Angelic Troublemakers Religion And Anarchism In America Contemporary Anarchist Studies:

Angelic Troublemakers A. Terrance Wiley, 2014-01-02 *Angelic Troublemakers* is the first detailed account of what happens when religious ethics political philosophy and the anarchist spirit intermingle Wiley deftly captures the ideals that inspired three revered heroes of nonviolent disobedience Henry Thoreau Dorothy Day and Bayard Rustin Resistance to slavery empire and capital is a way of life a transnational tradition of thought and action This book is a must read for anyone interested in religion ethics politics or law

The Palgrave Handbook of Anarchism Carl Levy, Matthew S. Adams, 2018-06-22 This handbook unites leading scholars from around the world in exploring anarchism as a political ideology from an examination of its core principles an analysis of its history and an assessment of its contribution to the struggles that face humanity today Grounded in a conceptual and historical approach each entry charts what is distinctive about the anarchist response to particular intellectual political cultural and social phenomena and considers how these values have changed over time At its heart is a sustained process of conceptual definition and an extended examination of the core claims of this frequently misunderstood political tradition It is the definitive scholarly reference work on anarchism as a political ideology and should be a crucial text for scholars students and activists alike

Contemporary Anarchist Studies Randall Amster, Abraham DeLeon, Luis Fernandez, Anthony J. Nocella, II, Deric Shannon, 2009-02-10 This volume of collected essays by some of the most prominent academics studying anarchism bridges the gap between anarchist activism on the streets and anarchist theory in the academy Focusing on anarchist theory pedagogy methodologies praxis and the future this edition will strike a chord for anyone interested in radical social change This interdisciplinary work highlights connections between anarchism and other perspectives such as feminism queer theory critical race theory disability studies post modernism and post structuralism animal liberation and environmental justice Featuring original articles this volume brings together a wide variety of anarchist voices whilst stressing anarchism s tradition of dissent This book is a must buy for the critical teacher student and activist interested in the state of the art of anarchism studies

Religious Anarchism Alexandre J. M. E. Christoyannopoulos, 2009-10-02 Both religion and anarchism have been increasingly politically active of late This edited volume presents twelve chapters of fresh scholarship on diverse facets of the area where they meet religious anarchism The book is structured along three themes early Christian anarchist pioneers including Pelagius Coppe Hungarian Nazarenes and Dutch Christian anarchists Christian anarchist reflections on specific topics such as Kierkegaardian indifference Romans 13 Dalit religious practice and resistance to race and nation religious anarchism in other traditions ranging from Wu Nengzi s Daoism and Rexroth s Zen Buddhism to various currents of Islam including an original Anarca Islamic clinic This unique book therefore furthers scholarship on anarchism on millenarian and revolutionary thinkers and movements and on religion and politics It is also of value to members of the wider public interested in radical politics and in the political implications of religion And of course it is relevant to those interested in any of the specific themes and thinkers

focused on within individual chapters In short this book presents a range of innovative perspectives on a web of topics that while held together by the common thread of religious anarchism also speaks to numerous broader themes which have been increasingly prominent in the twenty first century

Anarchism Joan Nordquist,1999 *Contemporary Anarchist Studies*,2011

No Masters But God Hayyim Rothman,2023-02-14 No masters but God constitutes an in depth study in the writings of a transnational constellation of rabbis scholars activists and theologians active during the late nineteenth and early twentieth centuries It explores how through the lense of biblical rabbinic and kabbalistic literature they developed themes of anti authoritarianism antinomianism nationalism and pacifism

That Holy Anarchist Mark Van Steenwyk,Ched Myers,2012-06-25 In *That Holy Anarchist* Mark Van Steenwyk explores the relationship between Christianity and anarchism The name of Jesus is invoked by those in power as well as those resisting that power What were the politics of Jesus and how can they continue to inform us as we struggle for justice

Occult Features of Anarchism Erica Lagalisse,2019-02-01 In the nineteenth century anarchists were accused of conspiracy by governments afraid of revolution but in the current century various conspiracy theories suggest that anarchists are controlled by government itself The Illuminati were a network of intellectuals who argued for self government and against private property yet the public is now often told that they were and are the very group that controls governments and defends private property around the world Intervening in such misinformation Lagalisse works with primary and secondary sources in multiple languages to set straight the history of the Left and illustrate the actual relationship between revolutionism pantheistic occult philosophy and the clandestine fraternity Exploring hidden correspondences between anarchism Renaissance magic and New Age movements Lagalisse also advances critical scholarship regarding leftist attachments to secular politics Inspired by anthropological fieldwork within today s anarchist movements her essay challenges anarchist atheism insofar as it poses practical challenges for coalition politics in today s world Studying anarchism as a historical object *Occult Features of Anarchism* also shows how the development of leftist theory and practice within clandestine masculine public spheres continues to inform contemporary anarchist understandings of the political in which men s oppression by the state becomes the prototype for power in general Readers behold how gender and religion become privatized in radical counterculture a historical process intimately linked to the privatization of gender and religion by the modern nation state
