

The background is a detailed historical map of the Americas, likely from the 17th or 18th century. It features various geographical labels in Latin, such as 'AMERICA SEPTENTRIONALIS' (North America), 'MARE DEL N' (Atlantic Ocean), 'MARE PACIFICUM' (Pacific Ocean), and 'MARE CARIBBEUM' (Caribbean Sea). The map is decorated with illustrations of sailing ships, sea monsters, and other maritime elements. A central text box is overlaid on the map.

BRUCE KUKLICK

A Political History Of The Usa One Nation Under God

Walter A. McDougall

A Political History Of The Usa One Nation Under God:

A Political History of the USA Bruce Kuklick, 2019-09-27 This book is an engaging account of US history from the first European contact with the New World to the election of Donald Trump in 2016. Bruce Kuklick's straightforward yet authoritative narrative takes students through the complexities of US history without oversimplifying or requiring prior knowledge. Placing politics in the context of religious culture and exploring America's assertive expansion throughout history, *A Political History of the USA* is supported by wide-ranging examples, vivid extracts from primary sources, maps and illustrations which illuminate the main text. The historical narrative it presents is concise, nuanced and sharply drawn. Offering a compelling yet balanced account of US political, cultural and religious history, this is essential reading for undergraduate students of History and American Studies.

New to this Edition: More emphasis on the religious dimensions of the American story, explaining the continuing relevance of evangelical Christians. A new chapter on the period since 2008. Incorporation of new research. Discussion of the paradox of modernism and religion in America. A revised bibliography including more classic works.

One Nation Under God Kevin Kruse, 2015-04-14 We're often told that the United States is was and always has been a Christian nation. But in *One Nation Under God*, historian Kevin M. Kruse reveals that the idea of Christian America is an invention and a relatively recent one at that. As Kruse argues, the belief that America is fundamentally and formally a Christian nation originated in the 1930s when businessmen enlisted religious activists in their fight against FDR's New Deal. Corporations from General Motors to Hilton Hotels bankrolled conservative clergymen encouraging them to attack the New Deal as a program of pagan statism that perverted the central principle of Christianity: the sanctity and salvation of the individual. Their campaign for freedom under God culminated in the election of their close ally Dwight Eisenhower in 1952. But this apparent triumph had an ironic twist. In Eisenhower's hands, a religious movement born in opposition to the government was transformed into one that fused faith and the federal government as never before. During the 1950s, Eisenhower revolutionized the role of religion in American political culture, inventing new traditions from inaugural prayers to the National Prayer Breakfast. Meanwhile, Congress added the phrase "under God" to the Pledge of Allegiance and made "In God We Trust" the country's first official motto. With private groups joining in, church membership soared to an all-time high of 69%. For the first time, Americans began to think of their country as an officially Christian nation. During this moment, virtually all Americans across the religious and political spectrum believed that their country was one nation under God. But as Americans moved from broad generalities to the details of issues such as school prayer, cracks began to appear. Religious leaders rejected this lowest common denominator public religion, leaving conservative political activists to champion it alone. In Richard Nixon's hands, a politics that conflated piety and patriotism became sole property of the right. Provocative and authoritative, *One Nation Under God* reveals how the unholy alliance of money, religion and politics created a false origin story that continues to define and divide American politics to this day.

Usa One Nation Under God? Jose

Carlos Diaz, 2007-09 The U S A claims to be one nation under God If that God is the Christian God this statement is false The author of this book sets out to prove this thesis with the analysis of over a dozen U S war events spanning over a century The U S A is now the only world superpower How did it get there By walking down the path marked by Manifest Destiny With the arrival of the Mayflower the English Puritans believed that God preordained them to spread their eternal values throughout the world This presumptuous goal eventually became the U S expansionist policy the basis for its political and economical conquest of the world Uncle Sam disguised with a false philanthropy became the Northern Colossus He is shouting that the country where he lives is one nation under God however it really is against God Repent USA This book is demonstrating this hypocrisy through an examination of U S military interventions around the world starting with the explosion of the Maine in 1898 and ending with the Operation Iraqi Freedom in 2003

One Nation Under God: A Factual History of America's Religious Heritage Leon G. Stevens, 2012-03 p One Nation under God the Factual History of America's Religious Heritage is a study of our Founding Fathers their beliefs their goals and their history It uses the direct words of the Founding Fathers from personal letters personal Bible notes and many more substantiated sources The book follows the spiritual direction of our country from the time the Puritans landed in the new world up to today Our loss of faith in God and how that loss has impacted our society is profiled It includes quotes from some of the people that had the most influence on the growth of our once great nation and some of the people and events that have caused our nation to decline economically socially and morally One Nation under God includes many landmark court cases that have affected our way of life in the way the American people can worship the Lord in public and in private The book is a map of our rise to greatness and our decline to the potential oblivion of this once light on the hill for all the world to follow It also is a guide on how to reclaim our greatness by turning back to God for His forgiveness and guidance The farther away we move from God the worse our society becomes I started writing One Nation under God setting out to prove to the country possibly the world that we are a Christian nation One Nation Under God helps us remember who we are and what we did and thus helps preserve the American spirit David Barton Historian Author TV Producer founder of Wallbuilders

One Nation Under God? John D. Wilsey, 2011-06-01 Is America a Christian nation This question has loomed large in American culture since the Puritans arrived on American shores in the early seventeenth century More recently the Christian America thesis has been advocated by many evangelical leaders across the denominational spectrum This book contributes to the conversation by critiquing from an evangelical perspective the idea that America is a Christian nation as articulated by specific writers over the past three decades Wilsey asserts that the United States was not conceived as a Christian nation but as a nation with religious liberty Herein lies the genius of the Founders and the uniqueness of America

The Tragedy of U.S. Foreign Policy Walter A. McDougall, 2018-11-22 A fierce critique of civil religion as the taproot of America's bid for global hegemony Pulitzer Prize winning historian Walter A McDougall argues powerfully that a pervasive but radically changing faith that God is on our side has inspired U S foreign

policy ever since 1776 The first comprehensive study of the role played by civil religion in U S foreign relations over the entire course of the country s history McDougall s book explores the deeply infused religious rhetoric that has sustained and driven an otherwise secular republic through peace war and global interventions for more than two hundred years From the Founding Fathers and the crusade for independence to the Monroe Doctrine through World Wars I and II and the decades long Cold War campaign against godless Communism this coruscating polemic reveals the unacknowledged but freely exercised dogmas of civil religion that bind together a God blessed America sustaining the nation in its pursuit of an ever elusive global destiny

One Nation Under God Kevin M. Kruse,2015-04-14 The provocative and authoritative history of the origins of Christian America in the New Deal era We re often told that the United States is was and always has been a Christian nation But in One Nation Under God historian Kevin M Kruse reveals that the belief that America is fundamentally and formally Christian originated in the 1930s To fight the slavery of FDR s New Deal businessmen enlisted religious activists in a campaign for freedom under God that culminated in the election of their ally Dwight Eisenhower in 1952 The new president revolutionized the role of religion in American politics He inaugurated new traditions like the National Prayer Breakfast as Congress added the phrase under God to the Pledge of Allegiance and made In God We Trust the country s first official motto Church membership soon soared to an all time high of 69 percent Americans across the religious and political spectrum agreed that their country was one nation under God Provocative and authoritative One Nation Under God reveals how an unholy alliance of money religion and politics created a false origin story that continues to define and divide American politics to this day

To Reaffirm the Reference to One Nation Under God in the Pledge of Allegiance United States. Congress. House. Committee on the Judiciary,2002

One Nation Under God Leon G. Stevens,2018-10-01 An account of the spiritual direction of our country from the time the Puritans landed in the new world up to today Exploring our loss of faith in God and how that loss has impacted our society this book includes quotes from some of the people who had the most influence on the growth of our once great nation and some of the people and events that have caused our nation to decline economically socially and morally One Nation Under God includes many landmark court cases that have affected the way the American people can worship the Lord in public and in private One Nation Under God is a map of our rise to greatness and our decline to the potential oblivion of this onetime light on the hill for all the world to follow It also is a guide on how to reclaim our greatness by turning back to God for His forgiveness and guidance The farther away we move from God the worse our society becomes One Nation Under God sets out to prove to the country possibly the world that we are a Christian nation

One Nation Under God James P. Moore, Jr.,2007-12-18 In this highly original approach to the history of the United States James Moore focuses on the extraordinary role that prayer has played in every area of American life from the time of the first settlers to the present day and beyond A stirring chronicle of the spiritual life of a nation One Nation Under God shows how the faith of Americans from the founding fathers to corporate tycoons from composers to social

reformers from generals to slaves was an essential ingredient in the formation of American culture character commerce and creed One Nation Under God brings together the country s hymns patriotic anthems arts and literature as a framework for telling the story of the innermost thoughts of the people who have shaped the United States we know today Beginning with Native Americans One Nation Under God traces the prayer lives of Quakers and Shakers Sikhs and Muslims Catholics and Jews from their earliest days in the United States through the advent of cyberspace the aftermath of 9 11 and the 2004 presidential election It probes the approach to prayer by such diverse individuals as Benjamin Franklin Elvis Presley Frank Lloyd Wright Martha Graham J C Penney Mary Pickford Cesar Chavez P T Barnum Jackie Robinson and Christopher Columbus It includes every president of the United States as well as America s farmers clergy immigrants industrialists miners sports heroes and scientists One Nation Under God shows that without prayer the political cultural social and even economic and military history of the United States would be vastly different from what it is today It engages in a thoughtful timely examination of the modern debate over public prayer and how the current approach to prayer bears deep roots in the philosophies of the country s founding fathers a subject which remains distinct from the debate over church and state
