A Ministry Of Presence Chaplaincy Spiritual Care And The Law:

A Ministry of Presence Winnifred Fallers Sullivan, 2022-12-22 Most people in the United States today no longer live their lives under the guidance of local institutionalized religious leadership such as rabbis ministers and priests rather liberals and conservatives alike have taken charge of their own religious or spiritual practices This shift along with other social and cultural changes has opened up a perhaps surprising space for chaplains spiritual professionals who usually work with the endorsement of a religious community but do that work away from its immediate hierarchy ministering in a secular institution such as a prison the military or an airport to an ever changing group of clients of widely varying faiths and beliefs In *A Ministry of Presence* Winnifred Fallers Sullivan explores how chaplaincy works in the United States and in particular how it sits uneasily at the intersection of law and religion spiritual care and government regulation Responsible for ministering to the wandering souls of the globalized economy the chaplain works with a clientele often unmarked by a specific religious identity and does so on behalf of a secular institution like a hospital Sullivan s examination of the sometimes heroic but often deeply ambiguous work yields fascinating insights into contemporary spiritual life the politics of religious freedom and the never ending negotiation of religion s place in American institutional life *Chaplaincy and Spiritual Care in the Twenty-First Century* Wendy Cadge, Shelly Rambo, 2022-03-15 Wendy Cadge and Shelly Rambo demonstrate the urgent need highlighted by the COVID 19 pandemic to position the long history and practice of chaplaincy within the rapidly changing landscape of American religion and spirituality This book provides a much needed road map for training and renewing chaplains across a professional continuum that spans major sectors of American society including hospitals prisons universities the military and nursing homes Written by a team of multidisciplinary experts and drawing on ongoing research at the Chaplaincy Innovation Lab at Brandeis University *Chaplaincy and Spiritual Care in the Twenty First Century* identifies three central competencies individual organizational and meaning making that all chaplains must have and it provides the resources for building those skills Featuring profiles of working chaplains the book positions intersectional issues of religious diversity race ethnicity gender sexuality and other markers of identity as central to the future of chaplaincy as a profession

Chaplaincy: A Ministry of Presence Matt Sanders, 2014-04-05 At the heart of the role of chaplaincy is PRESENCE This manual designed for new chaplains explores four dimensions of presence 1 As the chaplain is present to him herself with compassion and awareness and 2 is present to The Presence with sensitivity and authenticity he she then 3 moves outward to others with simple skillful means to help lighten their loads in life and 4 helps others to connect more deeply to The Presence in ways that serve their highest good This is part training manual part memoir part prayer book and part self care handbook The author provides practical suggestions for pastoral support and prayer with others offers bits of wisdom to apply in one s ministry and uses stories from his pastoral work in detention and hospital ministries to provide concrete examples of ways to apply these ideas Additionally this book is meant to help the chaplain nurture his her own soul through self care and prayer

The Chaplain's Presence and Medical Power Richard Coble, 2017-12-20 Why is loss present but rarely spoken of in the hospital system How does such silence carry over to the practices of chaplains who accompany dying patients and grieving families Richard Coble critically examines his experiences as a hospital chaplain to analyze the place of spiritual care in wider trends vexing healthcare today including its persistent disparities and its related inability to reckon with human decline Simultaneously he offers routes for chaplains to be a force of change

Spiritual Care Wendy Cadge, 2022-11-24 Chaplains are America's hidden religious leaders Required in the military federal prisons and Veterans Administration Medical Centers chaplains also work in two thirds of hospitals most hospices many institutions of higher education and a growing range of other settings The chaplains of the U S House and Senate regularly engage with national leaders through public prayer and private conversation Chaplains have been present at national protests including the racial justice protests that took place across the country in 2020 A national survey conducted in the United States in 2019 found that 21% of the Americans public had contact with a chaplain in the prior two years Contact with chaplains likely increased with the COVID 19 pandemic which thrust chaplains into the spotlight as they cared for patients family members and exhausted and traumatized medical staff fighting the pandemic in real time Wendy Cadge steps back to ask who chaplains are what they do across the United States how that work is connected to the settings where they do it and how they have responded to and helped to shape contemporary shifts in the American religious landscape She focuses on Boston as a case study to show how chaplains have been and remain an important part of institutional religious ecologies both locally and nationally She has combed through the archives of major Boston institutions including the city government police and fire department hospitals universities rest and rehabilitation centers the Catholic church and several Protestant denominations as well as the Boston Globe to chart the work of chaplains historically Cadge also interviewed over one hundred chaplains who work in greater Boston and shadowed them whenever possible going on board container ships walking through homeless shelters and attending religious services at local prisons The result is a rich study of a little noticed but essential group of religious leaders

A Handbook of Chaplaincy Studies Christopher Swift, Mark Cobb, Andrew Todd, 2016-03-09 A Handbook of Chaplaincy Studies explores fundamental issues and critical questions in chaplaincy spanning key areas of health care the prison service education and military chaplaincy Leading authors and practitioners in the field present critical insight into the challenges and opportunities facing those providing professional spiritual care From young men and women in the military and in custody to the bedside of those experiencing life's greatest traumas this critical examination of the role played by the chaplain offers a fresh and informed understanding about faith and diversity in an increasingly secular society An invaluable compendium of case studies academic reflection and critical enquiry this handbook offers a fresh understanding of traditional contemporary and innovative forms of spiritual practice as they are witnessed in the public sphere Providing a wide ranging appraisal of chaplaincy in an era of religious complexity and emergent spiritualities this pioneering book is a

major contribution to a relatively underdeveloped field and sets out how the phenomenon of chaplaincy can be better understood and its practice more robust and informed

Care, Healing, and, Human Well-Being within Interreligious Discourses Helmut Weiss, Karl H. Federschmidt, Daniël Louw, Linda Sauer Bredvik, 2021-12-08

Care Healing and Human Well Being within Interreligious Discourses is an edited peer reviewed volume of global perspectives on interreligious approaches to healing and well being by 23 academics and practitioners from five different faith practices and 13 different cultures With chapters by counsellors chaplains religious thinkers and linguists the multifaceted nature of the volume provides an expansive approach to spiritual care and counselling In order to understand the ways in which interreligious encounters can have an enriching effect on our humanity the volume is divided into four sections that address methodological questions surrounding spiritual caregiving perspectives of different faith traditions on care and healing the challenges to the praxis of care in diverse cultural and political settings and finally how spiritual care and healing can be carried out in public places such as the police the military and hospitals The book is an outgrowth of 25 years of experience within the Society for Interreligious Care and Counselling SIPCC to promote better understanding and practices of intercultural and interreligious spiritual caregiving Care Healing and Human Well Being within Interreligious Discourses is an extraordinary assemblage of writings from diverse cultural religious and geopolitical contexts By addressing methodological questions challenges faced in the care of individuals and care in public settings from Islamic Jewish Christian Buddhist and Hindu perspectives this anthology moves the discourse on care and healing into a more adequate theological anthropology than has often undergirded pastoral care and counselling in most Western texts This much needed work will doubtless be crucial for chaplains and other spiritual care providers seeking to offer genuinely interreligious and intercultural care in today s globalized world Emmanuel Y Lartey PhD Charles Howard Candler Professor of Pastoral Theology Spiritual Care Candler School of Theology Emory University GA USA Given the variety of religious expressions in the contemporary world providing interreligious care is a great challenge for caregivers This book contributes to reflection on care and healing from an interreligious perspective by helping us to think about the theme not only from a theoretical approach but also from methodological practical and culturally contextualized points of view that overflow with compassion It is not to be simply read but studied and used as a bedside book by those engaged in the practice of human care Dr Mary Rute Gomes Esperandio Professor and researcher on Spirituality Health in the Post Graduate Program in Bioethics and Post Graduate Program in Theology at the Pontif cia Universidade Cat lica do Paran Brazil

Situating Spirituality Brian Steensland, Jaime Kucinkas, Anna Sun, 2021-12-14

Spirituality is in the spotlight While levels of religious belief and observance are declining in much of the Western world the number of people who identify as spiritual but not religious is on the rise Practices such as yoga meditation and pilgrimage are surging in popularity Wellness regimes offer practitioners a lexicon of spirituality and an array of spiritual experiences Commentators talk of a new spiritual awakening after religion And

global mobility is generating hybrid practices that blur the lines between religion and spirituality The essays collected in *Situating Spirituality Context Practice and Power* examine not only individual engagements with spirituality but they show how seemingly personal facets of spirituality as well as definitions of spirituality itself are deeply shaped by religious cultural and political contexts The volume is explicitly cross national and comparative The contributors are leading scholars of major global regions North America Central America East Asia South Asia Africa and the African Diaspora Western Europe and the Middle East They study not only Christian Jewish and Islamic societies but also non Abrahamic societies with native as well as transnational sacred traditions Buddhist-Christian Dialogue, U.S. Law, and Womanist Theology for Transgender

Spiritual Care Pamela Ayo Yetunde, 2020-04-30 This book written with hospital spiritual care providers in mind investigates how to expand the field and scope of compassion within the hospital context for the spiritual care and safety of transgender patients Written by a law educated pastoral counselor it advocates for chaplain legal literacy and explains the consequences of spiritual care providers not knowing more about the law It explores the current political and legal situation transgender hospital patients find themselves in and especially how these new policies put transgender people at risk when they are in a hospital setting Pamela Ayo Yetunde offers Buddhist Christian activist interreligious dialogue methods to promote deeper understanding of how spiritual practices can cultivate empathy for transgender patients **Spirituality, Religiousness and Health** Giancarlo Lucchetti, Mario Fernando Prieto Peres, Rodolfo Furlan Damiano, 2019-09-03 This book provides an overview of the research on spirituality religiousness and health including the most important studies conceptualization instruments for measurement types of studies challenges and criticisms It covers essential information on the influence of spirituality and religiousness S R in mental and physical health and provides guidance for its use in clinical practice The book discusses the clinical implications of the research findings including ethical issues medical health education how to take a spiritual history and challenges in addressing these issues all based on studies showing the results of incorporating S R in clinical practice It contains case reports to facilitate learning and suggests educational strategies to facilitate teaching S R to health professionals and students
