Angels In The Architecture A Protestant Vision For Middle Earth:

Angels in the Architecture Douglas Jones, Douglas Wilson, 1998 Christianity presents a glorious vision of culture a vision overflowing with truth beauty and goodness It s a vision that stands in stark conflict with the anemic modern and postmodern perspectives that dominate contemporary life Medieval Christianity began telling a beautiful story about the good life but it was silenced in mid sentence The Reformation rescued truth but its modern grandchildren have often ignored the importance of a medieval grasp of the good life This book sketches a vision of medieval Protestantism a personal and cultural vision that embraces the fullness of Christian truth beauty and goodness This volume is a breath of fresh air in our polluted religious environment Hopefully many readers will breathe deeply of its contents and be energized The Presbyterian Witness A delightful apologetic for a Protestant cultural vision before you write off these two as mere obscurantist Reformed types take care I found that some of my objections were on the surface more modern than biblical Gregory Alan Thornbury Carl F Henry Center for Christian Leadership T his book cries out against the bland purely spiritualized Christianity to which so many of us have become accustomed I highly recommend it David Kind Pilgrimage Concordia Theological Seminary

Survival and Resistance in Evangelical America Crawford Gribben, 2021-02-23 Over the last thirty years conservative evangelicals have been moving to the Northwest of the United States where they hope to resist the impact of secular modernity and to survive the breakdown of society they anticipate This book examines the origins evolution and cultural reach of the migration and considers what it might tell us about the future of American evangelicalism Everyday

Theology (Cultural Exegesis) Kevin J. Vanhoozer, Charles A. Anderson, Michael J. Sleasman, 2007-03-01 Everyday theology is the reflective and practical task of living each day as faithful disciples of Jesus Christ In other words theology is not just for Sundays and it s not just for professional theologians Everyday Theology teaches all Christians how to get the theological lay of the land It enables them to become more conscious of the culture they inhabit every day so that they can understand how it affects them and how they can affect it If theology is the ministry of the Word to the world everyday theologians need to know something about that world and Everyday Theology shows them how to understand their culture make an impact on it Engaging and full of fresh young voices this book is the first in the new Cultural Exegesis series *The Hospitable Leader* Terry A. Smith, 2018-10-02 Successful leaders today don t dictate they invite They don t dismiss they welcome They don t neglect they care Now more than ever we must pay attention to the soft side of leadership if we want hard results As leaders from parents to CEOs we must learn gracious leadership to truly positively change our spheres of influence In this passionate powerful book pastor and leadership mentor Terry Smith fleshes out five vital principles you need to become a hospitable leader He shows that this type of leadership is not superficial niceness or allowing people to do whatever they want Hospitable leadership is result oriented because it s motivated by genuine love It s how you create environments where people and dreams can thrive where vision turns to action and where great things happen regularly Here is everything you

need to become the type of leader people want to follow *Mother Kirk* Douglas Wilson, 2001 Modern evangelicals have gained money power and influence and it has been like giving whiskey to a two year old The need of the hour is theological not political The arena is the pulpit and the table not the legislative chamber Before we are equipped to proclaim His lordship to the inhabitants of all the earth we must live as though we believed it in the Church Mother Kirk presents a very practical and pastoral guide to many of the countless issues that arise in conservative Christian churches The essays span subjects ranging from the nature of legalism and church authority to worship music debt youth ministry and pastoral character

The Mantra of Jabez Douglas Jones, 2001 Bruce Wilkinson s best selling book The Prayer of Jabez is so popular with Evangelicals it just had to be bad Wilkinson told us to be gimpers for God Jones shows us how to be kippers for God In this parody the conservative Christian author allows humor to reveal the more ridiculous assumptions driving the original book Each chapter of the original is turned inside out so that we can really see what s being said Though the parody is rather ruthless in its humor it is not hopelessly cynical just for the sake of mockery It points to a more constructive vision a vision of Christianity s inherent riches of truth beauty and goodness that the original Jabez book passively trivializes Get this parody for the laughs get it for something greater

The Shape of Sola Scriptura Keith A. Mathison, 2001 In what shape do we find the doctrine of sola Scriptura today Many modern Evangelicals see it as a license to ignore history and the creeds in favor of a more splintered approach to the Christian living In the past two decades Roman Catholic and Eastern Orthodox apologists have strongly tried to undermine sola Scriptura as unbiblical unhistorical and impractical But these groups rest their cases on a recent false take on sola Scriptura The ancient medieval and classical Protestant view of sola Scriptura actually has a quite different shape than most opponents and defenders maintain Therein lies the goal of this book an intriguing defense of the ancient and classical Protestant doctrine of sola Scriptura against the claims of Rome the East and modern Evangelicalism The issue of sola Scriptura is not an abstract problem relevant only to the sixteenth century

Reformation but one that poses increasingly more serious consequences for contemporary Christianity This work by Keith Mathison is the finest and most comprehensive treatment of the matter I ve seen I highly recommend it to all who embrace the authority of sacred Scripture R C Sproul Ligonier Ministries

To You and Your Children Benjamin K. Wikner, 2004 Scripture promises that God s people shall not labor in vain nor bring forth children for trouble for they shall be the descendants of the blessed of the Lord and their offspring with them Is 65 22 23 and that Christ will turn the hearts of the children to their fathers Mal 4 6 Yet Christian parents today face a disturbing exodus of their children from the Church to the world Why is this What is the place of children within the faith What do the promises mean Recognizing that this subject is fraught with difficulty and grief the twelve contributors to this volume seek to address the hard questions and lay a biblical foundation of hope for our children Contributors include Timothy Bayly Joel Belz Randy Booth David Hagopian Douglas Jones Dr Nelson D Kloosterman Dr Charles Alan McIlhenny Dr Robert S Rayburn G Mark Sumpter Tom Trouwborst Benjamin K

Wikner and Douglas Wilson Disciplines of a Godly Woman Barbara Hughes, 2006 Hughes helps women to scrutinize their lives and tells their poignant stories with faithful reminders to develop the godly character they desire Women s Issues

Whatever Happened to The Gospel of Grace? James Montgomery Boice, 2009-04-01 Combines a serious examination of the state of today s church and a powerful solution reclaiming the gospel of grace found in the confessional truths of the Reformation Though the Christian church has achieved a worldly sort of success big numbers big budgets big outreaches these are not good days for evangelicalism Attendance is down and it is increasingly difficult to distinguish so called believers from their non Christian neighbors all because the gospel of grace has been neglected In this work now in paperback the late James Montgomery Boice identifies what s happened within evangelicalism and suggests how the confessional statements of the Reformation Scripture alone Christ alone grace alone faith alone and glory to God alone can ignite full scale revival A church without these convictions has ceased to be a true church whatever else it may be he wrote but if we hold to these doctrines our churches and those we influence will grow strong
