Andrew Johnson A Biographical Companion Biographical Companions

Daniel S. Burt

Andrew Johnson A Biographical Companion Biographical Companions:

Andrew Johnson Glenna R. Schroeder-Lein, Richard Zuczek, 2001-06-22 This A Z encyclopedia provides carefully selected entries covering the people events and concepts relevant to Andrew Johnson s life Andrew Johnson was and is an American paradox He never attended school yet fought for public education He was a Southern slaveholder who opposed secession and enforced emancipation Born into poverty he became the 17th president of the United States and the first U S president to be impeached This new volume thoroughly examines the troubled career of our most unpopular president not to resuscitate his reputation but because his personal contradictions reflected those of his country a democratic nation conceived in liberty yet existing half slave and half free an economy of yeoman farmers and independent artisans being swept into industrialization and a market system a country fond of tradition but caught up in social economic and political revolution **The Civil War**

and the Transformation of American Citizenship Paul D. Quigley, 2018-06-04 The meanings and practices of American citizenship were as contested during the Civil War era as they are today By examining a variety of perspectives from prominent lawmakers in Washington D C to enslaved women from black firemen in southern cities to Confederate migr s in Latin America The Civil War and the Transformation of American Citizenship offers a wide ranging exploration of citizenship s metamorphoses amid the extended crises of war and emancipation Americans in the antebellum era considered citizenship at its most basic level as a legal status acquired through birth or naturalization and one that offered certain rights in exchange for specific obligations Yet throughout the Civil War period the boundaries and consequences of what it meant to be a citizen remained in flux At the beginning of the war Confederates relinquished their status as U S citizens only to be mostly reabsorbed as full American citizens in its aftermath The Reconstruction years also saw African American men acquire at least in theory the core rights of citizenship As these changes swept across the nation Americans debated the parameters of citizenship the possibility of adopting or rejecting citizenship at will and the relative importance of political privileges economic opportunity and cultural belonging Ongoing inequities between races and genders over the course of the Civil War and in the years that followed further shaped these contentious debates The Civil War and the Transformation of American Citizenship reveals how war Emancipation and Reconstruction forced the country to rethink the concept of citizenship not only in legal and constitutional terms but also within the context of the lives of everyday Americans from imprisoned Confederates to former slaves **George Washington**

Frank E. Grizzard Jr., 2002-05-22 This encyclopedia offers an A Z retrospective of George Washington s life career and historical significance based in large part on Washington s own words and those of his contemporaries George Washington dominated his era like few other Americans Yet the complexity of the historic events he was involved in and the sheer magnitude of his correspondence the most voluminous in colonial America can be overwhelming for researchers The goal of this volume is to make the larger than life figure of George Washington accessible to modern researchers In its 200 entries readers will discover a detailed and surprising portrait

Washington was not a cold aloof and unknowable man but was extremely convivial by nature a general who commanded the Continental army without pay but was a better administrator than military strategist a man of deeds whose appearance was according to one contemporary truly noble and majestic a man known to his contemporaries for his complete honesty

Winston Churchill Chris Wrigley,2002-10-04 This illustrated A Z biographical companion presents information about all aspects of Winston Churchill s remarkable career spotlighting the events and people with whom he was most closely associated When Winston Churchill was still in his teens he was already a man in a hurry partly due to his fear that like his father he would die young Born into aristocratic politics he sought glory through battle as a means to secure a position in politics fame and money through the writing of books To promote their careers both he and his father made full use of their family connections and the allure of their social life Among the telling details revealed are that his mother Jennie Jerome Lady Randolph was an American heiress and was his major adviser and reliable friend when he was younger and that his wife Clementine disliked and distrusted many of Winston s political cronies This A Z biographical dictionary covers everything from his grandiose spending trademark agar and whiskey sodas and silk underwear to his mother s many marriages and affairs and his relationships with Edward VIII and Queen Elizabeth II Queen Victoria Helen Rappaport,2003-05-05 This resource covers the life times and relationships of Queen Victoria providing information about her children her personal interests the historic times in which she ruled and the leaders she influenced In this fascinating guide to every aspect of Queen Victoria s life author Helen Rappaport analyzes the queen s personality celebrates her achievements and details the shortcomings of her empire both in Britain with its continuing divide between rich and poor and overseas where Britain s great empire was won by repression and exploitation A Z entries including topics barely touched in standard biographies cover things like the various assassination attempts on her life her interest in dancing and Jack the Ripper s murders and how her husband Prince Albert introduced the celebration of Christmas to England Queen Victoria also describes individuals such as her companion Lady Jane Churchill her physician Sir James Clark and politicians such as William Gladstone and Benjamin Disraeli events like the Irish potato famine inventions like steam power and issues such as missionary activity and prostitution It also includes bibliographies both for each entry and overall and a chronology **American Reference Books Annual, 2002** Bohdan S. Wynar,Libraries Unlimited,2002-05 This source of information on contemporary American reference works is intended for the library and information community It has nearly 1600 descriptive and evaluative entries and reviews material from more than 300 publishers in nearly 500 subject areas It should help the user keep abreast of reference publications in all fields answer everyday questions and build up reference collections American Reference Books Annual Bohdan S. Wynar,2007 1970 issued in 2 vols v 1 General reference social sciences history economics business v 2 Fine arts humanities science and engineering Presidential Foreign Language Trivia Gregory J. Nedved,2016-08-12 Ive seen trivia books about presidents covering every topic imaginableexcept for foreign languages Now we have a presidential

trivia book for that This book provides at least two language related trivia items for every US president Samples were easy to find for many of them e g Thomas Jefferson John Quincy Adams Theodore Roosevelt while harder for others Rutherford Hayes William McKinley William Howard Taft I provide a source at least one for every item in this book Enjoy The Biography Book Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals *Forthcoming Books* Rose Arny, 2002
