A Peaceable Psychology A Peaceable Psychology:

A Peaceable Psychology Alvin Dueck, Kevin Reimer, 2009-11 Two psychologists address the challenges of cross cultural therapy and the promise of peaceable psychology *Toward a Peaceable Future* Yōichirō Murakami, Noriko Kawamura, Shin Chiba, 2005 In a pioneering cross cultural transnational and multifaceted endeavor Japanese and American scholars from various disciplines jointly explore challenging questions by redefining the three key concepts of peace security and kyosei The book offers new perspectives for interdisciplinary peace studies and stimulates a public dialogue on how to shape a safer and more peaceful future for individuals communities and nations **Themelios, Volume 36, Issue 1** D. A.

Carson, 2015-02-16 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary **Practicing Faith** Lisa Spriggs, Tim Meadowcroft, 2022-05-17 The

integration of theology and social vocation invites scholars and practitioners to reach outside their discipline and into relationship with others Out of these relationships new ways of enacting faith and informing practice can emerge This book brings together a collection of essays engaging with the integration of theology and social vocation Designed to reflect and invite dialogue these authors engage with the relationship between faith and practice as it is expressed in their own area of interest and speciality Arranged in five themed dialogues wellbeing formation hospitality therapy and theology each essay reflects the unique dynamics of its author's integrative process and offers something new to the ongoing conversation between theology and social vocation This set of essays will be of interest to practitioners and students concerned to infuse their faith with their practice of vocation to develop a practicing faith **Research in the Social Scientific Study of**

Religion, Volume 28 Andrew Village, Ralph W. Hood, 2017-07-10 This volume of Research in the Social Scientific Study of

Religion includes a wide range of papers from a social science perspective The special section gives a unique insight into the rapidly growing field of psychological studies of religion in China It draws on experts from China and the USA who met for a conference at Fuller Theological Seminary and have together compiled a collection of original research and reviews that helps to locate the current state of the discipline from a specifically Chinese perspective Other papers in the volume examine intergenerational religious transmission and religious problem solving styles in the USA

The Wiley Blackwell Reader in Practical Theology Bonnie J. Miller-McLemore, 2019-08-06 Contains a general introduction to the discipline featuring classic and pioneering essays that address the history methods issues and exemplary illustrations of research teaching and practice Presenting a diverse collection of landmark essays The Wiley Blackwell Reader in Practical Theology explores the turn of the century renaissance of practical theology as an academic discipline and shows how the discipline has advanced a steady epistemological insurgency in theology throughout the twentieth and twenty first century The text provides scholars students and ministerial professionals with easy access to original seminal sources that represent major milestones growing edges and useful classificatory rubrics A handy one volume primer to practical theology the book Offers an excellent bird s eye view of the discipline s essential foundational contributions Provides significant introductory overview material helpful in guiding both new and experienced readers to practical theology Includes brief overview introductions before each essay to situate the reading and highlight key contributions and occasional limitations Features essay selections that consider race gender sexuality age and other differences as a critical subtheme The Wiley Blackwell Reader in Practical Theology is an indispensable resource for students faculty and professionals in practical theology and colleagues in related cognate disciplines in theological education and religious studies

Taking on Practical Theology Courtney Goto, 2018-08-20 In *Taking on Practical Theology* Courtney T Goto explores the regnant paradigm that shapes knowledge production and that preserves power privilege and historic communal injury even as scholars intend to enlighten and transform communities Approaching context as a case study Goto illumines how this commonly used taken for granted concept is idolized Though practical theologians are sensitive to context researchers often fail to consider how their own assumptive world dictates and influences their practices of research teaching and engaging in scholarly conversations These practices unwittingly validate scholars who enjoy the most social capital while inflicting harm on both communities they research and on colleagues and students who do not fit or fit less well the norms of the majority

Modern Psychotherapies Stanton L. Jones, Richard E. Butman, 2012-12-05 Stanton Jones and Richard Butman present an updated edition of their comprehensive appraisal of modern psychotherapies With new chapters on preventative intervention strategies and the person of the Christian psychotherapist *Modern Psychotherapies* remains an indispensable tool for therapists and students

Understanding Pastoral Counseling Elizabeth A. Maynard, Jill L. Snodgrass, 2015-06-09 What are the roles functions and identities of pastoral counselors today What paradigms shape their understanding of the needs of others How can pastoral counselors serve the

needs of diverse individuals in both religious and secular environments This foundational text reflects the continued and unfolding work of pastoral counseling in both clinical and traditional ministry settings It addresses key issues in the history current practices and future directions of pastoral counseling and its place among allied helping professions Written to incorporate current changes in the roles of pastoral counselors and models of training beyond the traditional seminary the book builds on themes of pastoral counseling as a distinct way of being in the world understanding client concerns and experiences and intervening to promote the health and growth of clients The text provides a foundational overview of the roles and functions of the modern pastoral counselor It discusses spiritual perspectives on the issues that bring individuals to seek counseling and integrates them with the perspectives of allied mental health professions The tools and methods pastoral counselors can employ for spiritual assessment are presented and the book describes common spiritual and theological themes both implicit and explicit that arise in pastoral counseling Included are chapters examining Christian Jewish Islamic Native American and Buddhist approaches to counseling as well as counseling individuals with diverse sexual identities The book reflects the increasing need for pastoral counselors to serve effectively in a multicultural society including service to individuals who are not affiliated with a specific religious denomination The book also considers the emerging realities of distance counseling and integrated health care systems as current issues in the field

KEY FEATURES Presents a contemporary approach to how pastoral counselors function as mental health professionals and spiritual leaders Serves as a state of the art foundational text for pastoral counseling education Describes assessments and interventions that are shared with allied mental health professionals and those that are unique to pastoral counseling Provides an ecumenical and interfaith approach for a multicultural society including individuals with diverse sexual identities Addresses counseling with individuals who do not affiliate with a specific faith tradition Includes Instructor's Guide and online Student Resources to enhance teaching and learning

Warlike and Peaceful Societies Agner Fog, 2017-10-13 Are humans violent or peaceful by nature We are both In this ambitious and wide ranging book Agner Fog presents a ground breaking new argument that explains the existence of differently organised societies using evolutionary theory It combines natural sciences and social sciences in a way that is rarely seen According to a concept called regality theory people show a preference for authoritarianism and strong leadership in times of war or collective danger but desire egalitarian political systems in times of peace and safety These individual impulses shape the way societies develop and organise themselves and in this book Agner argues that there is an evolutionary mechanism behind this flexible psychology Incorporating a wide range of ideas including evolutionary theory game theory and ecological theory Agner analyses the conditions that make us either strident or docile He tests this theory on data from contemporary and ancient societies and provides a detailed explanation of the applications of regality theory to issues of war and peace the rise and fall of empires the mass media economic instability ecological crisis and much more

Warlike and Peaceful Societies The Interaction of Genes and Culture draws on many different fields of both

the social sciences and the natural sciences It will be of interest to academics and students in these fields including anthropology political science history conflict and peace research social psychology and more as well as the natural sciences including human biology human evolution and ecology
