A Practical Guide to Evangelism-- Supernaturally Chris Overstreet,2011-05-17 The best way to describe evangelism in its simplicity is an outer flow of love and power to the world because of your committed loving relationship with Jesus A Practical Guide to Evangelism Supernaturally has the potential to ignite the fire of God s love to touch a hurting and dying world As believers our first ministry is to the Lord Jesus Christ is our worship and devotion Our second ministry is to be in community and fellowship with other Christians Our third ministry we will never be able to do in Heaven and that is to share our faith with non Christians This ministry has urgency behind it because God s heart is for the lost and His desire is that none perish but all have everlasting life In this book you will be trained and equipped to live a lifestyle of supernatural evangelism You can make a difference for all of eternity by demonstrating God s love and power to the world starting today

Surprisingly Supernatural Neil Gilligan, 2012-11-01 Surprisingly Supernatural A Practical Guide to Releasing the Gifts of the Spirit teaches believers to receive the gifts of the Spirit and then how to release the spiritual gifts of prophecy healings and miracles discernment and binding or driving out demons Then the believers are encouraged to bring in the harvest When believers learn how to release the gifts of the Spirit that is what the Bride of Christ is to do at the end of the age and then she will enter into the wedding banquet see Matt 24 14 25 9 10 You Will Learn That you are supposed to ask for the Holy Spirit and ask for the gifts of the Spirit and being continually filled by the Spirit was what the first disciples experienced and they were the first ones called Christians That if you will learn the conditions required for you to hear God's voice then you will be able to prophecy That if you will learn the keys to healing then you will begin to see the sick healed when you lay your hands on them That when you ask for the gift of discernment then you will begin to discern demons and the defilement that is around you Then you can cast out those demons That ley lines are spiritual highways that demons travel on over the earth and you will learn how to clean them off That when you release the gifts of the Spirit you will easily be able to show nonbelievers that Jesus Christ is the Son of God and is the Savior of the World That the Bride of Christ is to be

Akinteye, 2014-03 Demystifying the Supernatural Practical Guide to Experiencing the Higher and Peaceful Life was written to find the age old reality for which we all search Even with the wide variety of religions in the world many have not found the answers they seek In this world of technological wonders and inventions that have made life easier those who become slaves to the very inventions that were meant to serve them have also not found the answers that their souls demand So what path should we follow while seeking the Higher and Peaceful Life If what we yearn for cannot be found in religion or technology how do we achieve happiness and a calming balm for our souls The answer can be found in Demystifying the Supernatural Peace freedom and fulfillment come from a working knowledge that originates from the discovery of a person and of the power and authority he invests on those who have this encounter with him to become kings of life Let us take the journey together **Do What Jesus Did** Robby Dawkins, 2013-06-15 A Real Life Field Guide to Doing What Jesus Did The things

Jesus did are not just for Bible times They are for today For everyone Chicagoland pastor Robby Dawkins sees this again and again in his ministry to hurting people and even to gang members Everyday people are seeing God's power unleashed through simple faith in God's Word they are healing the sick routing demons and making a dynamic impact for the Kingdom of God But many other believers are missing out unaware that they have far more power and authority than they realize Dawkins shares dynamic real life instruction and amazing stories from the front lines of ministry showing that believers carry the authority of the Son of God and the power of the Holy Spirit wherever they are When we walk in the presence and authority of God we will do what Jesus did **Bethany - resurrected church** Richard Spencer, Adam Threlfall, 2014-09-22

This book is a record of a conversation between Jesus and part of his bride one local church We will follow this conversation over a number of years as he revealed more and more of his vision for his church He said to the man who would be the first among the first apostles I will build my church and we will follow how he has been building us into the community that he wants us to be
