

A dramatic painting of a city at night, likely Jerusalem, with a large crowd of people in the foreground. A large, open book lies on the ground in the lower right, with a bright, fiery light emanating from it. In the background, a large, classical building with columns is visible, and a bridge or aqueduct spans the city. The sky is filled with dark, swirling clouds, and the overall atmosphere is one of intense, divine light and historical significance.
