Animal Farm George Orwell, 2009 This is a classic tale of humanity awash in totalitarianism A farm is taken over by its overworked mistreated animals With flaming idealism and stirring slogans they set out to create a paradise of progress justice and equality First published during the epoch of Stalinist Russia today it is clear that wherever and whenever freedom is attacked and under whatever banner the cutting clarity and savage comedy of Orwell s masterpiece is a message still ferociously fresh

Animal Farm , 2019 A beautiful graphic adaptation of George Orwell s timeless and timely allegorical novel All animals are equal but some animals are more equal than others In 1945 George Orwell called the conscience of his generation created an enduring devastating story of new tyranny replacing old and power corrupting even the noblest of causes Today it is all too clear that Orwell s masterpiece is still fiercely relevant wherever cults of personality thrive truths are twisted by those in power and freedom is under attack Now in this fully authorized edition the artist Odyr translates the world and message of *Animal Farm* into a gorgeously imagined graphic novel Old Major Napoleon Squealer Snowball Boxer and all the animals of *Animal Farm* come to life in this newly envisaged classic From his individual brushstrokes to the freedom of his page design Odyr s adaptation seamlessly moves between satire and fable and will appeal to all ages just as Orwell intended
