Christian G. Meyer

Bridging Political Personal Xiulu Wang:

Reading Tolkien in Chinese Eric Reinders, 2024-03-21 Approaching translations of Tolkien's works as stories in their own right this book reads multiple Chinese translations of Tolkien's writing to uncover the new and unique perspectives that enrich the meaning of the original texts Exploring translations of *The Lord of the Rings* *The Hobbit* *The Silmarillion* *The Children of Hurin* and *The Unfinished Tales* Eric Reinders reveals the mechanics of meaning by literally back translating the Chinese into English to dig into the conceptual common grounds shared by religion fantasy and translation namely the suspension of disbelief and questions of truth literal allegorical and existential With coverage of themes such as gods and heathens elves and Men race mortality and immortality fate and doom and language Reinder's journey to Chinese Middle earth and back again drastically alters views on Tolkien's work where even basic genre classification surrounding fantasy literature look different through the lens of Chinese literary expectations Invoking scholarship in Tolkien studies fantasy theory and religious and translations studies this is an ambitious exercises in comparative imagination across cultures that suspends the prejudiced hierarchy of originals over translations

Bridging the Political and the Personal Xiulu Wang, 2016 This book offers a systemic review of literary translation projects in contemporary China moves to a discussion of the translator as writer and then proceeds to explore the reader's role in the making of translated literature In doing so it develops the questions of literary translation as both a political and a personal endeavour

Bridging the Political and the Personal Xiulu Wang, 2010 **A History of Chinese Art in the 20th and 21st Century** Lü Peng, 2025-02-03 This book situates the development of 20th and 21st century Chinese art in such fundamental contexts as Chinese politics and social change and is ideally suited for readers to understand the particularities of Chinese art that are distinct from Western art history Such an approach is appropriate to the understanding of the development of modern Chinese art which differs from both the Western approach to art history and the approach to traditional Chinese art which is limited to the combining of ink and brush heritage and ideological traditions Based on the scale and influence of historical works considering the specificity of the term involving fine art in China and the scope of influence of the phenomenon of fine art in the cultural field this book's study of the phenomena of painting sculpture photography video and mixed media art follows two linear time lines of historical relevance 1949-1978 and 1978 to the present Special attention is paid to the development of modern and contemporary art after 1978 The main readers of this book are undergraduate students in art schools graduate and doctoral students in art history students in other humanities disciplines experts and professors in the study of 20th century Chinese art and cultural history should be important readers of this book
