Breaking Ranks A Political Memoir:

Breaking Ranks Norman Podhoretz, 1979 **Breaking Ranks** Norman Podhoretz, 1980 **Political Conversion** Don Waisanen, 2018-04-20 Stories of religious conversion have been told for millennia Yet many prominent figures such as Ronald Reagan Hillary Clinton and Rick Perry have also used stories of their change from one political worldview to another as a communication strategy aimed at winning the hearts and minds of the public This book is about political conversion stories in public discourse in their evolution from and interactions with religion From a historical perspective it charts the development of conversion narratives from religious contexts to their contemporary applications as specifically political messages Since these narratives continue to be used in the culture wars this book examines several related autobiographies that contributed to the use of this strategy in contemporary U S politics Each case shows how shifts during the postwar period called for conversion texts under varying guises and illustrates how and why the majority of these stories have been of conversions from the ideological left to the right Examining political conversion as a form of public persuasion **Political Conversion** ultimately provides insight into what these types of civic religious stories mean for democratic communication and communities

Losing Ground (10th Anniversary Edition) Charles Murray, 2008-08-04 This classic book serves as a starting point for any serious discussion of welfare reform **Losing Ground** argues that the ambitious social programs of the 1960s and 1970s actually made matters worse for its supposed beneficiaries the poor and minorities Charles Murray startled readers by recommending that we abolish welfare reform but his position launched a debate culminating in President Clinton's proposal to end welfare as we know it

The Conservative Intellectual Movement in America Since 1945 George H. Nash, 2014-04-08 First published in 1976 and revised in 1996 George H Nash's celebrated history of the postwar conservative intellectual movement has become the unquestioned standard in the field This new edition published in commemoration of the volume's thirtieth anniversary includes a new preface by Nash and will continue to instruct anyone interested in how today's conservative movement was born

Norman Podhoretz and Commentary Magazine Nathan Abrams, 2011-10-27 What does the term neoconservative mean Who are we talking about and where did they come from Abrams answers those very questions through a detailed and critical study of neoconservatism's leading thinker Norman Podhoretz and the magazine he edited for 35 years **Commentary** Podhoretz has been described as the conductor of the neocon orchestra and through **Commentary** Podhoretz powerfully shaped neoconservatism Rich in research the book is based upon a wide range of sources including archival and other material never before published in the context of **Commentary** magazine including Podhoretz's private papers It argues that much of what has been said about neoconservatism is the product of willful distortion and exaggeration both by the neoconservatives themselves and their many enemies From this unique perspective Abrams examines the origins rise and fall of neoconservatism In understanding Podhoretz a figure often overlooked this book sheds light on the origins ideas and intellectual pedigree of neoconservatism

Neoconservatism Justin Vaïsse, 2011-03-18 Presents neo conservatism in three ages covering the history and illuminating core developments including the split of liberalism and the shifting relationship of party affiliation and foreign policy position

Idols for Destruction Herbert Schlossberg, 1993-06-15 This analysis of current events examines the wrong beliefs America has held supreme idols that are to blame for our nation's decay and suggests how our culture can be healed

A Better World William L. O'Neill, 2020-09-29 This book chronicles the struggle among non Communist leftists and liberals over American relations with the Soviet Union from 1939 through the 1950s Few now care as passionately and as violently as people did then about Soviet American relations It was a time when friends became enemies and others forged strange alliances all in the name of commitments that today seem remote A Better World evokes those times and their choices and explains why these long ago battles still arouse such deep feelings today and should Americans who were pro Soviet without being members of the Communist party progressives as they called themselves had a large emotional investment in the Soviet Union From 1935 to 1939 literally millions joined the Popular Front of pro Soviet organizations O'Neill takes us through the shock of the Stalin Hitler pact of 1939 through the revival of the Popular Front spurred by government and business support after Russia entered the war against Hitler He traces the isolation of the anti Stalinists the rise and fall of Henry Wallace and the eclipse of progressivism And he explores the shifting allegiances of intellectuals as they struggled often with each other to influence the course of public debate with long lasting consequences for American intellect culture and morals As O'Neill observes in his introduction More than any of my other books A Better World inspired correspondents to send me probing or reflective letters It was this response along with the extraordinary critical debate spurred by initial publication of this volume that makes the book's continuing importance clear The dream of achieving a better world through radical violence never dies and the willingness of apologists to cling to utopian visions persists As long as it does the lessons of this book need to be available to us

Party Coalitions in the 1980s Seymour Lipset, 2017-07-05 The election of 1980 did more than break the Democrats control of the White House and Congress It also shattered some important assumptions about the character of our voting coalitions and the condition of our political parties It opened some possibilities for the remainder of the century that had not been there before These reflections by David S Broder in the introduction to Party Coalitions in the 1980s are echoed in the essays of the twenty one scholars party leaders and candidates in the volume This book presents a detailed and lively discussion of the past history present significance and future implications of coalitions in the American two party political system Patrick H Caddell observed that Reagan has skillfully huddled a variety of conservative program and issue initiatives under the umbrella of economic revitalization In that vein Richard B Wirthlin argued that the 1980 presidential election should be viewed as a major opportunity to redraft the policy agenda of this country Realizing that change is one of the few constants in politics Lipset and his colleagues set forth strategies and guideposts for Republicans and Democrats who sought to build winning coalitions for the elections of the

1980s

Breaking Ranks A Political Memoir Introduction

In today's digital age, the availability of Breaking Ranks A Political Memoir books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Breaking Ranks A Political Memoir books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Breaking Ranks A Political Memoir books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Breaking Ranks A Political Memoir versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Breaking Ranks A Political Memoir books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Breaking Ranks A Political Memoir books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Breaking Ranks A Political Memoir books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and

contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Breaking Ranks A Political Memoir books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Breaking Ranks A Political Memoir books and manuals for download and embark on your journey of knowledge?
