A Not So Perfect Crime The Borja And Eduard Barcelona Series:

A Not So Perfect Crime Teresa Solana, 2009-03-01 A scathing satire of Spanish society hilarious dialogue all beautifully dressed up as a crime novel Krimi Couch A first novel that spread like wildfire by word of mouth El Avui Teresa Solana is great proof of the vitality of the roman noir in Catalan A wonderfully ironic hymn to the city of Barcelona Diari de Balears Another day in Barcelona another slimy politician's wife is suspected of infidelity Lluís Font discovers a portrait of his wife in an exhibition that leads him to conclude he is being cuckolded by the artist Concerned only about the potential political fallout he hires twins Eduard and Pep private detectives with a supposed knack for helping the wealthy with their dirty laundry Their office is adorned with false doors leading to nonexistent private rooms a mysterious secretary who is always away and a broken laptop computer picked up on the street The case turns ugly when Font's wife is found poisoned by a marron glace from a box of sweets delivered anonymously This is a deftly plotted biting funny mystery novel A satire of Catalan politics and a fascinating insight into the life and habits of Barcelona's inhabitants diurnal and nocturnal Teresa Solana lives in Barcelona Born in 1962 she studied philosophy and worked as a literary translator and essayist She has written several novels kept quietly in her drawer A Not So Perfect Crime her first published title won the 2007 Brigada 21 Prize for the best Catalan mystery novel *The Sound of One Hand Killing* Teresa Solana, 2013-04-19 A satirical romp and suspenseful mystery set in the world of alternative therapy and meditation centers of Barcelona Barcelona Tales Helen Constantine, 2019-05-09 Barcelona is one of the most visited cities in Europe a multilingual capital of an autonomous region that longs to be independent of Spain The city is famous for its painters modernist architecture style of football and its history but as Peter Bush reveals it has always been a major centre of literary talent and creativity Barcelona Tales presents a selection of newly translated short stories by 16 writers many of them Catalan The stories explore the themes of migration and class conflict in a city renowned in world literature from the day rural innocents Don Quixote and Sancho Panza visited its streets at the beginning of the seventeenth century and witnessed the wonders of the printing press and the cruelties of slavery Together they open up the city in ironic tragic and lyrical ways inviting readers to explore fictional lives and literary styles that reflect the dynamic conflict ridden character and history of this great European city **The First Prehistoric Serial Killer and Other Stories** Teresa Solana, 2018-08-15 An impressive and very funny collection of stories by Teresa Solana but the fun is very dark indeed The oddest things happen Statues decompose and stink out galleries two old grandmothers are vengeful killers a prehistoric detective on the verge of becoming the first religious charlatan trails a triple murder that is threatening cave life as the early innocents knew it The collection also includes a sparkling web of Barcelona stories connected by two criminal acts that allows Solana to explore the darker side of different parts of the city and their seedier inhabitants **Crazy Tales of Blood and Guts** Teresa Solana, 2013-04-07 Fascinating short stories that include a rather bloody satire on installation art including the Edgar Award nominated story Still Life No 41 a wonderful story of

gruesome revenge involving a wayward son in law a surprising and hilarious tale of a pre historic serial killer who invents God and psychoanalysis and inevitably a vampire story told with venom and humor These stories remind one of the best short stories by Stephen King such as those in the Just after Sunset compilation They can be horrific but are never without a devastating sense of humor As in the adult short stories of Roald Dahl the Kiss Kiss collection in particular with its tales of family and other violence there is great ingenuity surprising and satisfying endings and since it s Solana deep cutting satire of contemporary fads and mores Revisiting Centres and Peripheries in Iberian Studies Mark Gant,2019-08-05 Like its predecessor and companion volume New Journeys in Iberian Studies this volume gathers fresh and emerging research in a range of sub fields of Iberian studies from an international range of established academics and early career researchers The book provides rich evidence of the breadth and depth of new research being carried out in the dynamic field of Iberian studies at present As the title suggests a strong thread running through the collection is concerned with investigating the multiple spaces of tension between the centre and periphery that comprise the Iberian cultural system Topically the current situation in Catalonia naturally comes to the fore in a number of chapters and from a range of perspectives However in the revisiting of a range of cultural products and historical processes undertaken by the contributors it can be seen that transoceanic postcolonial relations are not neglected and concerns with history memory and fiction also weave their way through their work *David's Revenge* Hans Werner Kettenbach,2009-10-01 A taut psychological thriller about a visitor from war torn Georgia who brings paranoia to a peaceful family *The Public Prosecutor* Jef Geeraerts,2010-12-11 A violently funny thriller and vitriolic expos of Opus Dei s influence in judicially corrupt Belgium Thursday Night Widows Claudia Piñeiro,2010-01-01 An agile novel written in a language perfectly pitched for the subject matter a ruthless dissection of a fast decaying society Jos Saramago Nobel Prize winner The English translation of hit novel Las Viudas de Los Jueves Pi eiro s clever U S debut illuminates the hypocrisies of the country s upper classes after 9 11 Publishers Weekly Pi eiro is particularly skilful at exposing the social forces undermining Argentine society and the fragility of personal relationships We learn the surprising truth of the three men s death in the final chapter the build up to it is riveting The Times London Pi eiro builds up tension through banal domestic details and the accretion of despair in everyday marital and professional struggles There may be bloody murder at the centre of this novel but the dystopia portrayed is an indictment not solely of an assassin but of Argentina s class structure and the willful blindness of its petty bourgeoisie Times Literary Supplement A razor sharp psychological and social portrait not only of Argentina but of the affluent Western world as a whole Rosa Montero Three bodies lie at the bottom of a swimming pool in a gated country estate near Buenos Aires It s Thursday night at the magnificent Scaglia house Behind the locked gates shielded from the crime poverty and filth of the people on the streets the Scaglias and their friends hide lives of infidelity alcoholism and abusive marriage Claudia Pi eiro s novel eerily foreshadowed a criminal case that generated a scandal in the Argentine media But this is more than a story about crime The suspense is a

byproduct of Pi eiro's hand at crafting a psychological portrait of a professional class that lives beyond its means and leads secret lives of deadly stress and despair. It takes place during the post 9/11 economic meltdown in Argentina but it is a universal story that will resonate among credit-crunched readers of today. The film of Thursday Night Widows by Argentine New Wave and award-winning director Marcelo Pi eiro is coming soon with trailers available online. Claudia Pi eiro was a journalist, playwright and television scriptwriter and in 1992 won the prestigious Pl yade Annual Journalism Award. She has more recently turned to fiction and is the author of literary crime novels that are all bestsellers in Latin America and have been translated into four languages. This novel won the Clarin Prize for fiction and is her first title to be available in English.

Translating National Allegories Alistair Rolls, John West-Sooby, Marie-Laure Vuaille-Barcan, 2019-04-15. This book explores the intersection of a number of academic areas of study that are all individually of growing importance: translation studies, crime fiction and world literature. The scholars included here are leaders in one or more of these areas. The frame of this volume is imagological; its focus is on the ways in which national allegories are constructed and deconstructed, encompassing descriptions of national characteristics as they play out at the level of the local or the individual as well as broader political analyses. Its corpus, crime fiction, is shown to be a privileged site for writing the national narrative and often in ways that are more complex and dynamic than is suggested by the genre's much-cited role as vehicle for a new realism. Finally, these two areas are problematised through the lens of translation, which is a crucial player in both the development of crime fiction and the formation rather than simply the interlingual transfer of national allegory. In this volume, national allegories and the crime novels in which they emerge are shown to be eminently versatile, foundationally plural texts that promote critical rewriting as opposed to sites for fixing meaning. This book was originally published as a special issue of *The Translator*.
