*Booze and the Private Eye* Rita Elizabeth Rippetoe, 2015-01-24 The hard bitten PI with a bottle of bourbon in his desk drawer it's an image as old as the genre of hard boiled detective fiction itself Alcohol has long been an important element of detective fiction but it is no mere prop Rather the treatment of alcohol within the works informs and illustrates the detective's moral code and casts light upon the society's attitudes towards drink This examination of the role of alcohol in hard boiled detective fiction begins with the genre's birth in an era strongly influenced and affected by prohibition and follows both the genre's development and its relation to our changing understanding of and attitudes towards alcohol and alcoholism It discusses the works of Dashiell Hammett Raymond Chandler Mickey Spillane
