A Midsummer Night's Dream Signet Classic Shakespeare:

A Midsummer Night's Dream William Shakespeare, 1877 **A Midsummer Night's Dream: Third Series (the Arden Shakespeare Third Series)** William Shakespeare, 2021-10-22 A Midsummer Night's Dream is a comedy play by William Shakespeare believed to have been written between 1590 and 1596. It portrays the events surrounding the marriage of the Duke of Athens Theseus and Hippolyta. These include the adventures of four young Athenian lovers and a group of six amateur actors, the mechanicals, who are controlled and manipulated by the fairies who inhabit the forest in which most of the play is set. The play is one of Shakespeare's most popular works for the stage and is widely performed across the world. The play consists of four interconnecting plots connected by a celebration of the wedding of Duke Theseus of Athens and the Amazon queen Hippolyta, which are set simultaneously in the woodland and in the realm of Fairyland under the light of the moon. A Midsummer Night's Dream has been produced many times in New York, including several stagings by the New York Shakespeare Festival at the Delacorte Theatre in Central Park and a production by the Theatre for a New Audience produced by Joseph Papp at the Public Theater. *A Midsummer Night's Dream* William Shakespeare, 2017-07-27 The Arden Shakespeare is the established edition of Shakespeare's work. Justly celebrated for its authoritative scholarship and invaluable commentary, Arden editions guide you to a richer understanding and appreciation of Shakespeare's plays. This edition of A Midsummer Night's Dream provides a clear and authoritative text, detailed notes and commentary on the same page as the text, and a full introduction discussing the critical and historical background to the play. The editor brings fresh perspectives on global productions and adaptations of this most loved of Shakespeare's comedies. *A Midsummer Night's Dream* William Shakespeare, 1986 **A Midsummer Night's Dream** William Shakespeare, 1998 Critical and historical notes accompany this comedy of fairies, star-crossed lovers, and workmen trying to put on a wedding celebration play.

Sexuality in William Shakespeare's A Midsummer Night's Dream Gary Wiener, 2013-11-08 This informative volume explores William Shakespeare's A Midsummer Night's Dream through the lens of sexuality. The book examines Shakespeare's life and influences and offers readers a series of essays for consideration on topics related to sexuality, such as the notions of the war between the sexes, taboo sexuality, and the marginalization of women's sexuality. The text also offers readers contemporary perspectives on topics related to sexuality, such as adolescent sexuality, the categorizing of people into sexual classifications, and sex education. **Shakespeare's Original Stage Conditions and their Afterlives across the Globe** Yu Jin Ko, 2024-09-06 This book brings together two separate fields by combining a study of Shakespeare's original stage conditions with an exploration of his plays in performance across the globe. The book contributes new insights into how early modern stage conditions shaped the writing, production, and reception of Shakespeare's plays but takes the further step of examining how original stage conditions re-emerge not only in Globe replicas like the London Globe but in unexpected and sometimes unconscious reconfigurations in adaptations and productions from around the world, film versions of Othello from

Mexico to India that take dancing cues and anxieties about dance from the play and centralize dance Korean adaptations for the madang or yard that reimagine Shakespeare's theatrical spaces and their relationships to audiences Noh re imaginings on film and onstage that foreground the theatrical a teen film remake of Othello that raises questions about how blackness is figured today and on Shakespeare's stage among others By studying original stage conditions and their global afterlives the book illuminates how global productions negotiate historical and cultural differences and thereby paradoxically engage with the cultural specificities of the present The Complete Signet Classic Shakespeare William Shakespeare, 1972 Brings together in one volume editions of all the plays poems and sonnets originally published as individual paperbacks in the New American Library's Signet Classic Shakespeare series With a General Introduction by Professor Barnet introductions to the individual plays by the contributing editors **Shakespeare and the Classical Tradition** Lewis Walker, 2019-05-24 This bibliography will give comprehensive coverage to published commentary in English on Shakespeare and the Classical Tradition during the period from 1961-1985 Doctoral dissertations will also be included Each entry will provide a clear and detailed summary of an item's contents For poems and plays based directly on classical sources like Antony and Cleopatra and The Rape of Lucrece virtually all significant scholarly work during the period covered will be annotated For other works such as Hamlet any scholarship that deals with classical connotations will be annotated Any other bibliographies used in the compiling of this volume will be described with emphasis on their value to a student of Shakespeare and the Classics
