Wilson, 2019-12-09 Why do you believe in God Why do you believe in the Bible Why do you believe in miracles These are questions that Christians are often asked by sceptics The field of apologetics attempts to provide rational answers to these and other questions Unfortunately apologetical answers to these questions are often abstract and philosophical However the Christian apologist evangelist has a much more powerful argument in their arsenal the argument from miracles Miracles are the original Christian apologetic It was through the witnessing of miracles that Christianity was originally spread By applying modern tools of philosophical inquiry and scientific methodology Wilson is able to establish a core set of miracles which defy naturalistic explanations and strongly point toward occurrences of Special Divine Action SDA However once these occurrences are proven to be genuine miracles several questions remain Why does God sometimes perform miracles Why does he often answer no How do these random acts fit into his overall plans of redemption By answering these and other questions Wilson develops a comprehensive apologetic for both Christianity in general and the Renewal Movement in particular *The Sword and the Mask* Jon C. Furgeson, 2022-08-12 Is spiritual warfare real Is it just a metaphor for social justice Do territorial spirits have a stranglehold on the planet What does the Christian do with the rising fascination with the supernatural in Western culture Does any of this matter for daily life With meticulous care Jon Furgeson dives into the sea of perspectives and voices in the church and Western culture bringing the reader on a journey to gain perspective After clearing the clutter and the confusion he presents a bold new yet faithful way to understand spiritual warfare to see how it affects every person to the foundations of who they are and how the Spirit of God
