Bret Easton Ellis S:

The Informers Bret Easton Ellis, 1995-08-01 From the New York Times bestselling author of *American Psycho* and *Less Than Zero* comes a nihilistic novel set in the early eighties that portrays a chilling descent into the abyss beneath L A's gorgeous surfaces Skillfully accomplishes its goal of depicting a modern moral wasteland Arguably Ellis's best The Boston Globe The basis of the major motion picture starring Billy Bob Thornton Kim Basinger and Mickey Rourke The Informers is a seductive and chillingly nihilistic novel in which Bret Easton Ellis returns to Los Angeles the city whose moral badlands he portrayed so unforgettably in *Less Than Zero* This time is the early eighties The characters go to the same schools and eat at the same restaurants Their voices enfold us as seamlessly as those of DJs heard over a car radio They have sex with the same boys and girls and buy from the same dealers In short they are connected in the only way people can be in that city Dirk sees his best friend killed in a desert car wreck then rifles through his pockets for a last joint before the ambulance comes Cheryl a wannabe newscaster chides her future stepdaughter You're tan but you don't look happy Jamie is a clubland carnivore with a taste for human blood *Imperial Bedrooms* Bret Easton Ellis, 2011-05-03 INTERNATIONAL BESTSELLER The New York Times bestselling author of *American Psycho* delivers a riveting tour de force sequel to *Less Than Zero* set on the seedy side of Los Angeles A haunting vision of disillusionment twenty first century style People Returning to Los Angeles from New York Clay now a successful screenwriter is casting his new movie Soon he is running with his old circle of friends through L A's seedy side His ex girlfriend Blair is married to Trent a bisexual philanderer and influential manager Then there's Julian a recovering addict and Rip a former dealer Then when Clay meets a gorgeous young actress who will stop at nothing to be in his movie his own dark past begins to shine through and he has no choice but to dive into the recesses of his character and come to terms with his proclivity for betrayal Look for Bret Easton Ellis's new novel *The Shards* **"Abandon All Hope" - consumerism and loss of identity in Bret Easton Ellis's "American Psycho" as an example of blank fiction** Anja Schiel, 2008-04-23 Thesis M A from the year 2005 in the subject American Studies Literature grade 1 5 University of Hamburg Sprach Literatur und Medienwissenschaft language English abstract Bret Easton Ellis's *American Psycho* has been labeled many things from Brat Pack Fiction to Generation X to Minimal Realism While the classification of the novel might be difficult and it has often been misunderstood for its extremely violent scenes what is clear to the attentive reader is its critique of consumer culture Critics have acknowledged an emergence of a large number of writings dealing with this topic in contemporary American literature in the recent past These novels focus on the relationship of American youth with consumer culture with a seemingly non-elaborate content and style Attempts of explaining this kind of writing which has also been called fiction of insurgency new narrative downtown writing and punk fiction range from millennial angst to the classification of this literary movement as part of the postmodern culture What seems clear is that these narrations are closely related to the society they have been created in The way these texts incorporate products of their time as a constant accompanying

element places them very clearly in a specific time period The apparent non existence of complexity concerning the style which at times reminds the reader of a movie script or a sequence of an MTV video has in the case of American Psycho caused many critics to classify the novel as boring and deny the author the status of an artist Exactly this seeming meaninglessness of these novels argues in favor of a term introduced by critics James Annesley and Elizabeth Young Blank fiction or Blank Generation Fiction The term Blank fiction seems to capture perfectly the emptiness created by consumer culture that has found its way into these narratives not simply in its context but also by means of its language incorporating consumer goods into the narrative as secondary characters in the case of American Psycho ascribing more character to these objects than to the protagonists

Bret Easton Ellis's Controversial Fiction Sonia Baelo-Allué, 2011-04-21 Both literary author and celebrity Bret Easton Ellis represents a type of contemporary writer who draws from both high and the low culture using popular culture references styles and subject matters in a literary fiction that goes beyond mere entertainment His fiction arousing the interest of the academia mass media and general public has fuelled heated controversy over his work This controversy has often prevented serious analysis of his fiction and this book is the first monograph to fill in this gap by offering a comprehensive textual and contextual analysis of his most important works up to the latest novel Imperial Bedrooms Offering a study of the reception of each novel the influence of popular mass and consumer culture in them and the analysis of their literary style it takes into account the controversies surrounding the novels and the changes produced in the shifty terrain of the literary marketplace It offers anyone studying contemporary American fiction a thorough and unique analysis of Ellis's work and his own place in the literary and cultural panorama

Violence and Consumerism in Bret Easton Ellis's "American Psycho" and Chuck Palahniuk's "Fight Club" Michael Frank, 2009-11-08 Examination Thesis from the year 2009 in the subject English Language and Literature Studies Literature grade 1.5 University of Heidelberg language English abstract Art has always reflected society Fight Club examines violence and the roots of frustration that are causing people to reach out for such radical solutions And that's exactly the sort of discussion we should be having about our culture Because a culture that doesn't examine its violence is a culture in denial which is much more dangerous This assessment of Fight Club by Edward Norton who plays the narrator in the novel's movie adaptation explains the reasoning behind this thesis which examines the basic principles of today's consumer culture its connection to aggression and violence and the way these topics are presented in two contemporary novels Bret Easton Ellis's American Psycho and Chuck Palahniuk's Fight Club In these books the respective protagonists face similar deadlocks connected to life in the consumerist world of the 1980s and 1990s Despite evidently having everything a person could ask for both main characters' lives remain unfulfilled leaving them frustrated and dissatisfied As it turns out acts of violence become the only thing that lets them get away from the boredom of their daily routine and gives them a sense of satisfaction

Bret Easton Ellis Naomi Mandel,2014 **Spaces of Surveillance** Susan Flynn, Antonia Mackay,2017-08-22 In a world of ubiquitous surveillance watching and being watched are the salient features of the lives depicted in many of our cultural productions This collection examines surveillance as it is portrayed in art literature film and popular culture and makes the connection between our sense of self and what is seen In our post panoptical world which purports to proffer freedom of movement technology notes our movements and habits at every turn Surveillance seeps out from businesses and power structures to blur the lines of security and confidentiality This unsettling loss of privacy plays out in contemporary narratives where the selves we create are troubled by surveillance This collection will appeal to scholars of media and cultural studies contemporary literature film and art and American studies , *Postmodernism, Twenty-First Century Culture, and American Fiction* Matt Graham,2024-07-19 Postmodernism s end is a complex and contentious topic Yet one overarching consensus emerges the postmodern has been surpassed This book poses a thought experiment challenging this position what if postmodernism persists within the twenty first century Rather than designate a new epoch or coherent movement this book interrogates the fragmented contradictory and counterintuitive endurance of postmodern aesthetics within post Cold War America An alternative use of postmodern aesthetics becomes possible when they are decoupled from their twentieth century historical location Collectively these repetitions posit a postmodern continuum contrasting the widely called for succession of postmodernism via this decoupling When postmodern aesthetics are no longer unconsciously

repeated within their cultural moment this emergent shift within a period after postmodernism presents an alternative historical positioning and use After their cultural vanguard postmodern aesthetics become a confrontation of the chaotic realism of an inescapable post Cold War capitalism tapping into this cultural zeitgeist through literature
