Animal Presences James Hillman, 2008-08-15 Since the 1980s James Hillman the best selling author and founder of Archetypal Psychology has written and lectured extensively on the presence of animals in our conscious and unconscious lives Volume 9 of the Uniform Edition of the Writings of James Hillman unites for the first time his papers and lectures on the subjects of animals including Animal Kingdom in the Human Dream 1982 Dream Animals 1997 Culture and the Animal Soul 1994 1997 and Learning from Animals 1999

The Life and Ideas of James Hillman Dick Russell, 2013-05-09 Considered to be the world's foremost post Jungian thinker James Hillman is known as the founder of archetypal psychology and the author of more than twenty books including the bestselling title The Soul's Code In The Making of a Psychologist we follow Hillman from his youth in the heyday of Atlantic City through post war Paris and Dublin travels in Africa and Kashmir and onward to Zurich and the Jung Institute which appointed him its first director of studies in 1960 This first of a two volume authorized biography is the result of hundreds of hours of interviews with Hillman and others over a seven year period Discover how Hillman's unique psychology was forged through his life experiences and found its basis in the imagination aesthetics a return to the Greek pantheon and the importance of soul making and gain a better understanding of the mind of one of the most brilliant psychologists of the twentieth century

Depth Psychology, Cult Survivors, and the Role of the Daimon Linda R. Quennec, 2024-06-10 This book explores the possibilities that exist for navigating out of and away from multiple levels of oppression through memoir based research It considers how those raised in oppressive high demand communities colloquially referred to as cults can emancipate themselves from controls and expectations inculcated from early childhood and examines processes surrounding the psychological reclamation of self Exploring and metaphorically tending to an orienting psychological dynamic that the ancient Greeks related to as the daimon and using the perspectives of Jungian and post Jungian depth psychology the author investigates how subjects can reclaim agency and avoid excessive control over their thoughts attention and life's intentions They suggest that depth psychologically oriented modes can be used to this attunement and explore this notion through a study of memoirs of individuals who were raised in cults Suggesting a more aligned approach to working with varying levels of psychological constraint and utilizing a phenomenological hermeneutic study it will appeal to scholars and professionals in depth psychology and other psychological orientations as well as individuals who are interested in more deeply understanding the psychological mechanisms involved in leaving a high demand group or other oppressive situations

The Familiar, Volume 4 Mark Z. Danielewski, 2017-02-07 Mark Z Danielewski's The Familiar Volume 4 brilliantly combines inventive visuals and a paradigm shifting narrative to create a stunning multisensory reading experience The Familiar Volume 1 Wherein the cat is found The Familiar Volume 2 Wherein the cat is hungry The Familiar Volume 3 Wherein the cat is blind The Familiar Volume 4 Wherein the cat is toothless When a viral video puts twelve year old Xanther under a spotlight of scrutiny at school her little white cat still slumbering

still unnamed offers the only escape though it comes at a price Not even Xanther s parents can deny the strange currents now shuddering around their eldest touching off inexplicable happenings Entities troubling the dreams of the twins seem to have singled out Freya Despite invitations to a gala at The Met Anwar fears the solution to their financial difficulties might expose more than just his family to dangerous consequences Something greater is at hand something terrible is at stake And all the while faces unfamiliar to the Ibrahims draw closer and closer Jingjing in Singapore clutching charms boards a plane for Los Angeles Cas and Bobby with visions of Xanther in Mefisto s Orb must elude attacks from the sky Strangers collide though will those intersections lead to alliances or war And does the dance at the center of Volume 4 augur the liberation of our better angels or the release of a creature set to feast on the wings of hope THE FAMILIAR continues The Familiar Volume 5 Wherein the cat is named

Depth Psychology and Climate Change Dale Mathers,2020-11-29 Depth Psychology and Climate Change offers a sensitive and insightful look at how ideas from depth psychology can move us beyond psychological overwhelm when facing the ecological disaster of climate change and its denial Integrating ideas from disciplines including anthropology politics spirituality mythology and philosophy contributors consider how climate change affects psychological well being and how we can place hope and radical uncertainty alongside rage and despair The book explores symbols of transformation myths and futures and is structured to encourage regular reflection Each contributor brings their own perspective green politics change and loss climate change denial consumerism and our connection to nature suggesting responses to mental suffering arising from an unstable and uncertain international outlook They examine how subsequent changes in consciousness can develop This book will be essential reading for analytical psychologists Jungian analysts and psychotherapists as well as academics and students of Jungian and post Jungian studies It will also be of great interest to academics and students of the politics and policy of climate change anthropology myth and symbolism and ecopsychology and to anyone seeking a new perspective on the climate emergency

Radical Regeneration Andrew Harvey,Carolyn Baker,2022-11-29 An inspiring manual for navigating humanity s collective dark night and enacting personal and planetary transformation Explores how Sacred Activism specifically creative wise sacredly inspired action offers an antidote to the crises facing our world Reveals how to uncover and sustain joy and how to use it as fuel for continuing Sacred Activism in dangerous times Includes practical maps of the dark night process and of the four part path to transfiguration drawn from the secret depths of the mystical traditions Presenting a manual for navigating humanity s collective dark night Andrew Harvey and Carolyn Baker explore potential antidotes drawn from mystical traditions and Sacred Activism to help us find inspiration and take action in the face of the daunting challenges to our world Offering a deep discussion of our global dark night in terms of the Kali Yuga the authors examine the dangers of a growing constellation of intractable crises authoritarianism both in America and abroad climate change economic inequality social upheaval and spiritual malaise They then explore the antidotes to these crises Sacred Activism specifically creative wise sacredly inspired action and a profound

understanding of our evolutionary ordeal and its potentialities Examining the power of joy to help enact personal and planetary transformation they explain how joy or ananda is a force all mystical traditions recognize as the essence of the Divine They reveal how to uncover and sustain joy in ourselves and how to use joy as fuel for continuing Sacred Activism in dangerous times Drawing on the visionary teachings of mystics such as Pierre Teilhard de Chardin and Sri Aurobindo the authors show how the global dark night is part of an evolutionary mutation process and how its very intensity makes it the potential seedbed of a new embodied divine humanity They offer practical maps of the crises of the shadows that this global dark night is casting and of the four part path to transfiguration drawn from mystical traditions Sharing a vision of a new and focused global moment of love in action the authors reveal that apocalypse is not inevitable if enough people awaken to the extraordinary possibilities of Sacred Activism

Sanctuary Valerie Andrews, 2024-05-15 If you want to get to know someone listen to their story of home Intimacy builds as we ask Where do you come from What did you leave behind Where do you feel safe In Sanctuary these questions are explored by Jungian analysts architects and historians scientists and storytellers Contributors also consider how climate change Black Lives Matter and an unprecedented wave of global refugees are impacting our notions of home and hospitality
