Animal Heroes (Annotated) Ernest Thompson Seton, 2015-11-13 A hero is an individual of unusual gifts and achievements. Whether it be man or animal, this definition applies and it is the histories of such that appeal to the imagination and to the hearts of those who hear them. In this volume every one of the stories though more or less composite is founded on the actual life of a veritable animal hero. The most composite is the White Reindeer. This story I wrote by Utrova in Norway during the summer of 1900 while the Reindeer herds grazed in sight on the near uplands *Animal Heroes* Ernest Thompson Seton, 2020-03-18 We passed through the side door of a big stable on West Nineteenth Street. The mild smell of the well kept stalls was lost in the sweet odor of hay as we mounted a ladder and entered the long garret. The south end was walled off and the familiar Coo oo cooooo oo ruk at a coo varied with the whirr whirr whirr of wings informed us that we were at the pigeon loft. This was the home of a famous lot of birds and to day there was to be a race among fifty of the youngsters. The owner of the loft had asked me as an unprejudiced outsider to be judge in the contest. It was a training race of the young birds. They had been taken out for short distances with their parents once or twice then set free to return to the loft. Now for the first time they were to be flown without the old ones. The point of start Elizabeth N J was a long journey for their first unaided attempt. But then the trainer remarked that s how we weed out the fools only the best birds make it and that s all we want back **Western Animal Heroes** Ernest Thompson Seton, 2005 Naturalist Ernest Thompson Seton created a new literary form when he began writing stories about his adventures with wild animals in the 1890s. His first stories were compiled in the book *Wild Animals I Have Known* that became popular throughout the United States and Canada. The stories are spellbinding chronicles of wild animal courage, intelligence and endurance as they valiantly attempt to escape the traps, poisons, guns and lariats of their human pursuers. Seton was renowned for his scientific studies of American wildlife. His stories about wild animals however were a mix of fact and fiction that heightened the drama of each animal's life or death struggle. During the 1890s Seton traveled to the American West and from his experiences wrote the thrilling tales contained in this collection. The exploits of Lobo wolf, The Pacing Mustang, Tito coyote, Monarch grizzly, Coaly Bay horse, Johnny Bear and Badlands Billy wolf are presented in their entirety along with many of Seton's drawings. Stephen Zimmer was Director of the Seton Memorial Library at Philmont Scout Ranch at Cimarron, New Mexico for twenty years. For this collection he contributed a biographical introduction of Ernest Thompson Seton and the historical background for each story **Animal Heroes: Being the Histories of a Cat, a Dog, a Pigeon, a Lynx, Two Wolves & a Reindeer and in Elucidation of the Same**
