THE BEAM-DOWNLOAD FROM THE 5th DIMENSION NELSON LYNCH,H.D. LYNCH,2012-03-18 In our universe there are countless galaxies each weaving a tale of enduring beauty and magnificence within that tale there are cascades of stars and ordered planets There are also multitudes of beings who walk these worlds many who have suffered great loss in times of upheaval in the universal order In these dimensions of shining stars and galactic basins they have endured These entities have existed throughout eons of time experiencing countless incarnations they have become the masters of the universe These are the eternal ones becoming the narrators of both time and space They are among you now and will share these stories of universal challenge and triumph with you all I am that which you seek In these realms I am known as Quazaar I have had many names in these your eons of time At this moment this one suits me well You may be thinking who am I I am a energy life force that exist within the multiversity of infinite possibilities inside and simultaneously outside of time

Copyright Vigilantes Ezra Claverie,2024-05-28 Copyright Vigilantes Intellectual Property and the Hollywood Superhero explains superhero blockbusters as allegories of intellectual property relations In movies based on characters owned by the comics duopoly of DC and Marvel no narrative recurs more often than a villain s attempt to copy the superhero s unique powers In this volume author Ezra Claverie explains this fixation as a symptom of the films mode of production Since the 1930s the dominant American comics publishers have treated the creations of artists and writers as work for hire such that stories and characters become company property Thus publishers avoided sharing the profits both from magazine sales and from licensing characters into other media For decades creators have challenged this regime demanding either shares of profits or outright ownership of their creations Now that the duopoly rents licenses and adapts superheroes for increasingly expensive franchises and for growing international audiences any challenge to intellectual property relations threatens a production regime worth billions of dollars Duopoly movies therefore present any attempt to break the superhero s monopoly on their powers as the scheme of terrorists mad scientists or space Nazis assuaging studio anxieties and revealing the fears of those who benefit most from the real world ownership of superheroes Weaving together legal analysis Marxist political economy and close readings of movies Copyright Vigilantes explains the preoccupations of Hollywood s leading genre
