Angels Among Us, *Angels Among Us* Bryan Alan Stewart, 2021-07-22

About the Book: Have you ever seen a shifting shadow when no one else is around? Perhaps in your peripheral vision you caught sight of a glimmering glow or a radiant white light. Or maybe you have heard a voice call your name, speak a command, or word of warning, a clear audible voice that causes you to turn your head to see who is talking, only to find that there is nobody there, nobody that you can see with the natural eye. Was there ever a time where you were delayed due to unforeseen circumstances? Maybe at that moment the situation caused stress or frustration due to impatience, but the delay was sparing you from an accident down the road. Have you ever felt the urge to help another human in need with an act of kindness? In all of life's experiences, things are going on behind the scenes, unseen, including the working of angels. We may not see them other than in glimpses or through revelation, but they are there. They are invisible friends, more for us than against us. Myriads upon myriads and thousands upon ten thousands, there are more of them than can be numbered. They bring help to those who call out for healing, encouragement, peace, and protection, all at God's bidding. In a time such as this, it is comforting to know there are angels among us.

Angels Among Us Marie McCluskey, 2018-12-31

Have you ever felt like angels were involved in a situation in your own life? Were they visible? Did you feel their touch? How did they impact your life? *Angels Among Us* not only describes the different levels and tasks of angels but it also gives account of encounters with angels in daily life. There are also people who impact our lives and they seem to be like an angel to us. There are stories and poems written about several people who impacted Marie's life. This literary work incorporates the words to the song with the same title and it also contains excerpts from a book by a well-known author.
