made shape with the capacity to enclose something Few objects are as universal and multi functional as a jar regardless of whether they contain food or drink matter or a void life giving medicine or the ashes of the deceased As ubiquitous as they may seem such containers storage vessels and urns are as this book demonstrates highly significant cultural and historical artefacts that mediate between content and environment exterior worlds and interior enclosures local and global this worldly and otherworldly realms The contributors to this volume understand jars not only as household utensils or evidence of human civilizations but also as artefacts in their own right Asian jars are culturally and aesthetically defined crafted goods and as objects charged with spiritual meanings and ritual significance Transformative Jars situates Asian jars in a global context and focuses on relationships between the filling emptying and re filling of jars with a variety of contents and meanings through time and throughout space Transformative Jars brings together an interdisciplinary team of scholars with backgrounds in curating art history and anthropology to offer perspectives that go beyond archaeological approaches with detailed analyses of a broad range of objects By looking at jars as things in the hands of makers users and collectors this book presents these objects as agents of change in cultures of craftsmanship and consumption *Dogs, Past and Present* Ivana Fiore, Francesca Lugli, 2023-09-07 This volume gathers contributions from scholars from a variety of disciplines to provide a comprehensive assessment of the importance of dogs through history There is a focus on the necessity of an interdisciplinary perspective to fully understand the fundamental role that dogs have played in our past Maritime Security and Indonesia Senia Febrica, 2017-03-27 Indonesia is the largest archipelago state in the world comprising 17 480 islands with a maritime territory measuring close to 6 million square kilometres It is located between the two key shipping routes of the Pacific and Indian Ocean Indonesia s cooperation in maritime security initiatives is vitally important because half of the world s trading goods and oil pass through Indonesian waters including the Straits of Malacca the Strait of Sunda and the Strait of Lombok This book analyses Indonesia s participation in international maritime security cooperation Using Indonesia as a case study the book adopts mixed methods to assess emerging power cooperation and non cooperation drawing from various International Relations theories and the bureaucratic politics approach It addresses not only the topic of Indonesia s cooperation but also engages in debates across the International Relations political science and policy studies disciplines regarding state cooperation Based on extensive primary Indonesian language sources and original interviews the author offers a conceptual discussion on the reasons underlying emerging middle power participation or non participation in cooperation agreements The analysis offers a fresh perspective on the growing problems of maritime terrorism and sea robbery and how an emerging power deals with these threats at unilateral bilateral regional and multilateral levels The book fills a significant gap in literature on Indonesian foreign policy making in the post 1998 era It provides the first in depth study of Indonesia s decision making process in the

area of maritime security and will thus be of interest to researchers in the field of comparative politics international relations security policy maritime cooperation port and shipping businesses and Southeast Asian politics and society Religion in Southeast Asia Jesudas M.
