A Private Life Weatherhead S On Asia:

Who Ate Up All the Shinga? Wan-suh Park, 2009-07-15 Park Wan suh is a best selling and award winning writer whose work has been widely translated and published throughout the world Who Ate Up All the Shinga is an extraordinary account of her experiences growing up during the Japanese occupation of Korea and the Korean War a time of great oppression deprivation and social and political instability Park Wan suh was born in 1931 in a small village near Kaesong a protected hamlet of no more than twenty families Park was raised believing that no matter how many hills and brooks you crossed the whole world was Korea and everyone in it was Korean But then the tendrils of the Japanese occupation which had already worked their way through much of Korean society before her birth began to encroach on Park s idyll complicating her day to day life With acerbic wit and brilliant insight Park describes the characters and events that came to shape her young life portraying the pervasive ways in which collaboration assimilation and resistance intertwined within the Korean social fabric before the outbreak of war Most absorbing is Park s portrait of her mother a sharp and resourceful widow who both resisted and conformed to stricture becoming an enigmatic role model for her struggling daughter Balancing period detail with universal themes Park weaves a captivating tale that charms moves and wholly engrosses **The Proletarian Wave**

Sunyoung Park, 2020-05-11 Socialist doctrines had an important influence on Korean writers and intellectuals of the early twentieth century From the 1910s through the 1940s a veritable wave of anarchist Marxist nationalist and feminist leftist groups swept the cultural scene with differing agendas as well as shared demands for equality and social justice In The Proletarian Wave Sunyoung Park reconstructs the complex mosaic of colonial leftist culture by focusing on literature as its most fertile and enduring expression The book combines a general overview of the literary left with the intellectual portraits of four writers whose works exemplify the stylistic range and colonial inflection of socialist culture in a rapidly modernizing Korea Bridging Marxist theory and postcolonial studies Park confronts Western preconceptions about third world socialist cultures while interrogating modern cultural history from a post Cold War global perspective The Proletarian Wave provides the first historical account in English of the complex interrelations of literature and socialist ideology in colonial Korea It details the origins development and influence of a movement that has shaped twentieth century Korean politics and aesthetics alike through an analysis that simultaneously engages some of the most debated and pressing issues of literary historiography Marxist criticism and postcolonial cultural studies **Humans, Beasts, and Ghosts** Zhongshu Qian, 2011

This book brings together the essay collection Written in the margins of life Xie zai ren sheng bian shang and the short story collection Human beast ghost Ren shou gui *Lost Souls* Sun-wŏn Hwang, 2010 These captivating short stories portray three major periods in modern Korean history the forces of colonial modernity during the late 1930s the postcolonial struggle to rebuild society after four decades of oppression emasculation and cultural exile 1945 to 1950 and the attempt to reconstruct a shattered land and a traumatized nation after the Korean War *Lost Souls* echoes the exceptional work of China

s Shen Congwen and Japan's Kawabata Yasunari Modernist narratives set in the metropolises of Tokyo and Pyongyang alternate with starkly realistic portraits of rural life Surrealist tales suggest the unsettling sensation of colonial domination while stories of the outcast embody the thrill and terror of independence and survival in a land dominated by tradition and devastated by war Written during the chaos of 1945 Booze recounts a fight between Koreans for control of a former Japanese owned distillery Toad relates the suffering created by hundreds of thousands of returning refugees and stories from the 1950s confront the catastrophes of the Korean War and the problematic desire for autonomy Visceral and versatile Lost Souls is a classic work on the possibilities of transition that showcases the innovation and craftsmanship of a consummate and widely celebrated storyteller

The Curious Tale of Mandogi's Ghost Sekihan Kin, 2010 The Curious Tale of Mandogi's Ghost incorporates Korean folk tales ghost stories and myth into a phenomenal depiction of epic tragedy Written by a zainichi a permanent resident of Japan who is not of Japanese ancestry the novel tells the story of Mandogi a young priest living on the island of Cheju do Mandogi becomes unwittingly involved in the Four Three Incident of 1948 in which the South Korean government brutally suppressed an armed peasant uprising and purged Cheju do of communist sympathizers Although Mandogi is sentenced to death for his part in the riot he survives in a sense to take revenge on his enemies and fully commit himself to the resistance Mandogi's indeterminate shapeshifting character is emblematic of Japanese colonialism's outsized impact on both ruler and ruled A central work of postwar Japanese fiction The Curious Tale of Mandogi's Ghost relates the trauma of a long forgotten history and its indelible imprint on Japanese and Korean memory
